ANDERSON HIGH SCHOOL

The creeping shadow of time closes the gap in our span of life at Anderson High School, in Anderson, Ind., and brings the chapter of our activities during the school year 1937-1938 to an end. These activities have been recorded in the 1938 Indian with a thought to our future vocations.

INTRODUCTION

Education is preparation for the future life work of the young generation. While we study the various courses offered to us as we pass through school, we choose many things and have numerous and changing desires for our future vocations. However, much thought and research is required. A fair trail along the many paths will lead to our final and important decision, which starts us hopefully off on the road to success and happiness.

TURNER

English

The mother tongue stands as the tree of all learning. On its branches hang many cultural fruits and all vocations flourish in its shade. The writer with his smooth flowing pen, the actor whose primary need is a facile command of English, the teacher, lawyer, and all professional men depend on it directly or indirectly for their livelihood.

Before we can properly choose any vocation, it is necessary to lay a firm foundation. Study language and help prepare yourself for any field.

SCHOOL BOARD

To this august body we owe our vacations, half holidays, free shows and convocations, for without their expressed permission the school year would continue from September to June uninterrupted. Under our present system they serve as a cabinet to Mr. Campbell, superintendent of all city schools. Appropriated so much money each year by the city and state, it is their duty to distribute it among Anderson Schools to the best advantage.

Board members are appointed by the Mayor for a three-year term and stand eligible for re-appointment at the conclusion of their terms. Good citizenship, uprightness, honesty, insight, and understanding—these are qualifications for membership.

This year they wisely chose as president, Mr. R. M. Critchfield who easily qualified and was perhaps especially fitted because of his two daughters of high school age. Mr. Elmer H. Downey keeps the records and Mr. Jacob C. Kuch is the treasurer. Other members are Mr. Fred L. Ray and Miss Juliet Crittenberger.

Students should recognize and appreciate the efforts of the members of the board, for in their hands lays the changing destiny of A. H. S.

Mr. Ray

Miss Crittenberger

SUPERINTENDENT

Mr. Arthur Campbell, our superintendent, came to us five years ago and has remained to help the school system of Anderson overcome its difficulties. A congenial man, well-liked by those who know him, he has been indispensable to us in solving the problems of the students and faculty of Anderson High School.

PRINCIPAL

For five years Anderson High School has been directed by the capable hand of our principal, Mr. Fred W. Stoler, who won the respect of the whole school. Since he has taken over the wheel, we have done bigger and better things; our school has been raised to a high standard, and we are acclaimed champions in many fields.

FACULTY

INCREASING YEAR BY YEAR AS THE SCHOOL ENROLLMENT GROWS LARGER, THE TEACHING FORCE OF ANDERSON SENIOR HIGH SCHOOL NOW NUMBERS ALMOST EIGHTY. YEARS OF TRAINING ACQUIRED IN NORMAL SCHOOLS, COLLEGES, AND UNIVERSITIES LOCATED IN ALL PARTS OF THIS COUNTRY COUPLED WITH MUCH VALUABLE EXPERIENCE IN TEACHING HAS MADE OUR FACULTY WELL-EQUIPPED TO DIRECT THE VARIOUS COURSES IN THE CURRICULA OFFERED.

FACULTY MEMBERS ARE DIVIDED ACCORDING TO DEPARTMENTS WITH ONE OF THEIR NUMBER IN CHARGE OF EACH. THE SEVERAL DEPARTMENTS INCLUDE ENGLISH, FOREIGN LANGUAGE, SOCIAL SCIENCE, MATHEMATICS, SCIENCE, COMMERCE, ART, MUSIC, HOUSEHOLD ARTS, INDUSTRY AND VOCATIONS, AGRICULTURE, PHYSICAL EDUCATION, AND SAFETY.

DEANS

C. D. Rotruck

MR. ROTRUCK

As Dean of Boys, Mr. C. D. Rotruck needs little introduction and much praise. All of us have had, or will have some dealings (good or bad) with him at some time or other during our high school career. The job he holds demands and has found a man of strong mind with a great capacity for understanding.

Established in the old X-Ray room he metes out justice daily on the well-known "green carpet;" but we're proud of him. Just try and find someone with anything but a good word to say in his behalf.

MISS ARBOGAST

"May I have a permit?" May I go home this period?" These are a few of the common remarks heard in Miss Arbogast's room every day. This patient Dean of Girls is a best friend to every girl in high school. Each day, with her assistants, she works from early morning until after school hours checking up on approximately 1,200 girls. If ever a medal is offered for thoughtfulness, generosity and good-fellowship, Miss Arbogast will receive it by a unanimous vote of all that know her.

History

History is the encyclopedia of civilization and its pages contain some of the most wonderful stories in the world. Since we learn through the mistakes of others, the trials and errors of some of the world's great men help us to shape our own destinies.

The study of human progress is relevant to us all and contains the education and culture of the world. It is especially valuable to those who intend to become the nation's leaders, lawyers and politicians.

Seniors

George Shaw

Miss Mullendore

Mr. Davis

Pomp and ceremony is not enough in ushering out this group of dignified seniors. With banners flying of dubonnet and white they have experienced all stages of high school life—ridicule, humiliation, and each year a growing sense of superiority.

The class of '38 has been ably led in all class activities by President, John Ballard; Vice-President, Rex Wiseheart; Secretary, Virginia Stout; and Treasurer, Eugene Reynolds. Much of the success of the class may be attributed to the sponsorship of Miss Mullendore and Mr. Davis who have loyally guided it through the past four years.

The seniors proved their dramatic ability when they presented Booth Tarkington's "Seventeen" which was considered by many as one of the best plays in several years. They also played the part of hosts at the Senior Dance in December.

After much elimination the class chose Charles Beckman, George Huser, Mary Jo Creason, and Culla Frances Shaw as commencement speakers with Keith Pettigrew and Ellen Jane Balfour as alternates.

Juniors

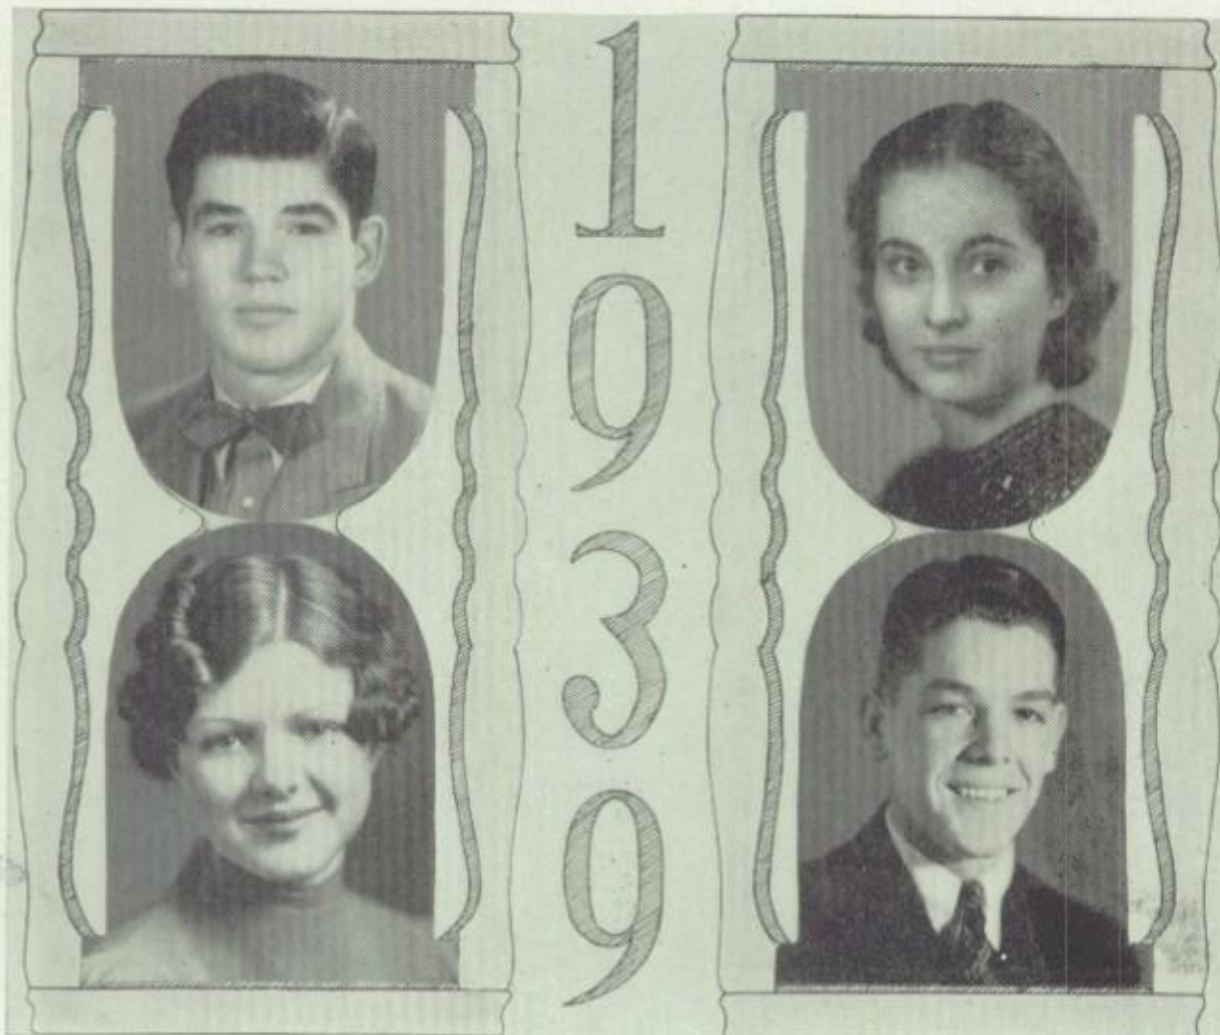

Mr. Sanders

Miss Hupp

Ever since these juniors entered high school, they have been noted for an outstanding ability to act twice their age. As freshmen they distinguished themselves by a spinach-like sophistication, when sophomores they established an unheard-of precedent by holding a Sophomore Class Picnic. And now as juniors they are combining junior jauntiness with senior stoicism, to the end that they are a most charming group of students.

To show their unmistakable mental ability, they elected as their officers: President, Richard Brown; Vice-President, Phyllis Harmeson; Secretary, Martha Dowman; and Treasurer, Mark Benbow. Their class sponsors, Miss Hupp and Mr. Sanders, had a great deal to do with the success of the various junior undertakings.

The juniors chose their colors, red and gray, and late in the fall term every loyal junior wore either a sweater, a class pin, or a ring, and some, believing in the adage, "You're only a junior once", possessed all three!

Sophomores

Mr. Shirey

Mrs. Goss

Marching onward in quest of knowledge, the class of 1940, although not yet well known, shows great promise for the future. The sophomore year is the "pupa" stage of high school students. Having risen above the "greenness" of being a freshman, they stay secluded trying to acquire the poise and assurance of the upperclassmen. Not quite sure of themselves, they work at Latin and geometry, hoping to place Caesar and triangles safely out of the way of the coming year.

This industrious and enterprising group of students early elected Bonnie Weaver as President; Eugene Yates, Vice-President; Phyllis Wills, Secretary; and Mike Martin, Treasurer. They also chose two capable sponsors, Mrs. Goss and Mr. Shirey, to help them through their triumphful years.

Because they are just getting started and have just begun to get their bearings, the Sophomores have done nothing spectacular in the two years that they have been here.

Freshmen

Mr. Hosier

Mrs. Repetto

Introducing the Freshman Class—proverbially green and forever young. It seems they grow smaller and more verdant every year and this crop is no exception. In spite of teasing and belittling, these unassuming youngsters achieve fame and glory with enviable facility. Tradition has it that their girls are the prettiest in school and the 1941 buds definitely bear promise.

These newcomers sponsor no all-school activities. Their main task is getting themselves acquainted with the school and the school with them. Assisting them to this end are Mrs. Repetto and Mr. Hosier, class sponsors.

The yearlings have selected as their leaders, Dick Jones, president; Dean Moore, secretary; and George McMahan, treasurer.

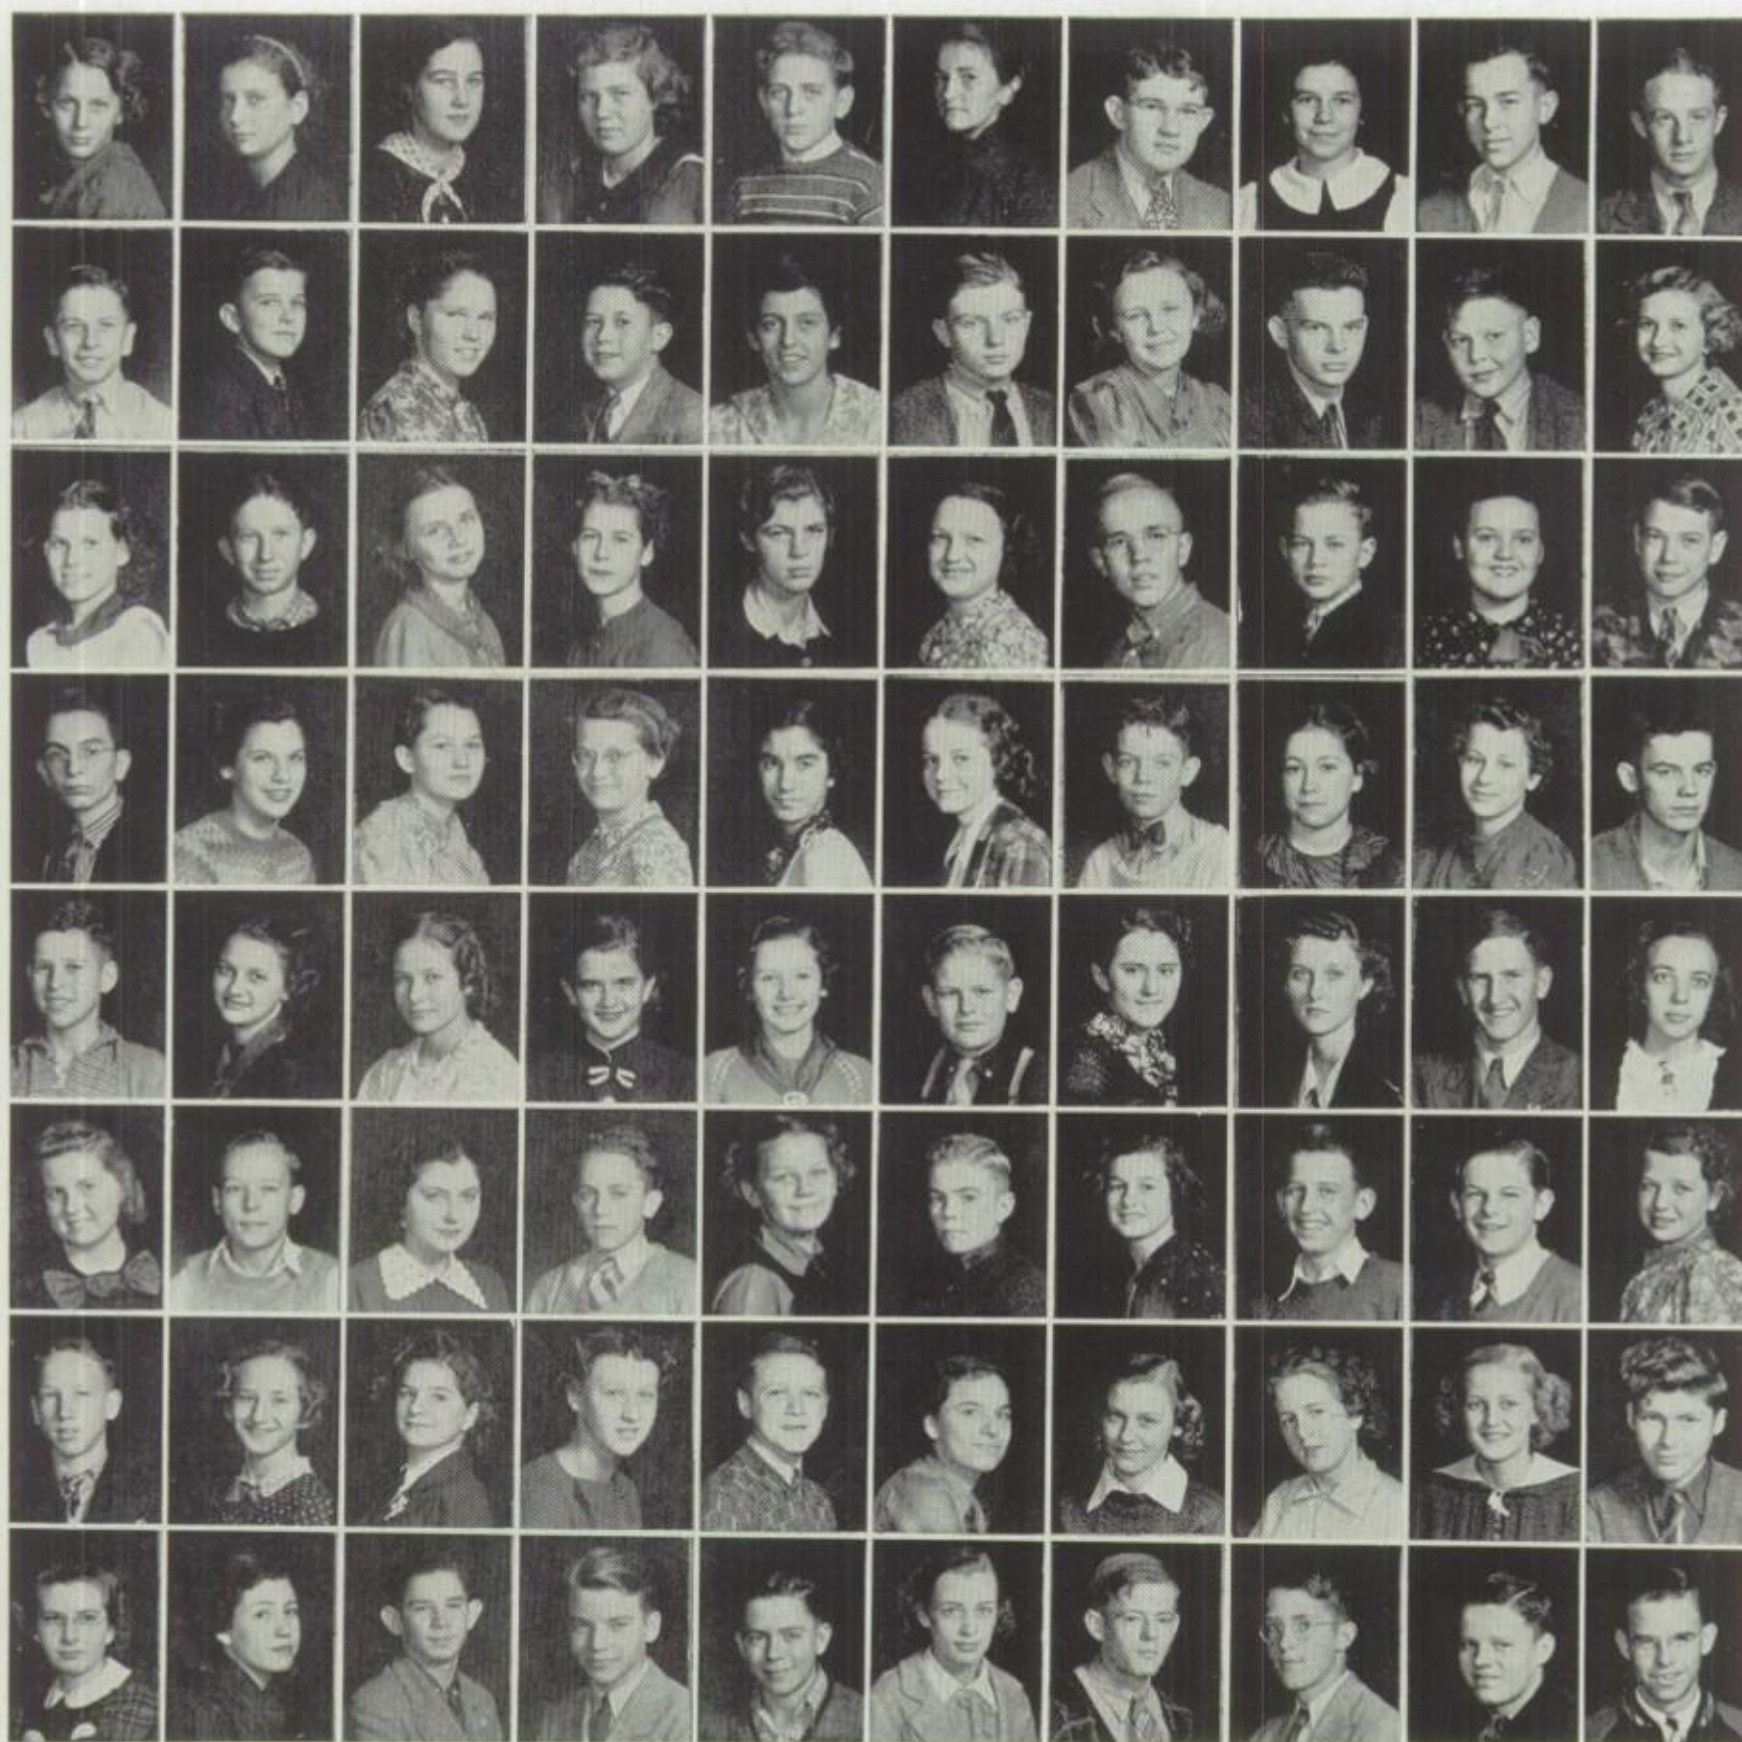

As biographers we must give credit where it is due, and there is much to be said in the freshies' behalf. Everyone knows they yell the loudest at pep sessions and while they cannot sponsor dances themselves, they always support frolics given by upper classes.

Freshmen

Entering the halls one day, the student body was surprised to see a group of small bewildered looking children, standing around awkwardly. The Seniors ignored them, the Juniors passed them by with a curious glance, but some of the Sophomores and Freshmen boldly asked them their business and why they were obstructing the passage. To this remark they received the timid reply that the group had just come to high school. Some guessed that they were the new mid-semester Freshmen, and were right.

Thus entered the new Freshmen. Smaller and as green as ever, they dash through the halls, incurring the scorn of the upperclassmen, to arrive breathlessly in their classrooms, only to have to wait four minutes for the bell to ring.

Approximately 225 new students came in this semester, of course, being new in the school, nothing much is known about them. An opinion can not be formed as yet, because of the shyness of these newcomers. However in a couple of years, these "greenies" will turn into sophisticated Seniors, and great things are expected from them in the future.

IN MEMORIAM

Merle Chambers

In September, 1935, Mr. Chambers came to Anderson High School as assistant coach. He was well-liked and soon grew to be very popular. It was in the June of 1937 that he and two members of our basketball team were involved in a disastrous motor accident, in which Mr. Chambers met his death.

Betty Simmons

May we bow our heads for a moment in honor of Betty Simmons, member of the Freshman class who lost her life early last spring. We pause in regret for the happy child who met the "great adventure" much too soon.

Jim Phillips

This year took from us one of the best loved students this school has ever known. Active in sports as well as in the classroom, Jim Phillips will be remembered as a boy who personified the best in life.

Mathematics

Figures, circles, triangles, unknown numbers, to some these appeal as a mighty, but interesting job to puzzle over and work out to perfection. The present student whose mind is full of these details, and who is interested in working them out, may build the skyscrapers or beautiful cathedrals twenty years from now. Or he may take the surveyor's work, which is after all only an application of knowledge acquired as a student.

Honorary Society

May we present the intelligentsia of the school, the girls and boys who manage to make those wonderful grades. Having succeeded in getting a Student Council for the high school and having joined the National Honor Society the members now can afford to rest on their laurels.

Officers are: President, Charles Beckman; Vice-President, Ellen Balfour; Secretary, Mary Jo Creason; and Treasurer, George Huser. The sponsors of the club are Miss Hirsch and Mr. Shirey. In the picture above are found:

Row 1—Mr. Shirey, Barbara Ann Adkins, Marjorie Young, Alice Mendenhall, Charles Beckman, Virginia Crouch, June Spiegel, Ellen Balfour, Mary Jo Creason, Winifred Davis, Miss Hirsch.

Row 2—Mary Ellen Martin, Martha Goerz, Carolyn Campbell, Mary Jane Childers, Jeanette Lipschitz, Julia Ann Arthur, Betty Herold, Rosemary Ronsheim, Barbara Bassett.

Row 7—George Huser, David Forkner, Cecelia Ricketts, Ora St. Myer.

Dramatics Club

The purpose of the highly successful Dramatic Club is to promote drama and interest along dramatic lines. It is under the leadership of President Tom Walker and Sponsor Mr. Boyd. This year the club brought the famous Avon Players to the school, for two Shakespearean play performances.

Bible Club

To study important characters in the Bible is the object of the Bible Club. The members have also had debates, have given parties, and sponsored a convocation program. They have been guided in their activities by Olivia Brinduse, President, and their Sponsor, Mr. Baker.

Newswriting Class

Billie W. C. Schuyler

These students represent this semester's and last semester's Newswriting classes. It was these talented students who made the X-Ray a more interesting school paper. Last semester's Editor-in-Chief was Martha Ann Miller; this semester's, Billie W. C. Schuyler. Mr. Baker is the faculty adviser, while Mr. Barner handles the printing of the paper.

Printers

"Time on My Hands" certainly couldn't be the theme song of Mr. Barner and his fourteen apprentices. Morning, afternoon, and many nights this hard-working teacher labors to put out the X-Ray, Annual and other material for the school.

Art Association

To provide broader opportunities for art department students, programs of the Art Association have been arranged by seven interest groups: fine arts, commercial arts, cartoon, crafts and decoration, costume design, collectors, and morgue. The officers have been president, Virginia Seipel; vice-president, Helen Scott; secretary-treasurer, Mary Sczesny.

Latin Club

Members of the Sodalitas Latina have enjoyed an active and entertaining year. Aided by their capable sponsor, Miss Nagle, the club had a Christmas and an Easter party, with appropriate contests and music. The officers for this year have been: President, Janet Ebel; Vice-President, Doris Wikle; Secretary, Doris Conner; and Treasurer, June Spiegall.

Junior-Senior Girl Reserves

The Junior-Senior Girl Reserves have been most active the past year in programs, dances, banquets, and general helpfulness. Their president, Martha Ann Miller, and sponsors, Teacher Miss Hirsch and Y. W. C. A.'s Mrs. Bolinger have greatly aided them in this work.

Freshman-Sophomore Girl Reserves

Led by president, Betty Ruh, the Freshman-Sophomore Girl Reserves have had a busy year carrying out their program and making visits to public places such as jail, Herald Office and the Waterworks. Sponsors are high school's Mrs. Hale and Mrs. Bolinger of the Y. W. C. A.

Row 7—Paul Cunningham, Keith Hardy, Ellen Baughman, Mary Sczesny, Betty Badgely, Jack Elliott, Nelda Showalter, Bob Critchley.

Row 8—Mr. Denny, James Blake, Mary Ellen Martin, Victor Maxwell, Phyllis Harmeson, Dick Ehle, Alta Hunter, Dorothy Kiphart, Gordon Fisher, John Finney, Miss Critchley.

"31 years and still going strong!"—this might be said to have been the slogan of the 1937-38 Senate.

The officers for the first semester were Keith Pettigrew, president; Don Collins, vice-president; Robert Critchley, secretary; Betty Cope, assistant secretary; Delbert Searles, treasurer; Walter Rock, reading clerk; and David Fisher, assistant reading clerk.

As for activities, the club gave two dances and the annual senior banquet in May.

Second semester officers were Charles Beckman, president; George Huser, vice-president; Don Collins, secretary; Bernadine Ritter, assistant secretary; Bonnie Weaver, treasurer; Joan Sisson, reading clerk; and Nelda Showalter, assistant reading clerk. Sponsors were Miss Critchley and Mr. Denny.

Science-Math

Row 1—Mary Jo Creason, Bob White, Bob Savage, Don Collins, Keith Pettigrew, Gene McWilliams, Walter Burt, John Finney, Jack Petry.

Row 2—Keith Hardy, Kent Hardy, Yolanda Pershing, Frances Weaver, Deloris Meikel, Betty Cope, Billy DeArmond, Lee Pursley, Victor Maxwell.

Row 3—Barbara Bassett, Martha Howard, Cletus Hilligoss, Ruth Shetterly, Harriett Mantooth, Richard Ehle, Katherine Smith, Gifford Runyon, Burldene Romine.

Row 4—Mary Kathryn Ritter, Phyllis Shaw, Pauline Seward, Joe Elliott, Bob Critchley, Marlestone Wright, David Fisher, Floyd Perkins.

Row 5—Mr. Pershing, Mr. Horton, Bill Morris, George Huser.

Are you interested in mathematics? Do you get a kick out of delving into the realms of the scientific world? Every Monday evening during the past year approximately thirty members of the Science-Math Club have met and discussed various phases of these two interesting subjects. For leadership they looked to president, Keith Pettigrew; vice-president, Don Collins; secretary, Frances Weaver; and treasurer, Gifford Runyan.

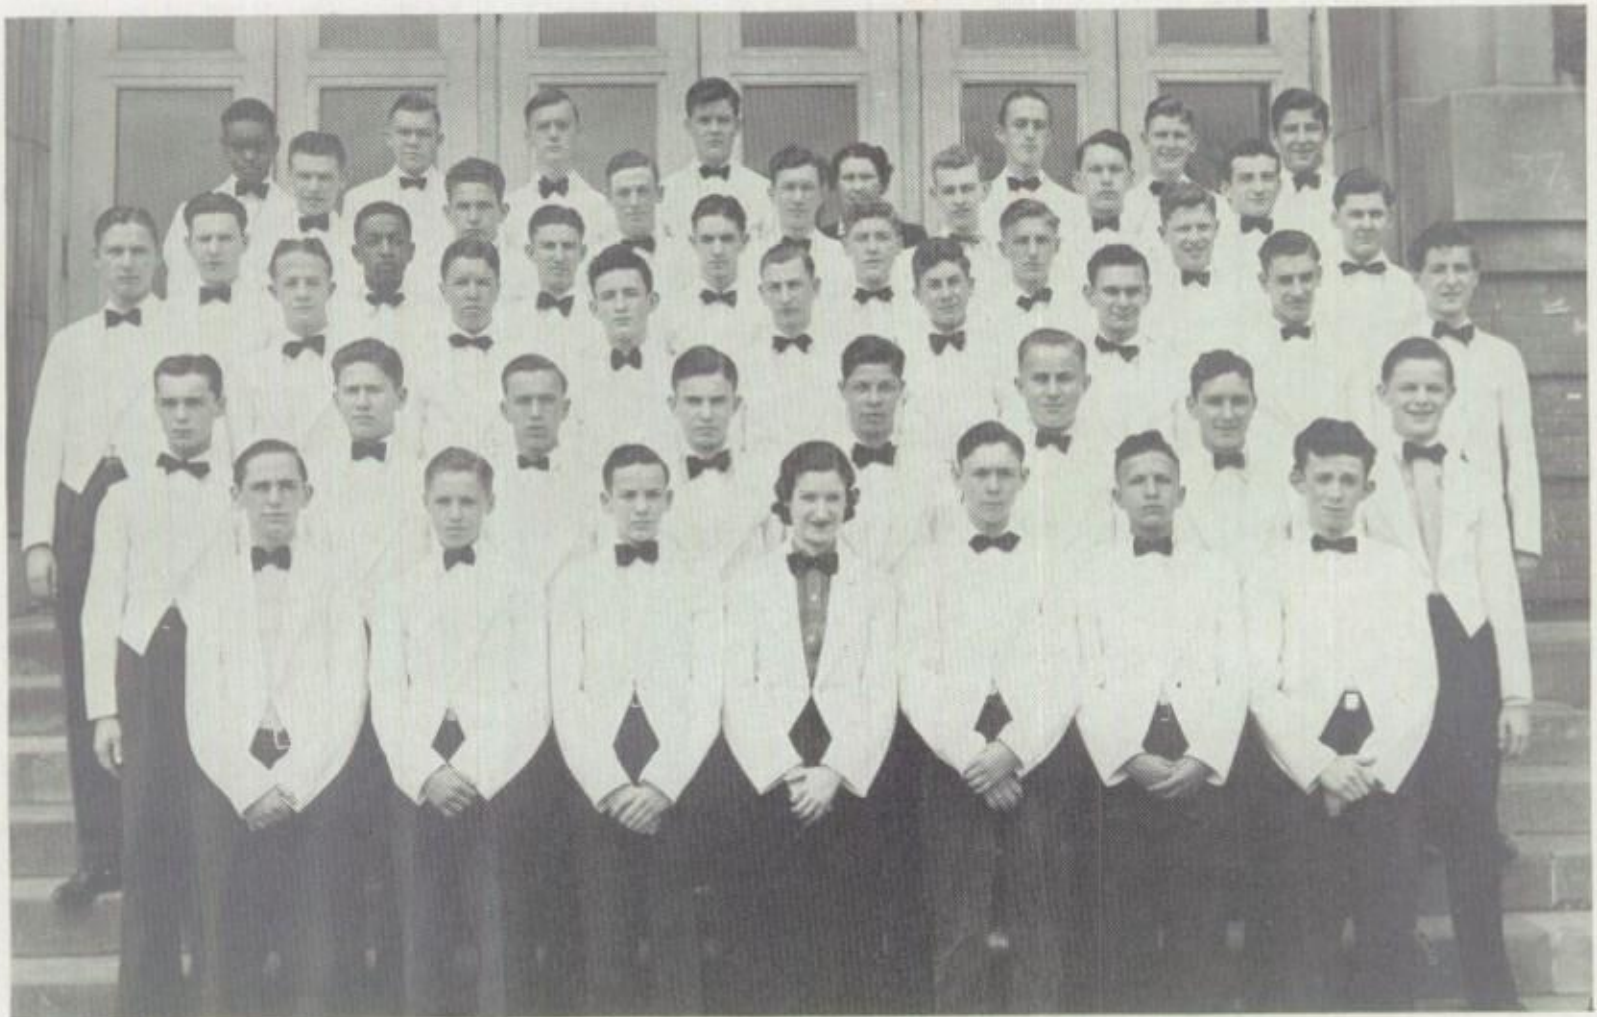

In November the club gave a skating party at Eyer's Rink and during spring vacation they entertained with a Barn Dance in the Old Gym.

This is one of the most educational and entertaining clubs in high school. Its sponsors, Mr. Horton, Mr. Stewart, and Mr. Pershing have done much towards the betterment of this organization.

Girls' Glee Club

To be convinced of the veracity of Carlyle's statement that, "Music is well said to be the speech of angels" one has only to listen to these two groups. They participated in various county school festivals, the operetta, convocations, and before several clubs. The girls also took part in Thanksgiving and Christmas services.

Boys' Glee Club

In January the boys gave a minstrel which made it possible for them to purchase uniforms. Besides this they appeared at the district festival at Muncie. The girls also took part in Thanksgiving and Christmas services.

Choral Club

Presenting the Anderson High School Choral Club. No more need be said, for their exploits are famed both far and wide.

Row 1—Wanda Niccum, Virginia Newman, Ruth Folger, Martha Kinley, Laura Richardson, Marjorie Johnson, Lois Barner, Frances Forcum, Betty Hupp, Joan Fulwider, Rosemary Cox, Cecilia Ricketts, Bill Cassell, Melvin Bridges, John Misner, Hubert Edwards, Delbert Searles, Paul Maines.

Row 2—Betty Bacon, Ruth Ann Harrison, Eleanor McDonald, Norma Brown, Louise Edgeman, Audrey McElhoe, Wilbur Crim, William Davis, Don McArt, Fred Hurst, Joe Trent, James Carr, Clair Stout, Bill Thornburg, Dick Brown, John Ballard.

Row 3—Martha Dowman, Betty Huston, Vivian Woods, Betty Swank, Cathryn Cooper, Bob Savage, Bob Hosier, Marion Shields, Bob Records, Edgar Hawk, Paul Bosh, Bob Trent, Robert Carlisle, Katherine Walker, Betty Jean Brown, Martha Goerz, Evelyn Higgins, Mary H. James, Esther Newman.

Row 4—Betty Dowe, Ruth Colle, Margaret Ann Babcock, Mary Ann Babcock, Mary Ann Handley, Alice Hooker, Maurice DeLoy, Jack Arnold, Don McCoy, Miss Hill, director, Charles Miller, John Lewis, Keith Pettigrew, Alice Mendenhall, Juanita Gahimer, Carole Gangel, Vera Matchett, Culla Shaw.

Band

Strike up the band! The boys and girls in their swanky new red and grey uniforms purchased this year are an inspiring sight and one of which A. H. S. might well be proud. This group has been responsible for many of our best convocation numbers.

Orchestra

Strings, woodwinds, and piccolos all take their place in the rostrum of Anderson High School's orchestra. Directed by Mr. Rencenberger, it presents another phase of school life with its many possibilities for all types and talents.

French Club

The French Club has been very active this past year, having had some very interesting meetings under the supervision of their sponsor, Mrs. Whitson. Officers of the club are: President, Billie W. C. Schuyler; Vice-President, Juanita Gahimer; Secretary-Treasurer, Marjorie Noland.

Spanish Club

"Buenas dias". The Spanish Club under the sponsorship of Mrs. Strickler, direction of Robert Shoemaker, president, and program committee Ruth Shartz, Gareth Coates, and George Donaldson has met every third week during class period. A party honoring the graduates was given at the close of the year.

Girls' Booster Club

The Girls' Booster Club has been very helpful this year in various projects such as buying mirrors for the girls' rest room and sending out Christmas baskets. They have been led by their president, Barbara Ann Adkins.

Rifle Club

The Rifle Club, which was organized this past year, has made rapid strides and is on its way to become one of the most popular organizations in school. Officers have been President, Martha Ann Miller; Vice-President, Don Collins; Secretary-Treasurer, Robert Shoemaker.

Hi-Y

Members of the Hi-Y are, left to right, starting at the bottom:

Keith Pettigrew, Dick Howe, Secretary, Merrill Hudson, Treasurer, Jim Brock, President, John Ballard, Vice-President, Melvin Bridges, Sergeant-at-Arms.

Harry Hudson, Dick Land, Joe Trent, Charles Shreffler, Rex Wischart, Dick Brown, Hubert Edwards.

Jack Elliott, John Ewald, Bob Fisher, Robert Parker, Bill Cassell, John Roger Moore, Chauncey Parker.

Tom Walker, David Fisher, Mark Benbow, Walter Jones Jr. Dick Ekle, Dan Langell, Clarence Brinson.

Hilton Headrick, Bob Ridge, Ben Early, Fred Hurst, Gene Ewald, Bob Critchley, Delbert Searles, and Mr. Bailey, Sponsor.

Formed in 1923 in order to promote a higher and cleaner standard of mind and living among boys, the Hi-Y organization has faithfully carried out the above plan under the leadership of President, Jim Brock; Vice-President, John Ballard; Secretary, Dick Howe; Treasurer, Merrill Hudson; Sergeant-at-Arms, Melvin Bridges, and their sponsors, Messrs. Bailey and Sanders of high school and Mr. Gibbons of the Y. M. C. A.

This year the club members have done much for the good of the school. At Christmas time they donated supplies to the Mission, and later they donated money to benefit the Choral Club, and help send them on their Washington trip. As part of a very successful program, they gave a dance in the old gym, calling it by the name of the dance which had just then become famous, "The Big Apple." It was one of the cleverest dances given this year.

The Club has been one of the most outstanding of school clubs for many years, as have the members in it; and our sincere congratulations and good will go to these boys in thanks to their untiring efforts to help the school.

Girls' Athletic Association

The Girls' Athletic Association of Anderson High School has just completed their fifth year with great success. Due to an enlarged enrollment, the social and financial committees have been unusually busy. Activities this year have included soccer, baseball, basketball, volley ring tenning, tumbling, track and field, hit-pin baseball, swimming, tennis and golf. Individual champions in the three latter activities received a medal each for their outstanding ability.

Miss Dorothy Campbell has sponsored the Girls' Athletic Association for the past two years. Before coming to Anderson, she supervised physical education in the schools at Frankfort, Indiana. Miss Campbell has sponsored Girls' Athletic Associations for some time, therefore she has brought many useful suggestions to our G. A. A. and her experienced guidance has been greatly appreciated.

One of the most successful of this years' auditorium programs was given this spring by Miss Campbell's physical education classes and members of the Girls' Athletic Association. Each of the different classes introduced to the audience various types of dances interspersed by specialty numbers featuring student dancers. The feats of the G. A. A. tumblers certainly revealed what girls can do when they are willing to devote hours to practice.

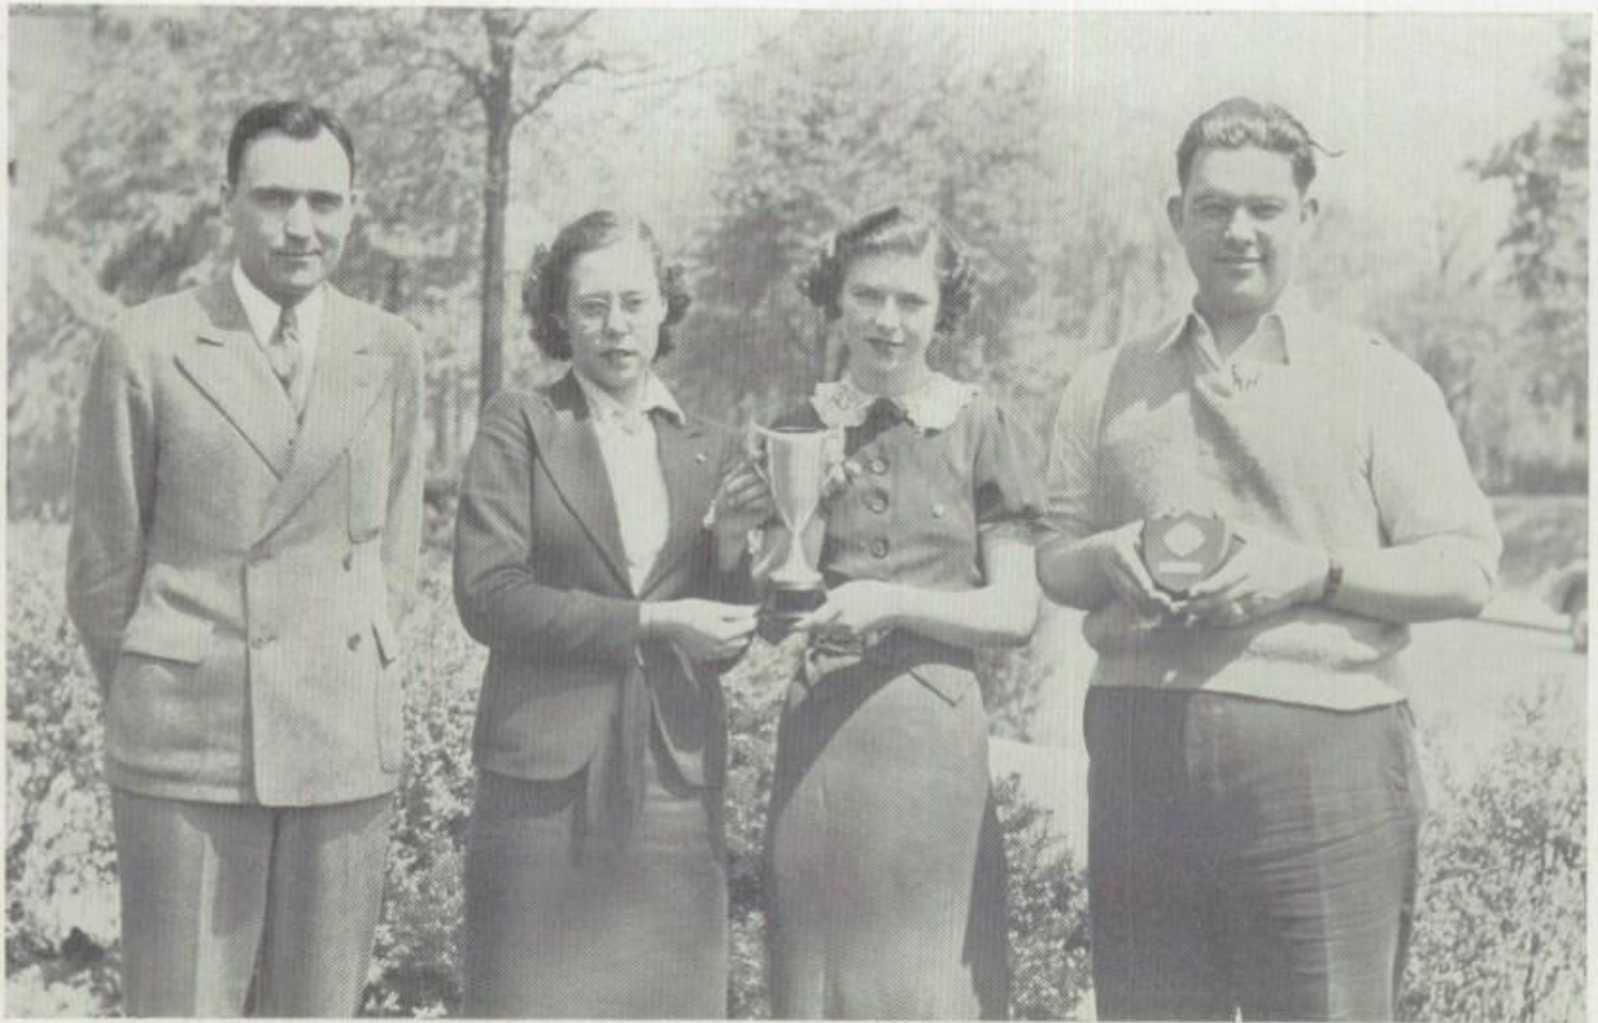

Girls' Athletic Association

The above group of girls, known as the council of the G. A. A., is the governing body of the association. The council is composed of Betty McElwain, president; Jean Cockrell, vice-president; Mary Louise Griffey, secretary; Minnie Ellen Mantooth, treasurer and the chairman of the various activities. These girls are upperclassmen who are well versed in parliamentary procedure necessary to the governing of such a large group of girls.

The highest honor that can be bestowed upon any member of the Girls' Athletic Association is to be chosen as the one whose name is engraved on the Senior Cup. A faculty committee this year chose Betty McElwain because of her skill in sports, her ability as a leader, her cooperation, reliability and her loyalty.

Betty has been a member of G. A. A. since her Freshman year, has been president of the organization for the past two years and has been assistant instructor in swimming. During her Junior year, she was granted the State award by the Indiana League of Girls' Athletic Associations for her excellence in physical education. It is hoped that her successors will be as outstanding in all phases of physical education as she has been.

State Commercial Contest

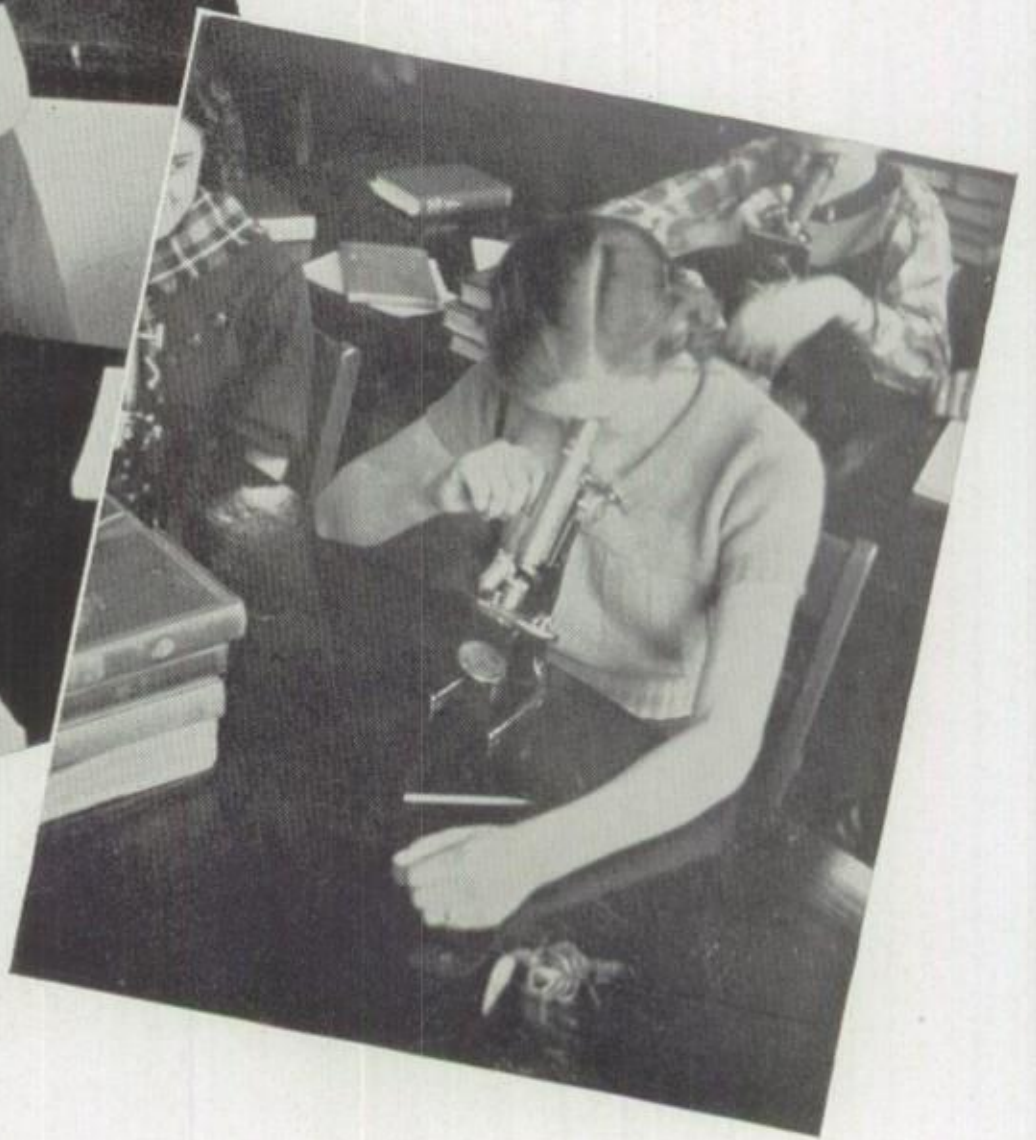

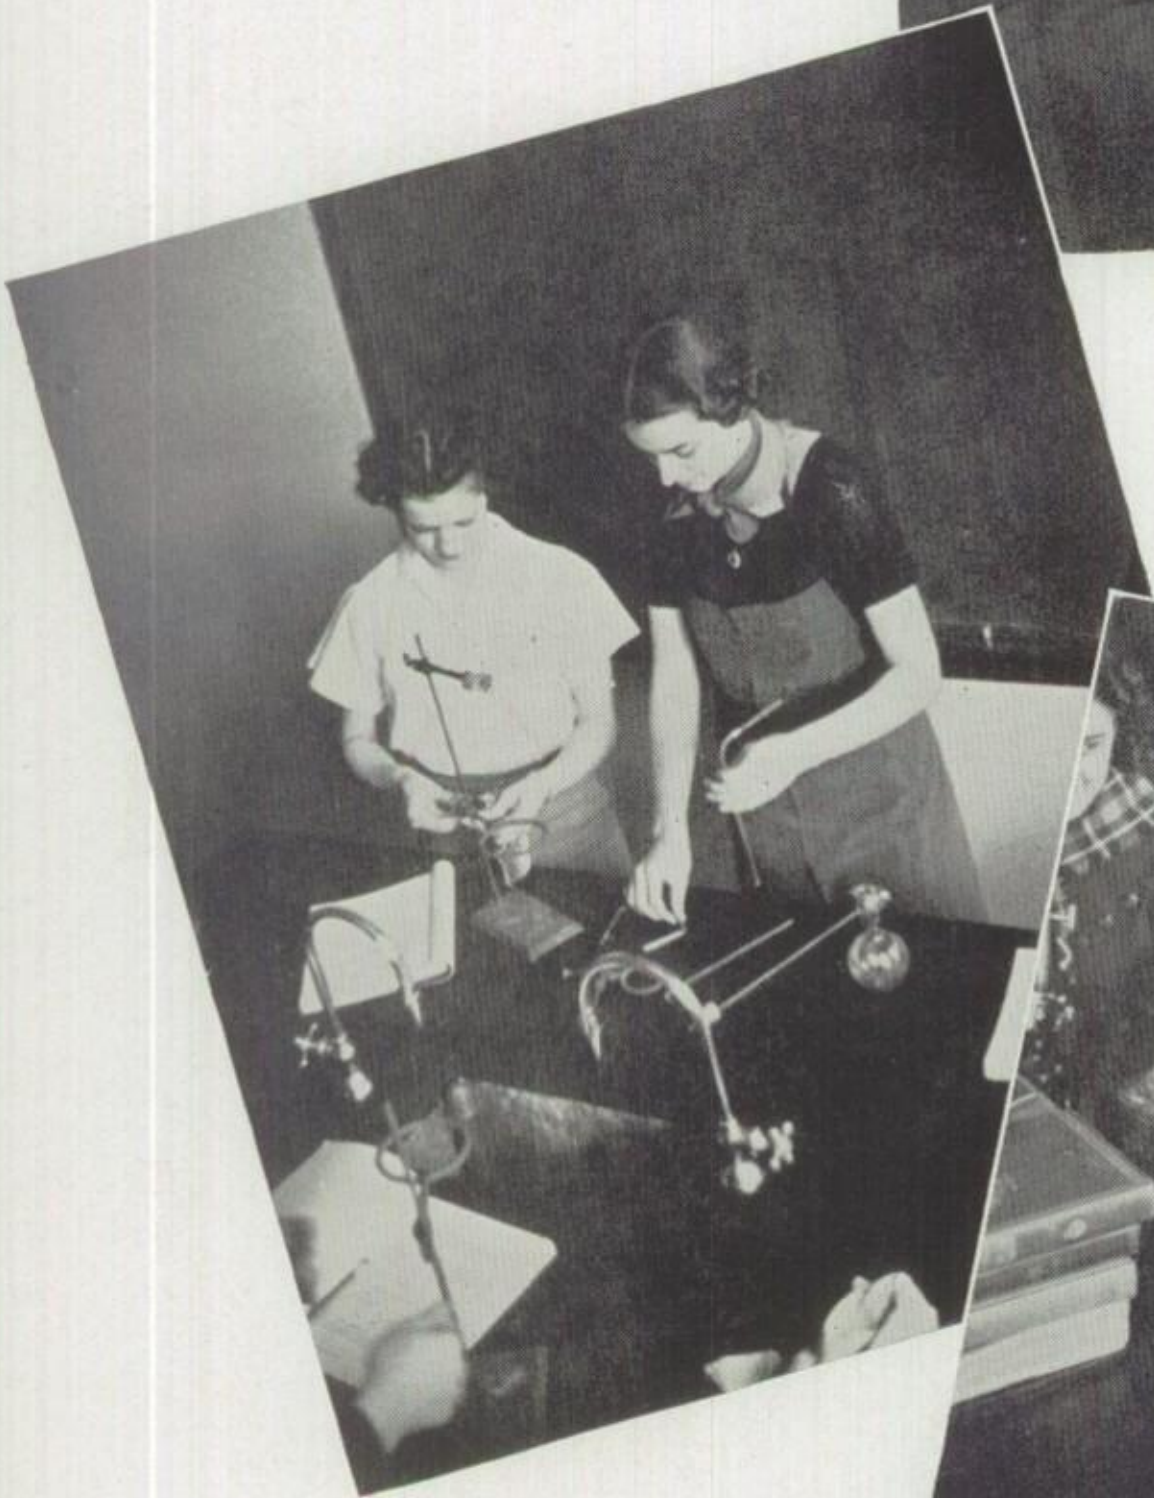

The state commercial contest is sponsored each year by the Department of Business Education of Ball State Teachers College. The contest is an extra-curricular activity offering competition in bookkeeping, beginning shorthand, advanced shorthand, beginning typewriting, advanced typewriting, and business aptitude. It is a motivating force in promoting scholarship and encourages students to try to achieve beyond the requirements for the "A" grade.

The seventeenth annual contest was held April 23, when approximately one thousand high school students from Indiana high schools competed in the different sections of the contest. Contests were held in the morning beginning at 8:30 o'clock and awards were made in the afternoon in the College Assembly Hall at 4:30. Concluding the day's activities participants were entertained at the annual victory banquet and dance in the Ball gymnasium.

The bookkeeping team of the Anderson High School composed of Helen Smith, Anna Belle Carpenter, and Ora St. Myer placed first in the contest.

Raymond Carr took third place individual in business aptitude. Other members of the team were Charles Beckman and Sophocles Pancol. The team placed third in the state.

Other Anderson students who took part in the commercial contest were: beginning typewriting, Vera Hiday, Dorothy Riley, and Ida May Utt; beginning shorthand, Dorothy Morrison, Rita Caloo and Madonna Nichols.

Science

Every year scientists discover new cures for diseases, new formulas, and new substances. To be a scientist is to have one of the most intensely interesting professions of all, one which can be prepared for by taking advantage of the courses in science, mathematics, and Latin which are offered in high school. These subjects are also of great use for the noblest of all professions, medicine or nursing.

STUDENT COUNCIL

The Anderson High School Student Council was organized in May 1937. The following September it began operating under the constitution which was written by a committee of the Honorary Society composed of George Huser, Juanita Cookman, Richard Forkner, and assisted by Mr. Arthur Shirey, and later approved and adopted by a vote of the student body. The student council consists of two bodies, the Executive Council and the Assembly. The Assembly is made up of a representative elected from each home room, and the Executive Council of six seniors, four juniors, two sophomores, who are elected by the assembly together with the president of each class.

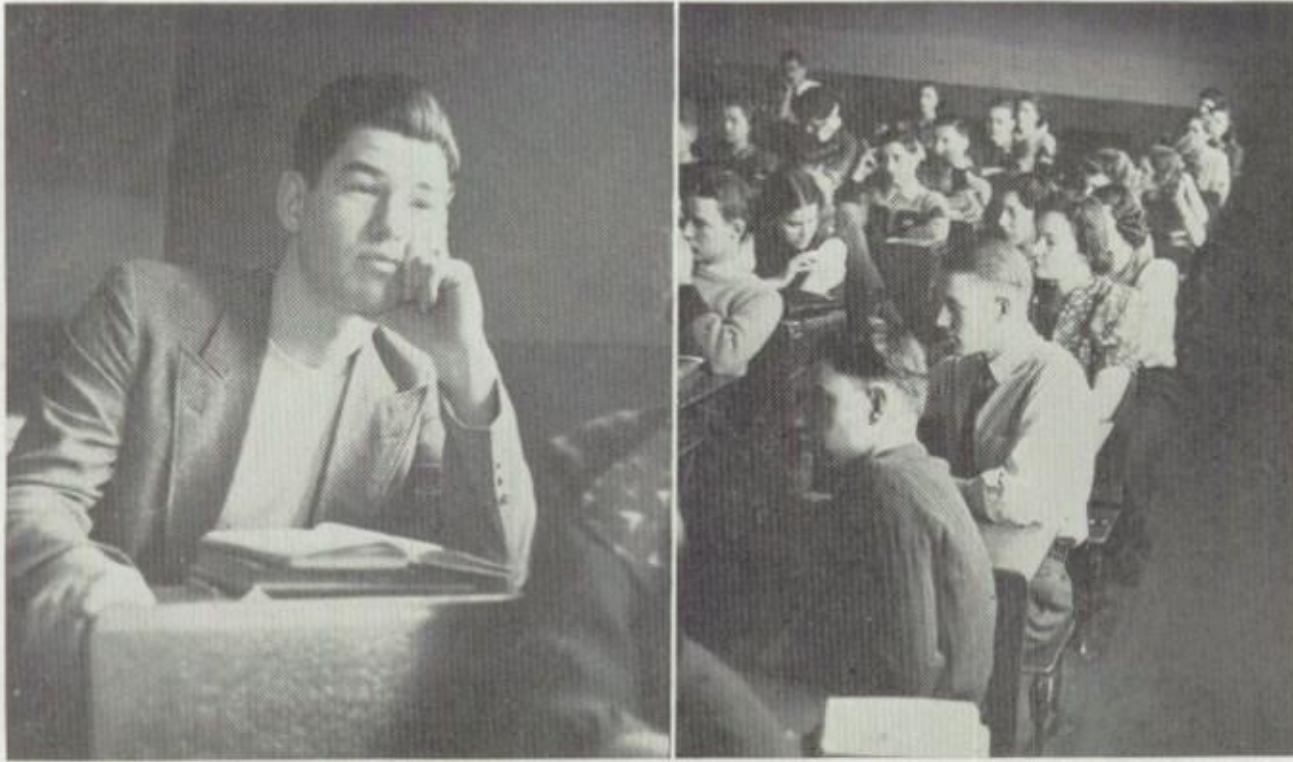

The objectives of this organization are:

1. To educate students in civic responsibilities.
2. To offer students experiences in leadership.
3. To give the students opportunities to take part in the administration of school affairs which concern the student body.
4. To set the correct proportion for social and scholastic phases of school life.
5. To promote among the students a co-operative spirit, and feeling that they are responsible for the school as a whole.

This organization is just a year old and is a movement toward greater student participation in school government. This is a movement that, because of the vast reforms it brings with it, must come slowly. The student council has accomplished a great deal in its first year of existence. The following are some of the projects and accomplishments of the Council during the past year.

1. Operated a used book exchange, the profits of which were turned over to the charity fund.
2. Had charge of Christmas convocation.

(continued on next page)

STUDENT COUNCIL *vs* Executive Council

3. Appointed three student members to program committee which was formerly composed entirely of teachers.

4. Sponsored ticket sales for operetta and school cafeteria.

5. Had charge of subscription campaign and the distribution of the X-RAY.

6. Chartered three new clubs. (Rifle club, Fencing club, and Conservation club.)

7. Created a social activities committee of students which sponsored and made rules governing dances. It was through the work of this committee that dances were held after many of the home basketball games.

8. Made tentative plans for creating recreational room in the auditorium.

9. Made possible the use of some of the basement rooms for eating lunches, thus relieving the congested conditions in the balcony of the old gym.

10. Assisted the deans in selecting monitors.

11. Suggested to Junior and Senior class a plan of competitive sports events as a substitute for their yearly brawl. This suggested plan was adopted and worked successfully.

12. Helped to improve auditorium behavior by home room discussions on this subject.

13. Co-operated with the Parent-Teacher Association in the establishment of a school cafeteria.

14. Held home room discussions on courtesy during Courtesy Week.

15. Worked on a school handbook to be ready for distribution at the beginning of the next school year.

16. Sponsored the first state convention of Student Council organizations in Indiana. This meeting was attended by approximately sixty students and teach-

ers representing Frankfort, Newcastle, Riley of South Bend, Burris of Muncie, Michigan City, Bloomington, Laporte and Anderson High Schools.

These accomplishments were made possible by the splendid co-operation of the student body together with the able assistance of Principal Stoler and the sponsors Arthur Shirey and J. J. Bailey. The student council has great plans for the future and with the co-operation of the student body and faculty, alike there are many improvements in our high school that can be brought about by this organization.

The officers of the Executive Council for the past year were: Dick Brown, president; Keith Pettigrew, vice-president; Eleanor McDonald, secretary. Its membership consisted of:

George Huser
Rex Wiseheart
Ellen Jane Balfour
Keith Pettigrew
Mary Cook
Charles Beckman
John Ballard
Ben Early

Martha Dowman
Eleanor McDonald
Dick Brown
Nancy Badgley
Betty Badgley
Bill Martz
Bonnie Weaver
Dick Jones

The officers of the assembly were: president, Rex Wiseheart; and secretary, Marge Young.

Assembly

Members of the Student Assembly

Seniors—Delbert Searles, Martha Kinley, Jack Elliott, Martha Renfro, Beverly Carraway, Rex Wiseheart, George Metcalf, John Ewald.

Juniors—Nadine Alt, Crist Blassaras, Ben Early, Juanita Gahimer, Frances Holzer, Dona Iles, Jeannette Lipschitz, Bill Moroney, Jean Roberts, Charles Shreffler, Betty Vest, Gene Stanley, William Davis, David Fisher, Majorie Johnston, Marjorie Young, Maxine Crist.

Sophomores—Barbara Marine, Betty Badgley, Gareth Coates, Tom Dorste, Dorothy Kiphart, Patricia Hewitt, Bill Pettit, Warren Rider, Joan Sisson, Ruby Unger, Tom Thornburg, Patricia Lee, Bernard Dent, Warren Stultz, Charles Gaus.

Freshmen—Evelyn Anton, Burton Canaday, Ilene Fortner, Wilma Hardacre, Nancy Hill, Harold Lunsford, Lejeun Nelson, Marietta Metcalf, Ralph Rotruck, Mabel Zerkel, Don Childes, Don McArt, William Schlegelmilch, Harold Snow, Ben Cook, Caroline Pickering, Joel Kohn, Norma Gill, Charles Bailey, Richard Stewart.

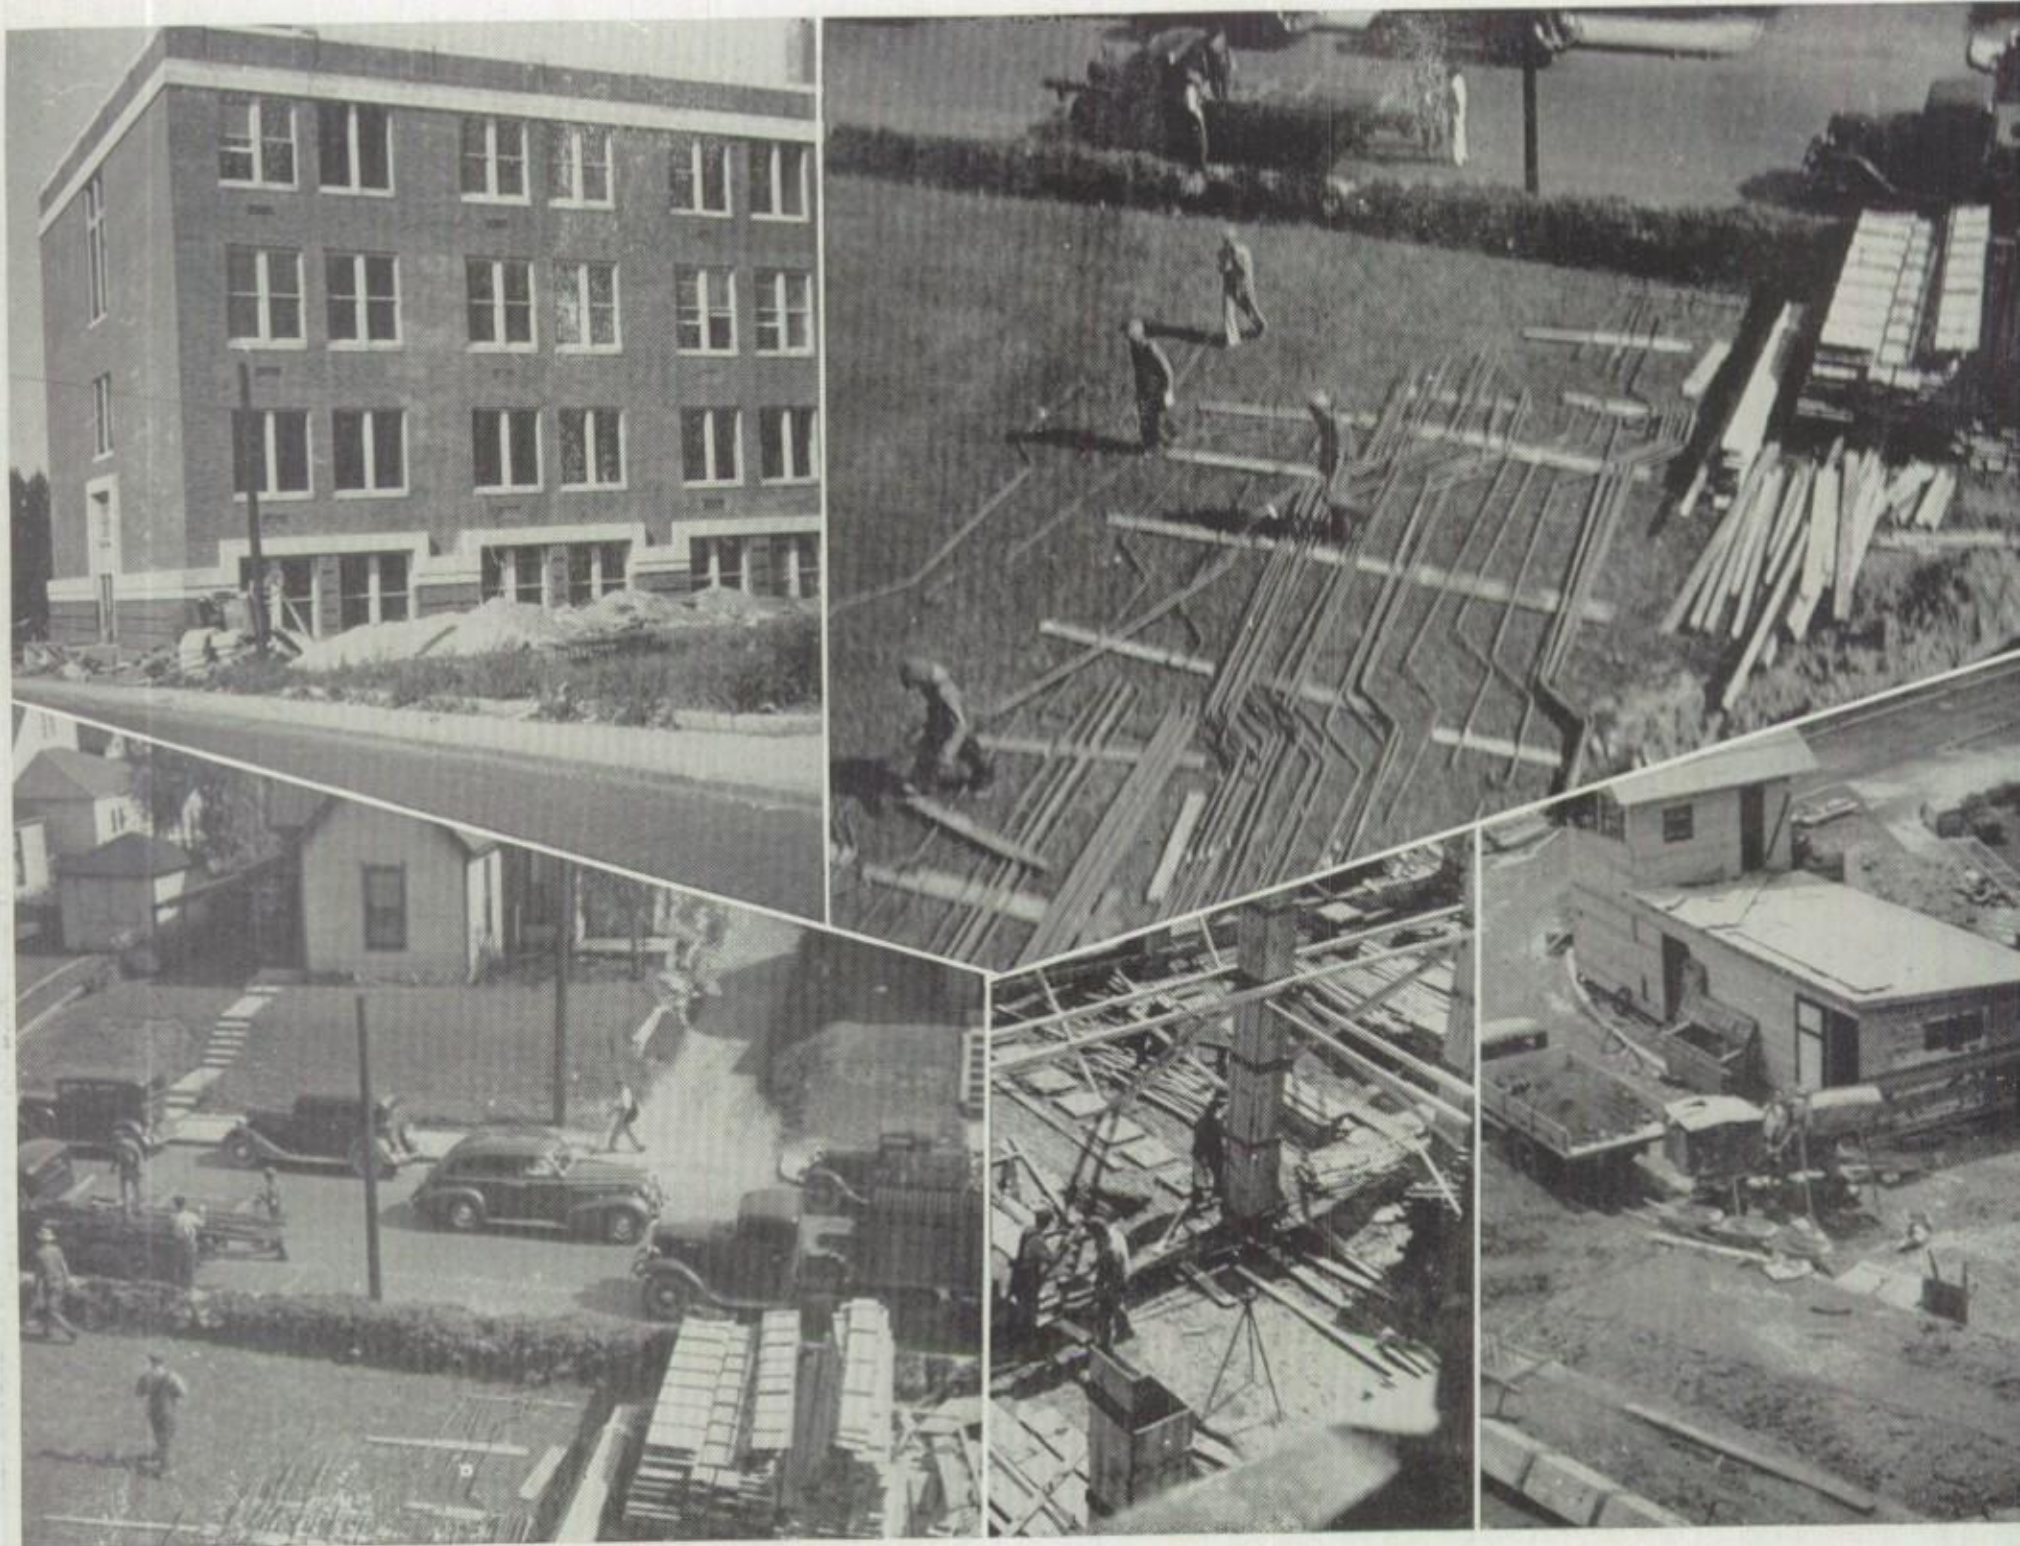

Social activities run like a silver thread throughout our high school career and among these, school dances are easily the most popular.

This year for the first time in the history of A. H. S., we have had a social activities committee to plan dances and school affairs. The group met with success and placed thirteen dances on the school calendar. Unlike the past, almost half of them were held after school for the benefit of various organizations. The administration fully realizes the importance of social activity in a well-balanced education.

Through our lives, when math and history are hazy memories, the recollection of good times we've had together will appear again as a silver thread.

New Addition

Each year Anderson High School has had an increasingly large number of students. The high school, which was originally built to accommodate from eight hundred to a thousand students, has in recent years been forced to hold over two thousand.

The situation was finally brought to the attention of the Parent-Teachers' Association, and to the various clubs and organizations throughout Anderson. They began sponsoring a drive to raise enough money to build a new building to relieve the congestion. Work was started last spring.

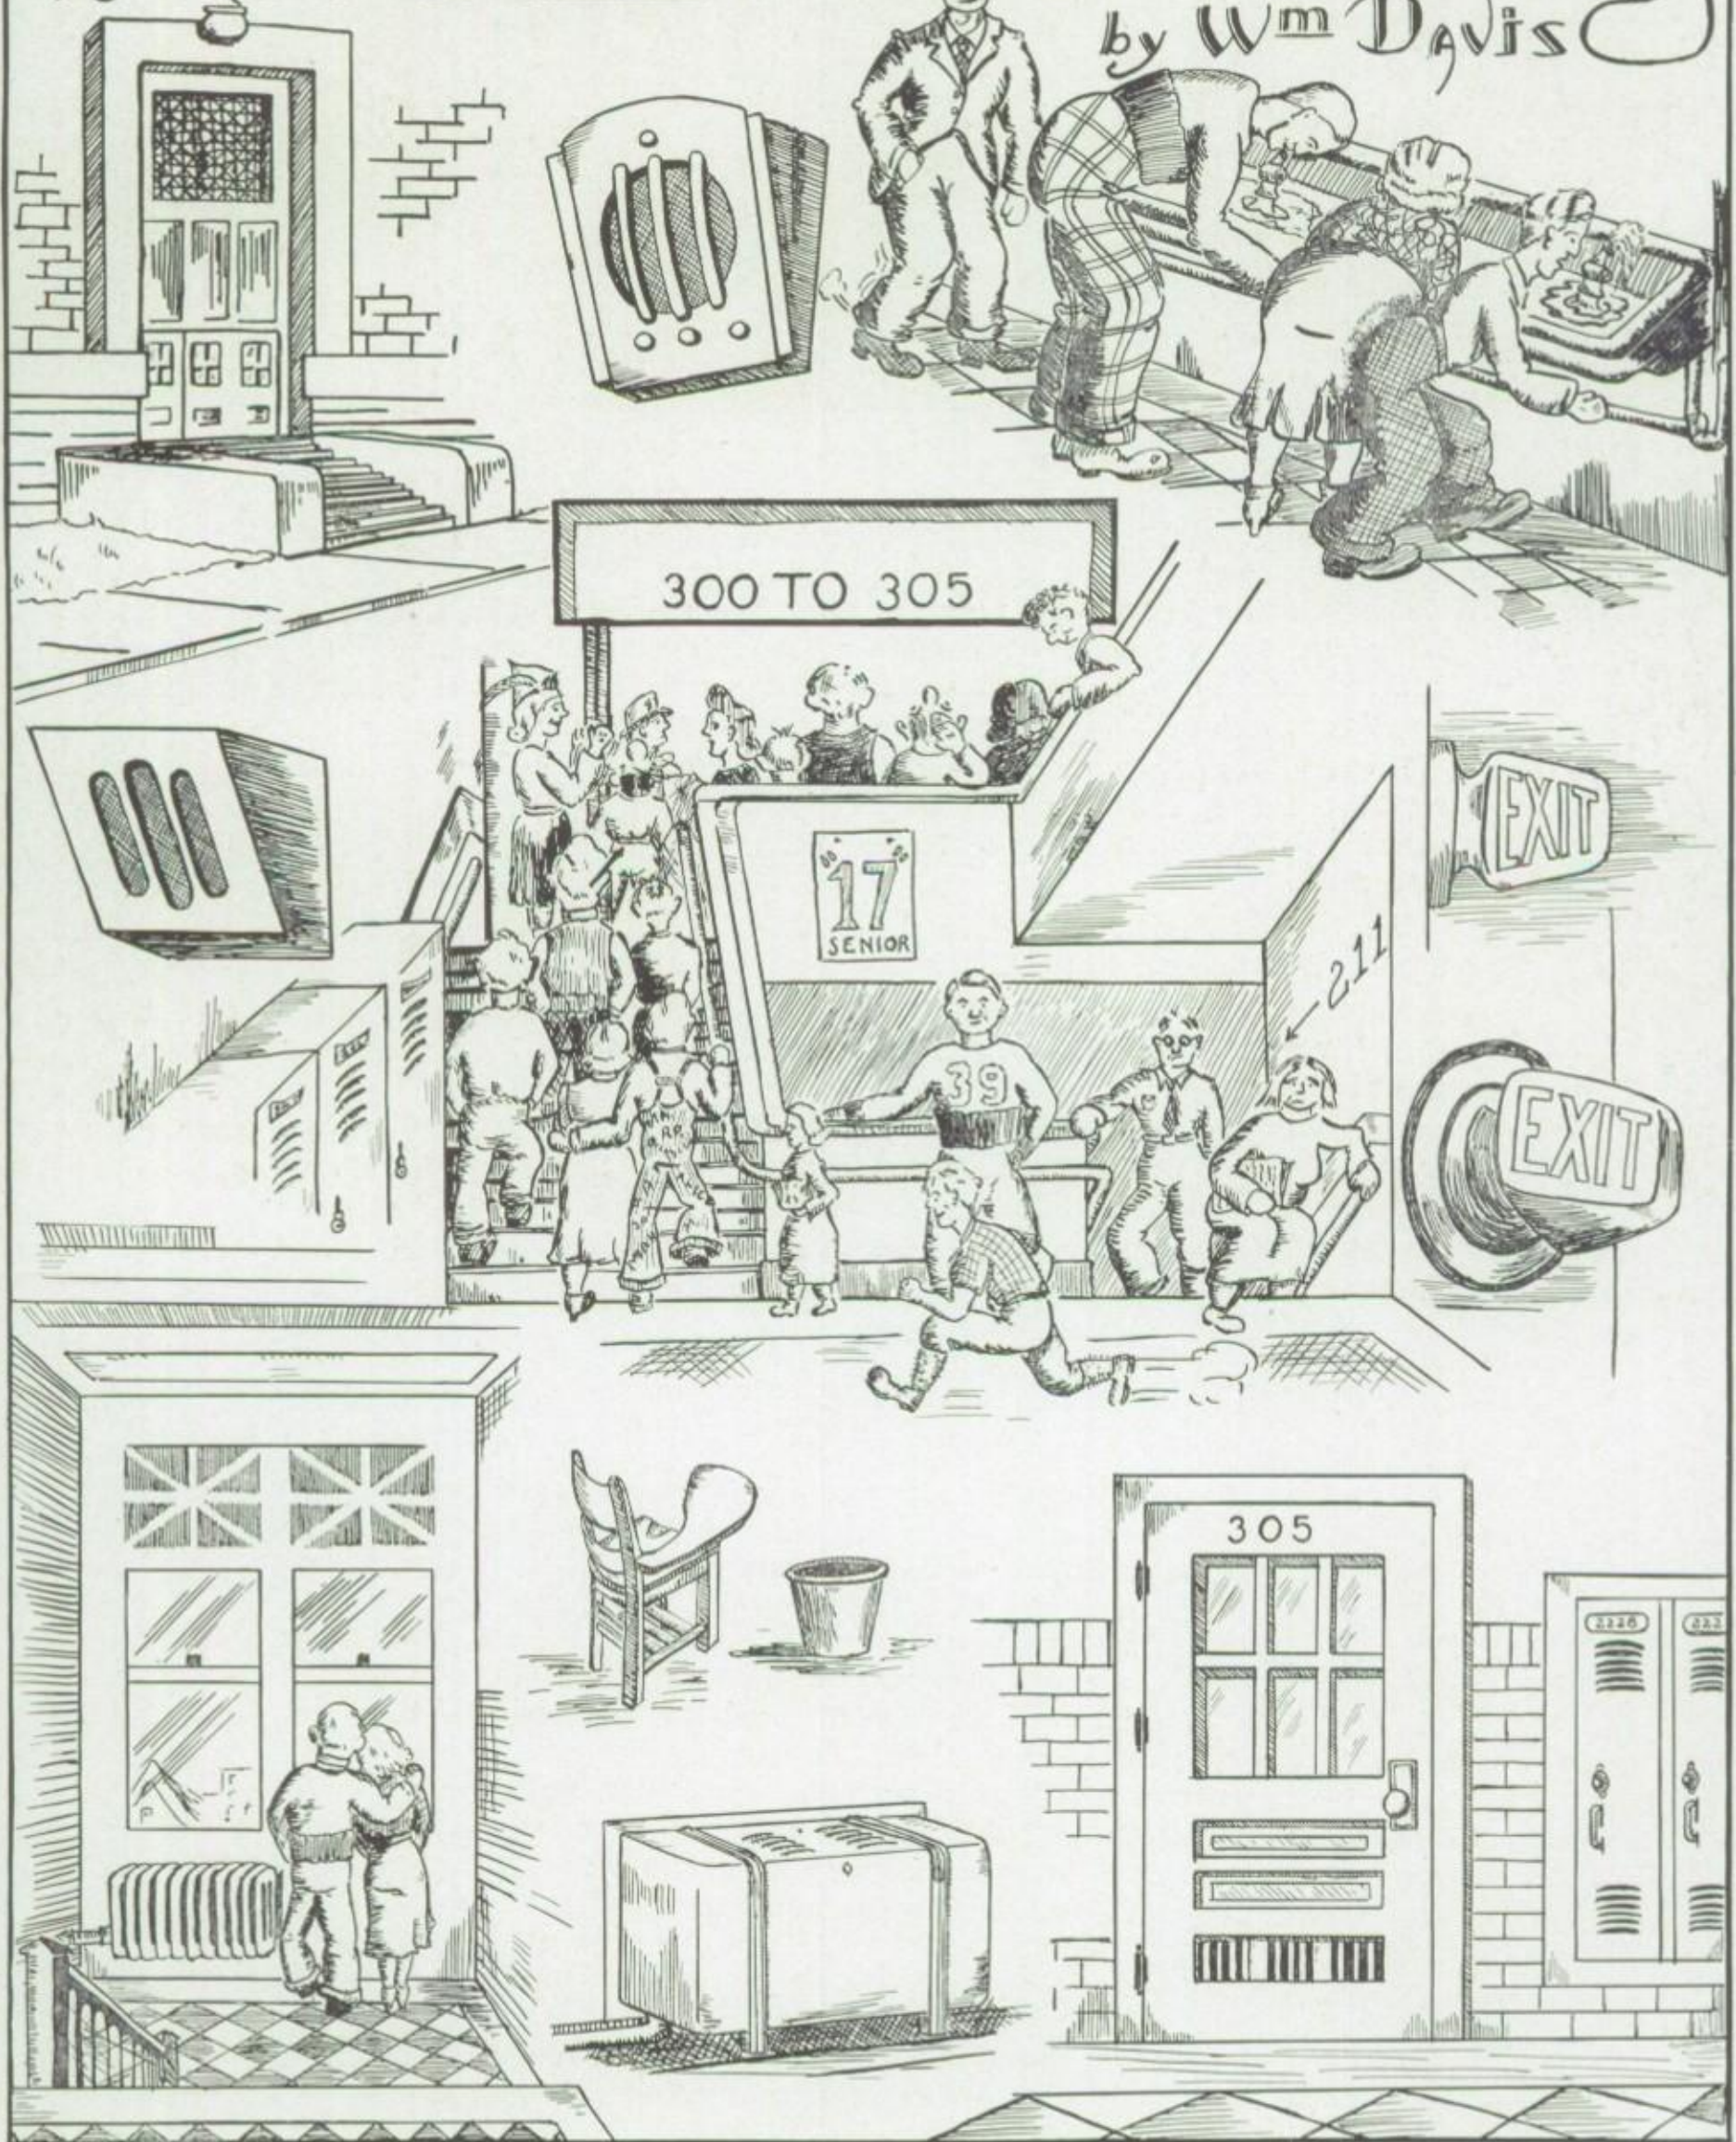

The new addition, on the south-west side of the high school, was finished last December. It is modern in all its equipment and consists of two study halls which accommodate two hundred and forty students. The auditorium, which was formerly used as study hall, can now be used for other purposes.

There are sixteen classrooms and four laboratories in the building. The biology, chemistry, and physics classes have been greatly aided by the new work tables, which are equipped with electric, gas, and water outlets.

The new addition has proved its worth in the few months it has been used, satisfying the need for extra room. The high school faculty and students are deeply appreciative of this building.

Choral Club Washington Trip

Our Minister to England may not allow the American girls to curtsy before the King and Queen, but for members of the Choral Club the honor of singing at the National D. A. R. Congress and being presented to Mrs. Roosevelt was far more thrilling.

Boarded on three special coaches Miss Hill and the group of seventy one students left April 18 for Washington, D. C. After their arrival on Tuesday they attended a tea at the White House. Each one was personally greeted by Mrs. Roosevelt.

Wednesday they sang before the D. A. R. Congress over an NBC hookup, and at the Washington Chapel.

Thursday was spent sight-seeing at the Smithsonian Institute, Bureau of Federal Investigation, Mt. Vernon, Christ Church, Lincoln Memorial, and Congressional Library.

Friday the group visited Annapolis, Ford's Theater, the Peterson Home, Supreme Court, and Senate Building. That evening before boarding the train for home, the club gave an impromptu program in the lobby of the Lee House.

Miss Williams, Mr. and Mrs. Coffin, and Mr. Bailey accompanied the group as chaperones.

Washington Trip

This year, those who went on the Washington trip had an extra thrill. Not only did they see all places of national and international interest in our capitol—the White House, the Capitol Building, the F. B. I. building, the Supreme Court in session, Arlington and Mt. Vernon—but they also took a Historyland trip. The group left Washington on an over-night boat trip down the Potomac and disembarked at Old Point Comfort, the home of the Coast Artillery. The main points of interest were Fort Monroe and examining the big coastal defense guns. From Old Point Comfort, the group motored to the partially restored, historic village of Williamsburg, Virginia. After spending several hours visiting the Capitol, the old Church, and the Governor's Mansion, the travelers continued their trip to Yorktown, there visiting the famous battlefield where Cornwallis surrendered to Washington. Jamestown, with its beautiful, historic ruins, was next on the schedule. From Jamestown, the party went to Richmond, Virginia, where, tired but happy, they boarded the train for home.

The train ride both coming and going was greatly enjoyed by all; and many look forward to another such fine trip in the near future.

Assignments to the Annual Staff were made last Spring, to give the Staff Members a chance to think of ideas to be used for the theme. Choosing the theme is an important part of annual work. This year the lad who had the brightest idea was Robert Lee Jackson.

Robert suggested that the theme be "Present Training for Future Vocations." The swift passing of time during four years of high school, with visions of the future, is symbolized by a winged hour-glass which has been used as the motif of the decoration.

Many thanks are due to these clever students, and to the faculty heads: Miss Adams, Miss Balyeat, Miss Hirsch, Mr. Barner, Mr. Brinson and Mr. Baker.

Agriculture

Vocational Agriculture offers to the farm boy an opportunity to improve himself within his own highly specialized field and broaden his vision likewise with its associated industries. In picking up the threads of our previous year's account of agricultural activities we find the aggie group competing in state contests held at Purdue University in Mid-June.

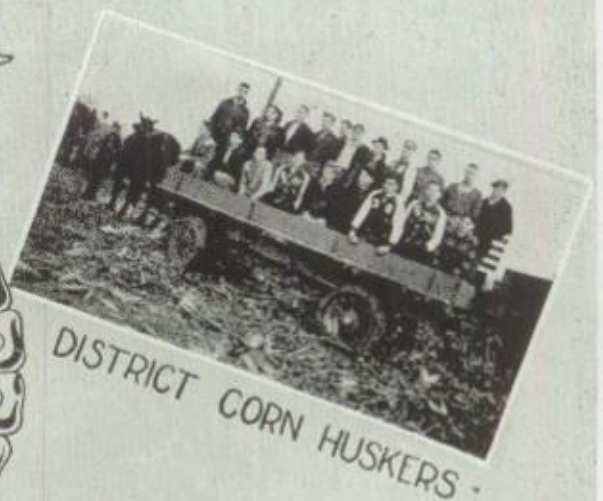

The corn judging team composed of Donald Hiday, Edwin Rodecap, Warren Fuller and Wilson Bronnenberg placed twelfth in state only 18 points behind the winner. Donald Hiday ranked as fourth best corn judge in state and received a certificate of proficiency. The poultry and egg judging team made up of George Pugsley, Jr., Wilber Wood, Arthur Darlington, and Robert McCarty placed fourth with George Pugsley ranking as second high point judge in state. The dairy judging team made up of William Pugsley, James Chaplin, Joe Cooper, and Glen Shuman were 39 points behind in competition with 57 teams.

During the summer the aggie groups were very busy with their farm projects and 4-H work but not too busy to win the state championship in judging Jersey cattle at Decatur, Indiana. This team was composed of William Pugsley, who was highest scoring judge; his team mates were Arthur Darlington, Joe Cooper and Raymond Gordon. The team received a plaque and Mr. Kolb a pen and pencil set for being the winning coach. This same team placed third at Connersville, fifth at Huntington, seventh at Franklin, and eighth at Muncie. Raymond Gordon ranked third best judge at Muncie and fifth at Connersville, while Warren Fuller ranked second high at Connersville.

During August the Future Farmer Chapter published 2000 leaflets on Vocational Agriculture for distribution at the 4-H Fair. The F. F. A. boys also attended a five day camp at Big Barbee lake. The livestock judging team made up of Joe Cooper, Arthur Darlington, William Pugsley, and Glen Shuman won the Madison County livestock judging championship and eventually placed third at the State Fair in competition with 72 teams. Joe Cooper continued his local high point honors by placing first in judging dairy cattle and ranking fourth in judging all

classes of livestock. These honors won for him a silver trophy and a \$75 scholarship to Purdue University. In addition to these honors his outstanding work as a 4-H beef calf member won an additional \$250 scholarship to Purdue University where he is enrolled now. Arthur Darlington, another member of the team, attended the winter course in agriculture at Purdue and was one of thirteen in a class of 189 to receive distinguished rating scholastically.

The vegetable judging team made up of George Pugsley, Jr., Raymond Gordon, James Chaplin, and Ralph Imel ranked fifth at State Fair, while Ralph Imel placed fourth high as individual judge to act as alternate on the Indiana team to national contest held at New York City. In tomato work Wilson Bronnenberg won a gold medal in state competition for growing largest percent of number one tomatoes.

Champion corn huskers selected by trial in the class were Raymond Gordon and George Pugsley, Jr. In the district contest George set a new record by husking a winning total of 508.02 pounds in 30 minutes. Raymond ranked sixth. In the state contest held at Manilla George injured his hand in the first five minutes yet placed eleventh with 570.75 pounds in 40 minutes. In November the apple and vegetable judging teams made up of Russell Bailey, William West and Ralph Imel placed fourth in apple and eighth in vegetable judging at Purdue. Russell received a silver medal by placing second high in state as apple judge and was formally awarded his medal by State Horticultural Society at Purdue in January. The other team made up of Lawrence Pugsley, Raymond Gordon, and Frank Adams placed sixth in apples and vegetables. The Aggie basketball team steam-rollered all of its eight opponents to go through the second season undefeated.

Edwin Rodecap received a gold medal as county winner in the 4-H meat animal project sponsored by the Wilson Packing Company of Chicago. Glen Shuman won first in County Corn Show and Fred Leemaster was first in potatoes. Fred's record book was first in state show for second consecutive year.

"All at Sea"

The choral classes under the direction of Miss Hill presented the Gilbert and Sullivan operetta "All at Sea" on November 18 and 19. A great number of students attended both performances, and the operetta was greatly enjoyed.

The main characters were:

Dick Deadeye	John Lewis
Midshipmate	Edgar Hawk
Second Mate	Bill Munroe
Little Buttercup	Carol Gaugle
Captain Corcoran	Delbert Searles
Patience	Ruth Colle
Grosnevor	John Ballard
Fairy Queen	Betty Bacon

Yum-Yum	Betty Dowe
Pitti-Sing	Martha Kinley
Peep-Bo	Alice Mendenhall
Japanese Court Maidens	Betty J. Brown, Cathryn Cooper, Betty Vanneman
Mikado	Hubert Edwards
Koko	Jack Arnold

The cast also included many choruses from the glee and choral clubs.

The operetta is composed of songs and choruses from H. M. S. Pinafore, The Pirates of Penzance, Patience, The Mikado, and Iolanthe.

These students are shown in typical poses in all phases of school life: classroom, study hall, and, in the middle picture, social activity on the school grounds, where a new Junior sweater is being proudly displayed.

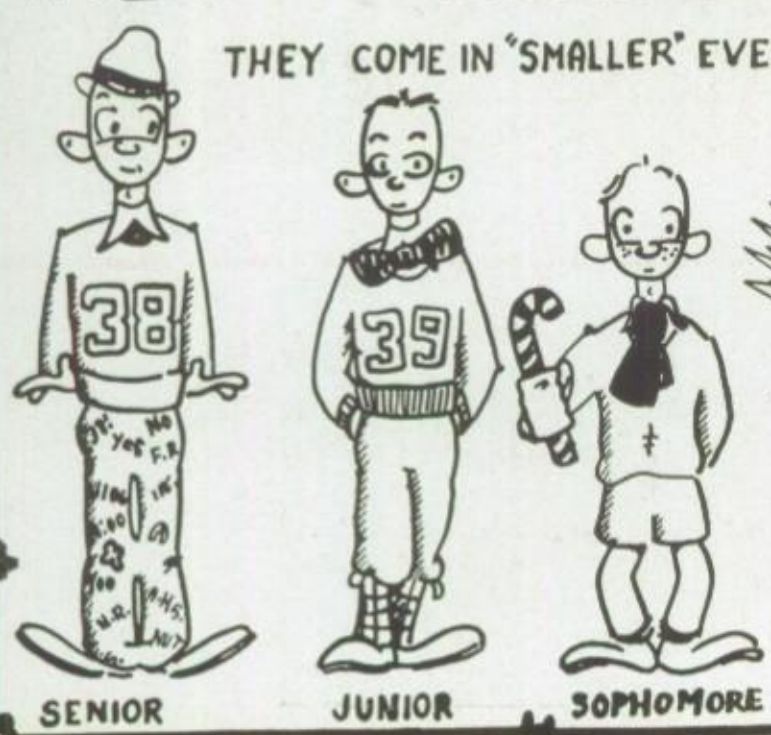

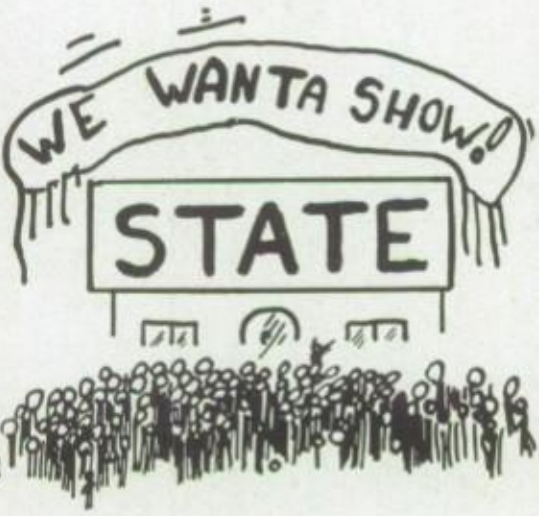

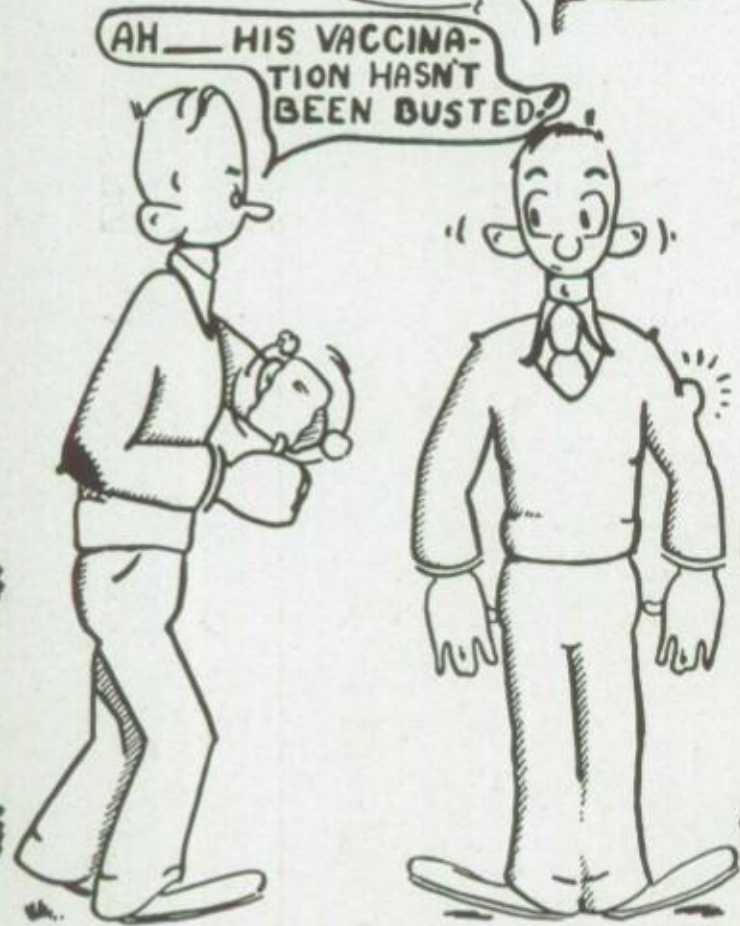

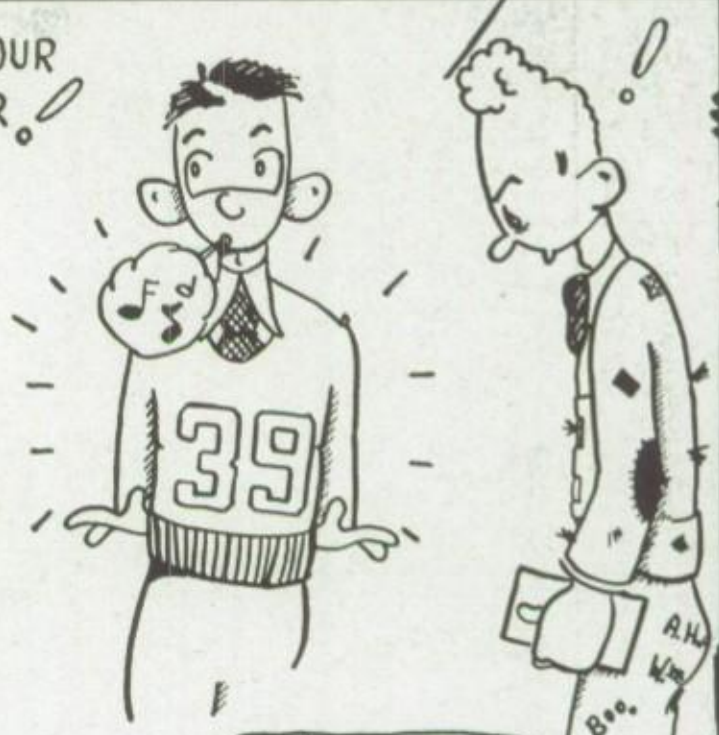

A kind of happy medium between studies and social activities is the goal of our high school students. Although this ambition is realized by comparatively few students, every year this number increases.

Industry

Industry is a great thing. Business is formed by the classes of people who day by day work at their jobs producing the necessities of life. In shops and many classes, boys and girls are taught the intriguing processes of machines, the way they work, the use of such, and the worth and need of these wonders. This period of apprenticeship has undoubtedly led many engineers, carpenters, machinists, and others, in choosing their respective occupations.

Mr. Chadd and Assistants

ARCHIE R. CHADD—

To this man, as head football and basketball coach, goes the credit for the great ball teams that have been developed in the last five years in Anderson High School. He has given the school two state champion basketball teams and has developed the football team into real contenders for the top position in the North Central Conference. It has been through him that the teams have gotten their fire, spirit, courage, and an ability to play ball. Mr. Chadd is one who will never be forgotten by players or fans.

MR. DISCHINGER—

Mr. Dischinger assists Mr. Chadd in football and works mainly with the line. He produces the desired results and is well-liked by all the boys who play under him.

MR. BONGE—

Mr. Bonge is assistant varsity basketball coach but gives most of his time to the Freshman team. His yearlings have made remarkable records during the last few years.

MR. FLEENOR—

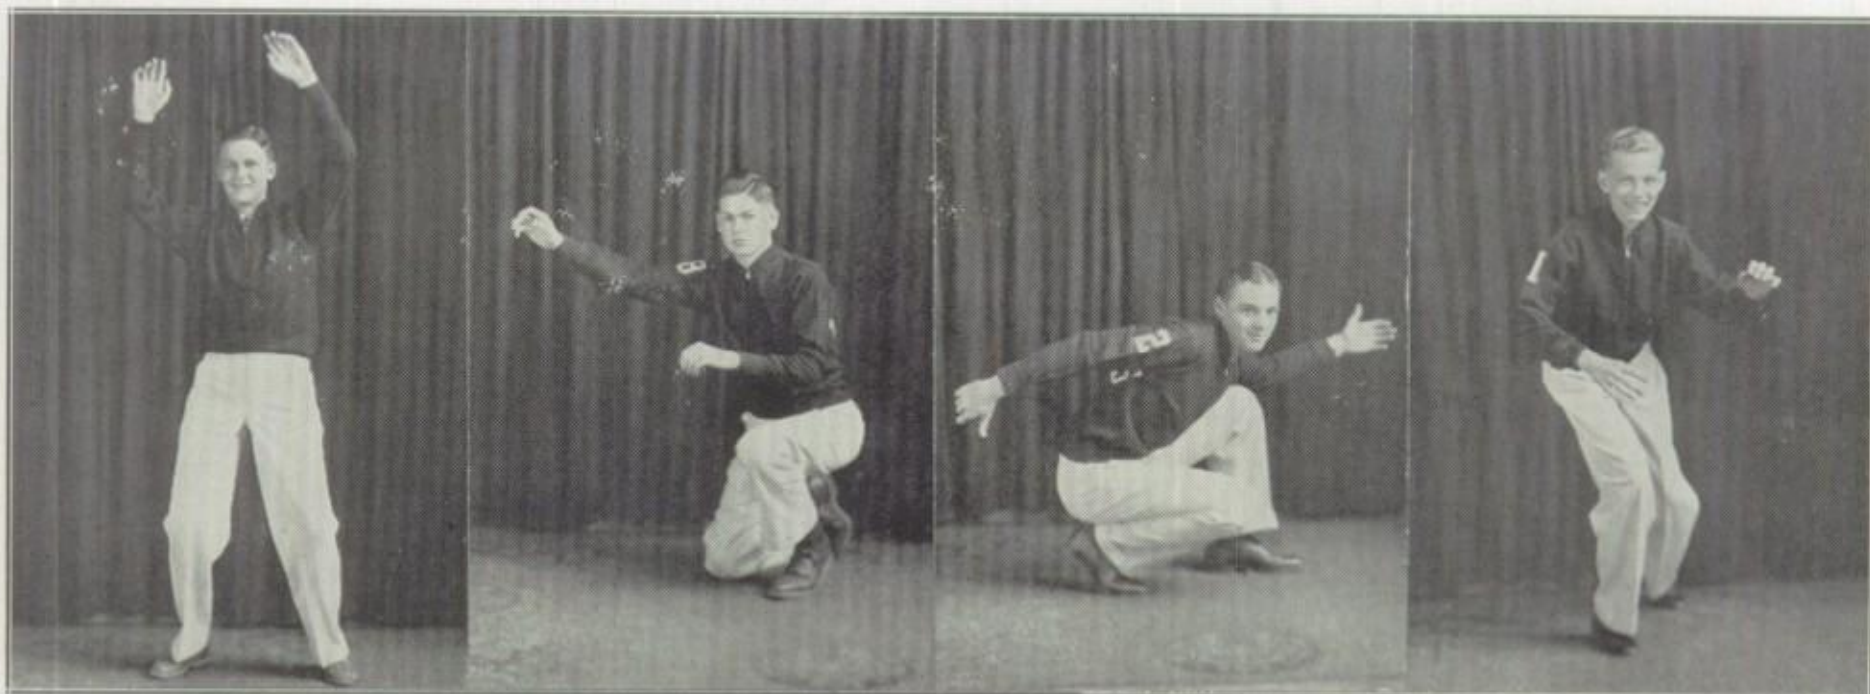

Mr. Fleenor is assistant to Mr. Chadd in Basketball and he helps coach the track team. His coaching career extends over a period of twelve years.

MR. SHINN—

Mr. Shinn is assistant football coach. Last year he was head football coach at Elwood and gave Anderson one of her two setbacks. His excellently coached teams have earned him a state-wide reputation.

MR. COFFIN—

Mr. Coffin is in charge of the business end of the athletic program. It is he who is responsible for seeing that all bills are paid and that tickets are distributed and sold for the various contests.

CHARLES SHREFFLER—Charles, like John, also was a yell leader last year. His rhythmical motions and gestures are easy to follow.

JOHN SWAYZE—John is a Junior and, since he was also a yell leader last year, has quite a bit of experience.

BURTON CANADAY—Burton is a sophomore and has done well in his first year as cheer leader.

Y E L L

Student Managers

FRED DUNBAR—Fred is also a sophomore and his duties, like Sid's, are helping Gene and the track squad.

GENE STANLEY—Gene is a junior and is head manager of basketball and football.

SID ALBERTS—Sid is a sophomore and has been a student both here and in junior high.

There are always plenty of cheers for the boys in the game, but how often the fine work of these student managers is completely overlooked. To them should go the credit for making the physical set-up for the players as ideal as possible. They are the ones who work long hours taking care of the multitude of equipment necessary for a complete sports' program. Certainly these boys really know what it means to have true school spirit.

Football

With a thrilling last minute victory over Muncie, the first ever won by an Anderson High School football team, the fighting Indians had the most successful season of any recent Anderson football eleven. Winning four and losing one North Central Conference games, the Anderson team finished second and missed first place by a very small margin. This is the highest that Anderson has ever finished in this league.

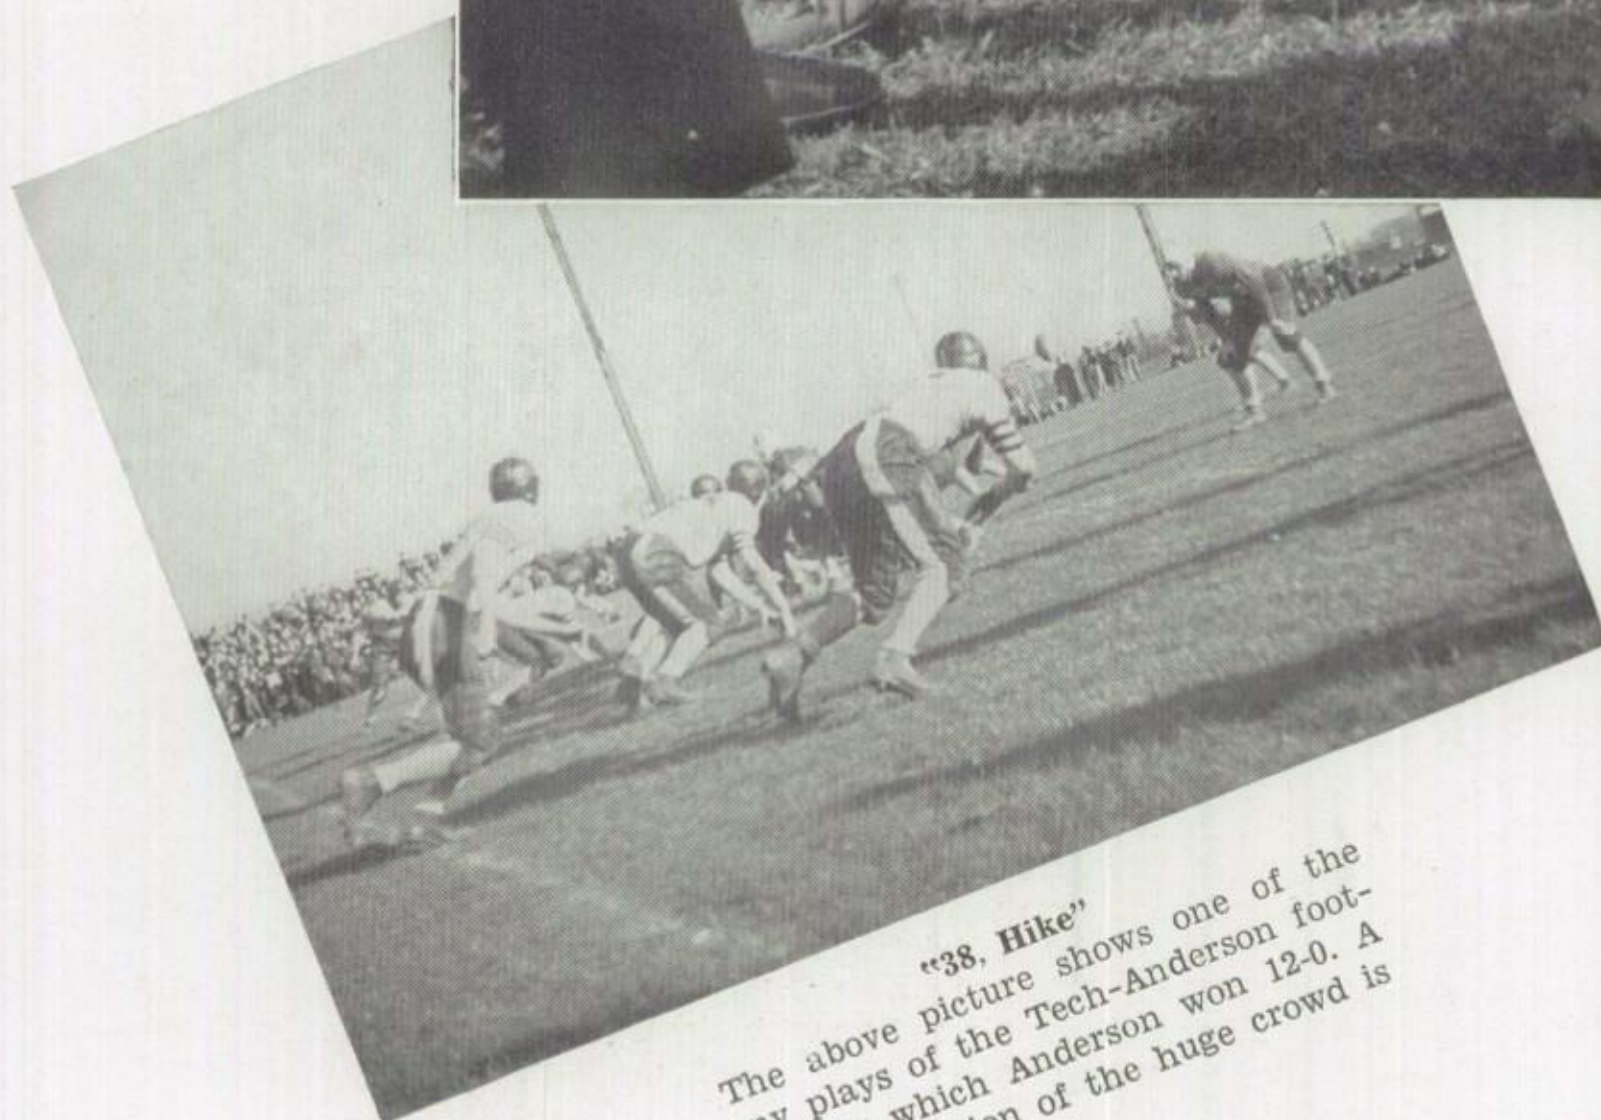

After a poor start in the Newcastle game, in which the team couldn't seem to get started, the eleven came back only to be edged out by Elwood in the closing minutes of the game. Then came that memorable game with Muncie when Anderson came from behind in the final seconds to win for the first time over Muncie. After this game the team hit its stride and bowled over Noblesville, Richmond, Frankfort, and Tech in succession without being scored upon. This streak, without a doubt, is the best performance ever turned in by any Anderson football team. The final game, which was against Tech, was the largest attended of any of the games with the crowd flowing on the playing field. The team turned in one of its finest performances of the season for the crowd by defeating Tech 12—0, for the second straight victory over them.

Although the team had a brilliant season, it lacked enough suitable reserves and was fairly light. Mixing its running plays with clever passes, the team developed a deceptive offense; coupled with a strong defense depending upon its hard charging line.

The credit and praises for the Indians successful season should go to coaches Chadd and Dischinger along with the boys who represented Anderson High School.

"38, Hike"
 The above picture shows one of the many plays of the Tech-Anderson football game which Anderson won 12-0. A very small portion of the huge crowd is shown.

DICK HOWE—"Dixie" did most of the kicking for the team although he played end. Besides doing all the punting and place kicking, he was always catching passes and bearing down on defense. After four years of football, his shoes will be hard to replace.

BOB FISHER—"Fish" is one of the Seniors who is going to be hard to replace in his tackle position, although it was his first season as a regular. He was a hard charger, always fighting, never gave up, and kept the morale of the team at a high pitch.

DAVID BARNHIZER—"Barney" played guard for the Indians and was one of the hardest blockers on the ball club. He was also recognized as a good defensive man. He always hit hard and was never found lacking. Since he is a Senior, his position will be hard to replace.

FRANK CALDWELL—"Ike", although not a regular, was a very valuable man to put into the line up when needed the most. He played the half-back position and did some of the passing. As a Senior his ability will be missed very much.

LESTER FREEMAN — "Rabbit" was a hard driving fullback who never quit. He was not so big but made up for that in speed and drive. Being a Senior, he will be missed although he was not a regular.

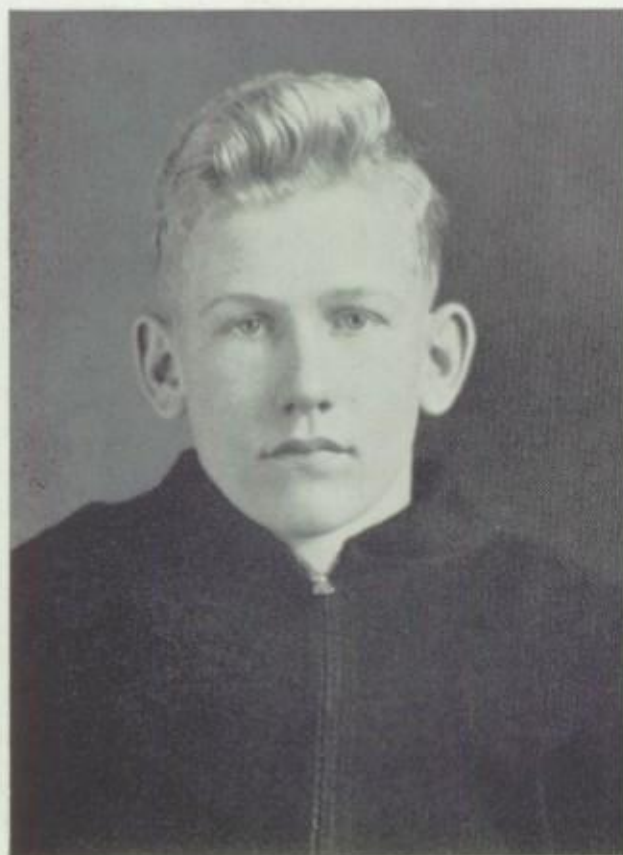

MARSHALL GRITTER—"Marty" had the distinction of being one of the smallest men on the team. After being shifted from blocking back to guard he made a great showing. His spirit and fight will be missed dearly next year.

REX WISEHEART — "Wisey" ably filled his position at tackle this year and his line play was outstanding. He has played many great games for A. H. S. and, as he is a Senior, he will pass on to greater fields in June.

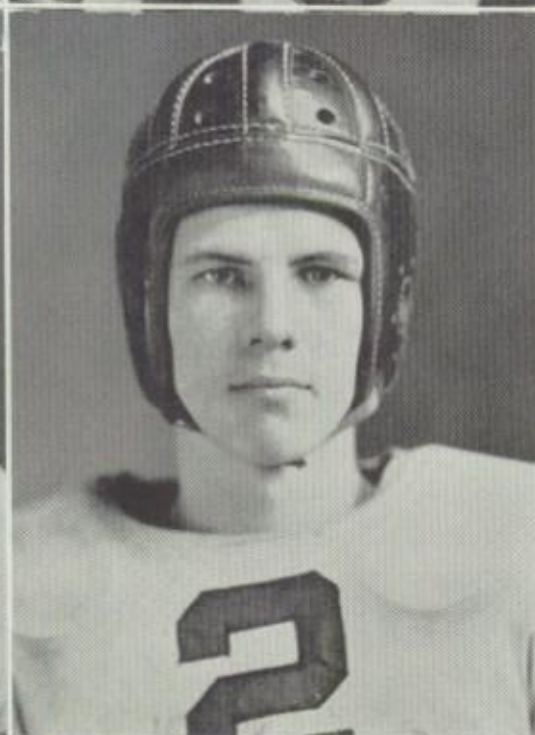

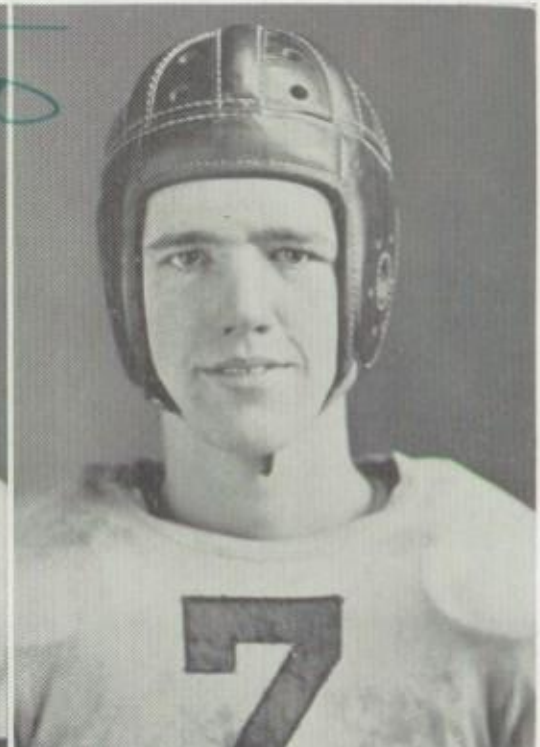

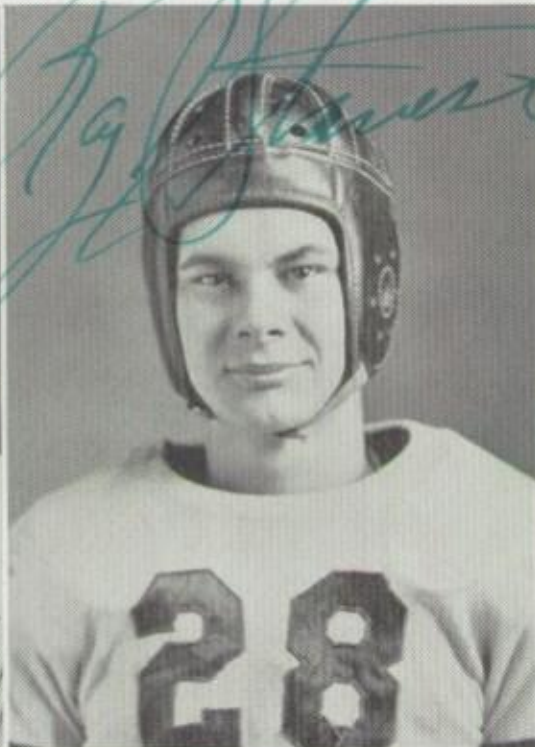

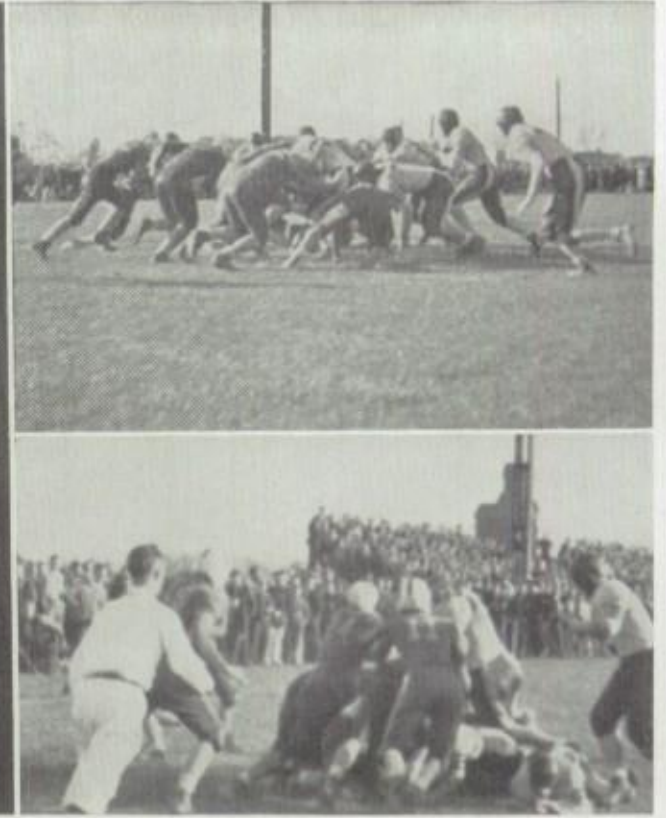

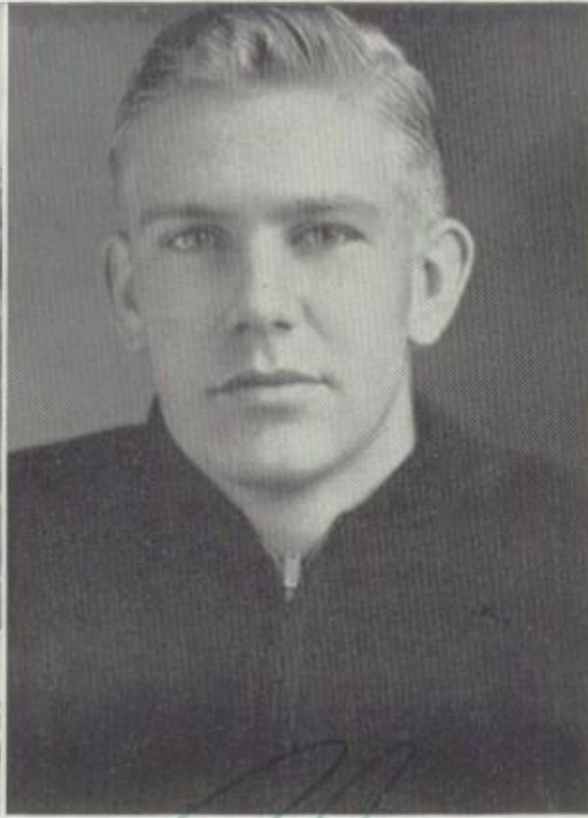

DAVID NEVIN—"Dave" was an end who starred on the defense. He was always in there plugging away and very few were the gains around his end. On the offense he was a good pass receiver and will be missed next year.

JACK GARDNER—Jack was one of those boys who waited till his Senior year before coming out for the football team. Although not a regular he was of great assistance at the end position.

FRANK KLIBBEE — "Cannonball" was one who kept the team in good spirits by his humor and good nature. He played at the blocking back position with great fire and zeal. He is a Senior who will be missed very much.

WALTER DAVIS—"Wally," who was captain of the team along with being a triple-threat man, was the sparkplug and it was his fire and spirit that kept the team moving. It was very unfortunate that he was unable to play at the start of the season because of an appendicitis operation. Wally played halfback and is a Senior.

ORA DAVIS — This was "Fuzzy's" first year in football. He played end and his fine pass receiving helped to make him outstanding.

RAY STANESU—"Wop," although one of the smallest men on the team, was a great fighter and never gave up. His lively chatter also gave much inspiration to the team.

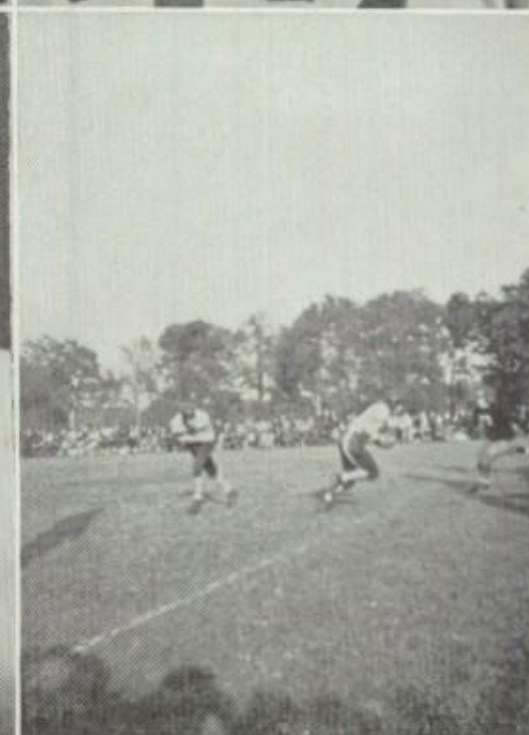

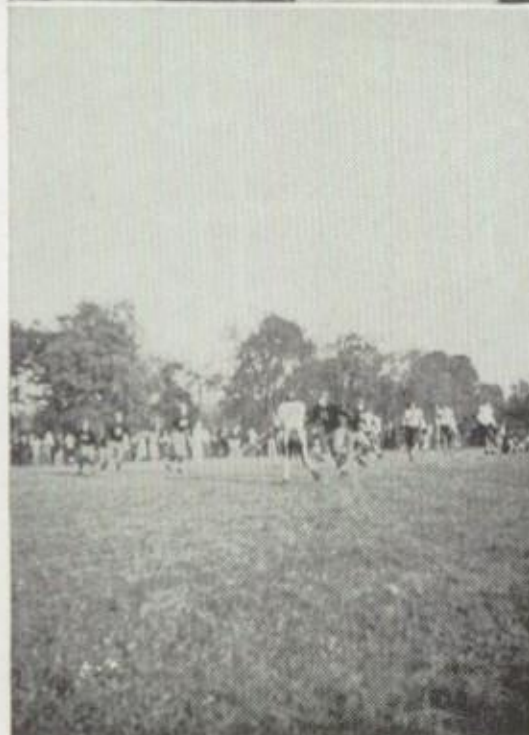

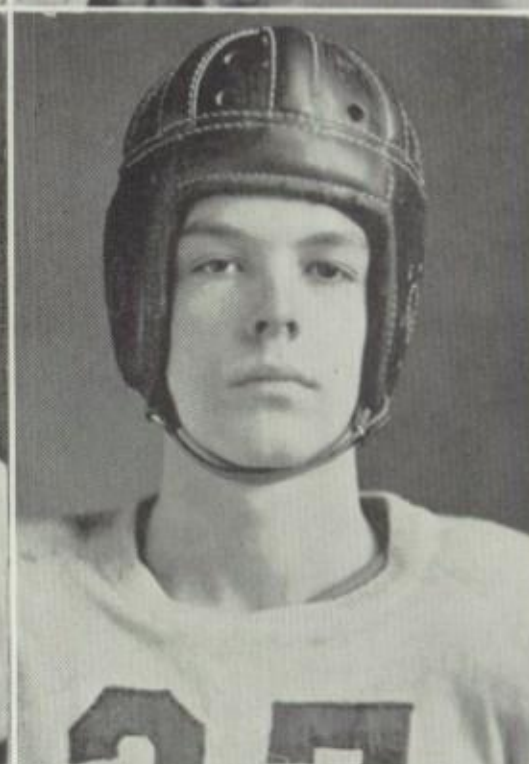

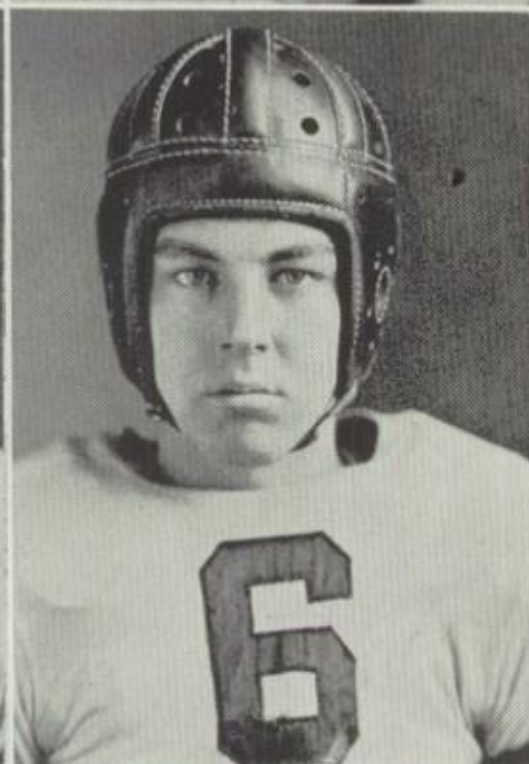

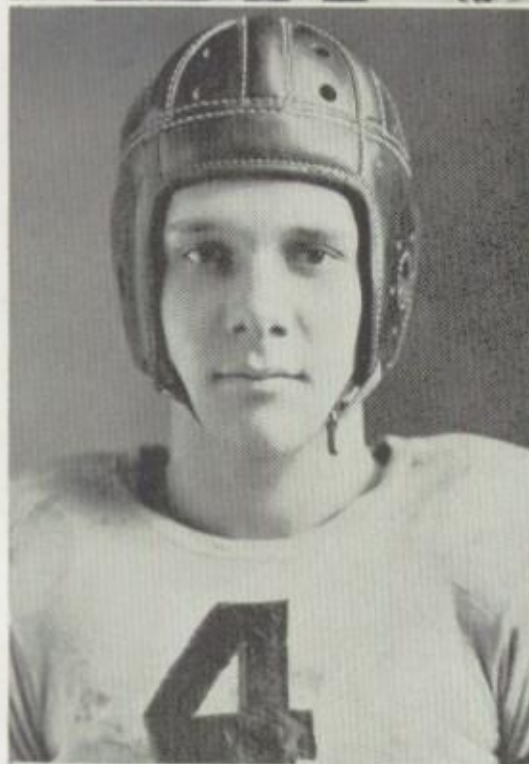

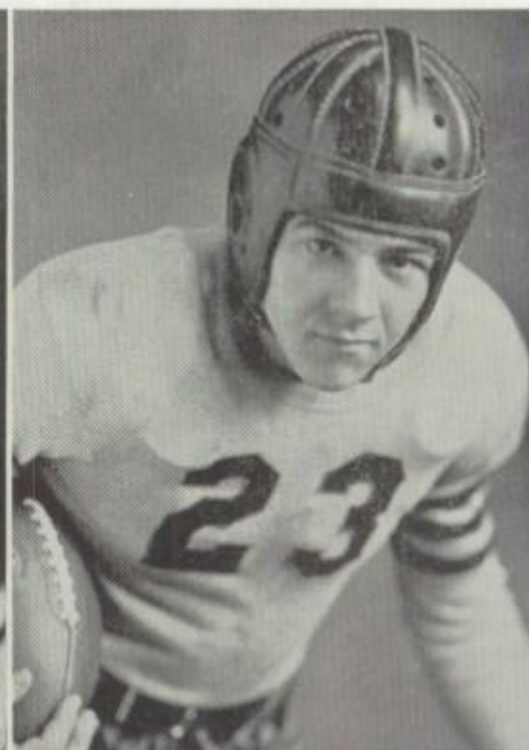

BOB HAM—Bob was our regular center this year and he displayed great ability. He has another year in which we know he will come through again.

AL LOIDL — This hard driving guard was mentioned for all-state this year. Al never gave up and his defense work was outstanding.

EUGENE DILTZ—"Diltzy" has played two years on the team and has one more to go. He has played his end position well, and will be depended upon next year.

DICK BROWN—Dick was changed from the backfield to guard and then from guard to tackle. At this position he made a fine showing and will be very useful next season.

FIRST ROW

WALTER JONES—"Jonesy" played center. With his chatter and determination, he was a great asset to the team. We will also see him back again next year.

BOB HOLLENBERGER—"Holly" probably was the hardest hitting back on the team this year. He is also a triple-threat man. We will see more of him next year.

C. W. BENBOW—C. W. was our quarterback and on certain plays, our pass receiver. He also played a great defensive game.

SECOND ROW

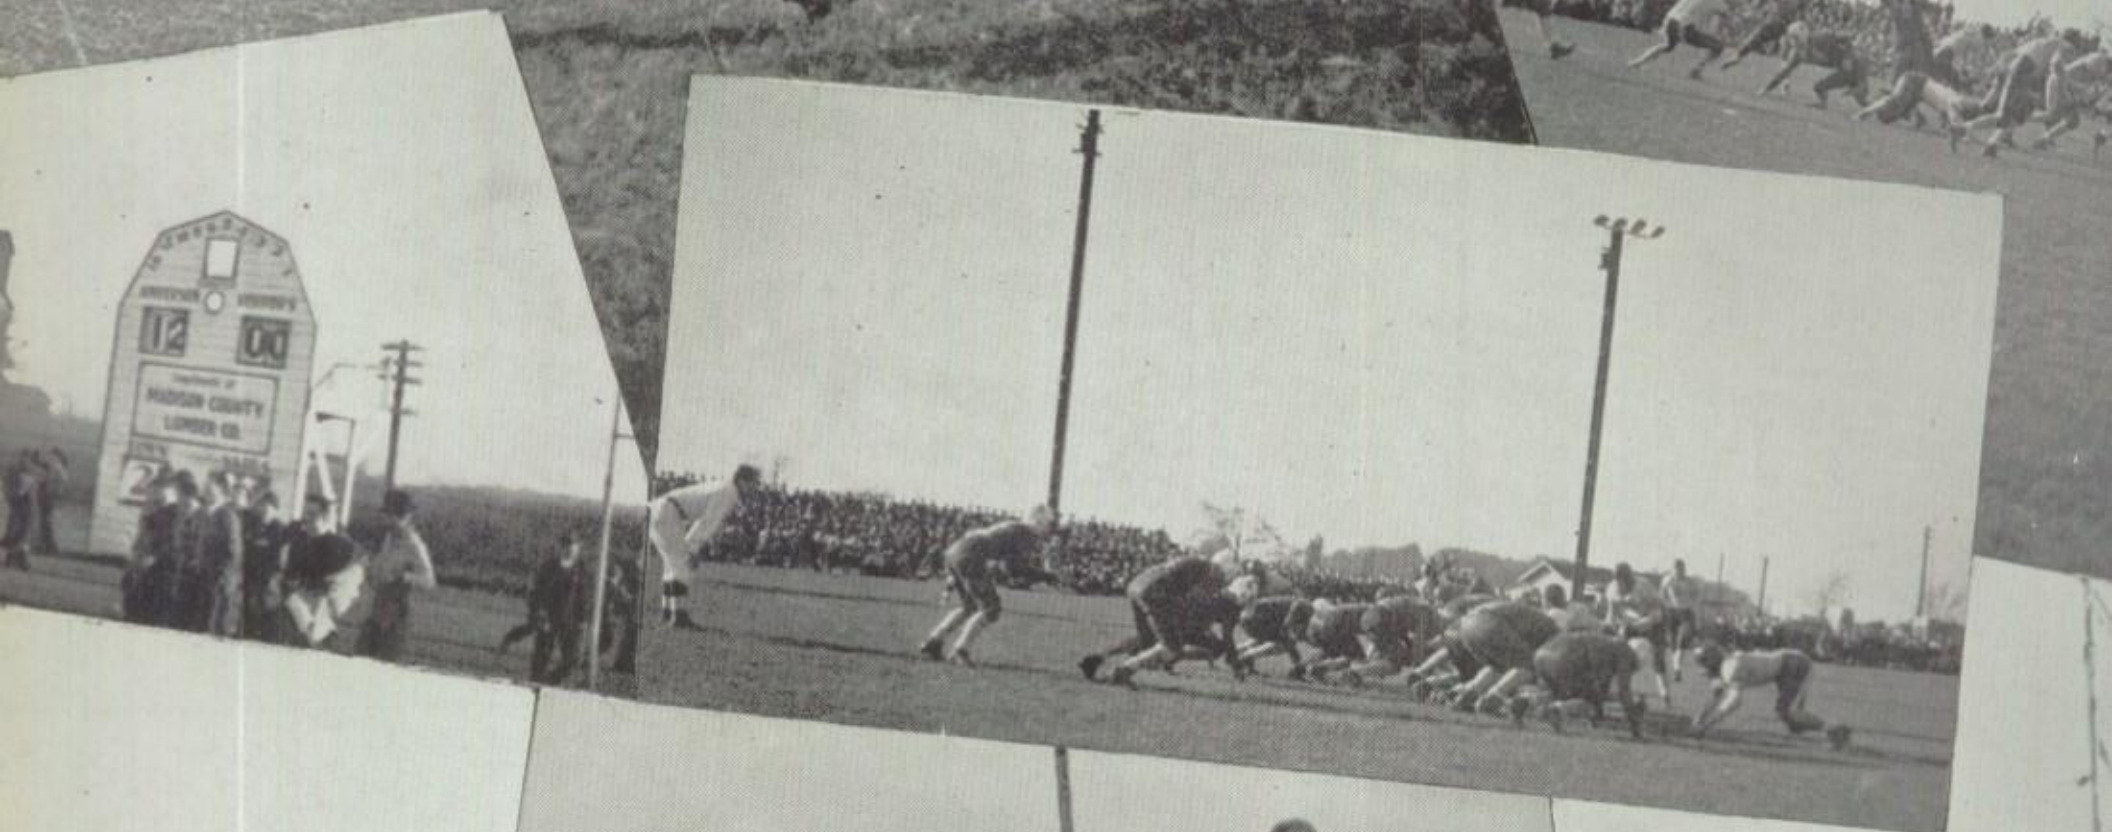

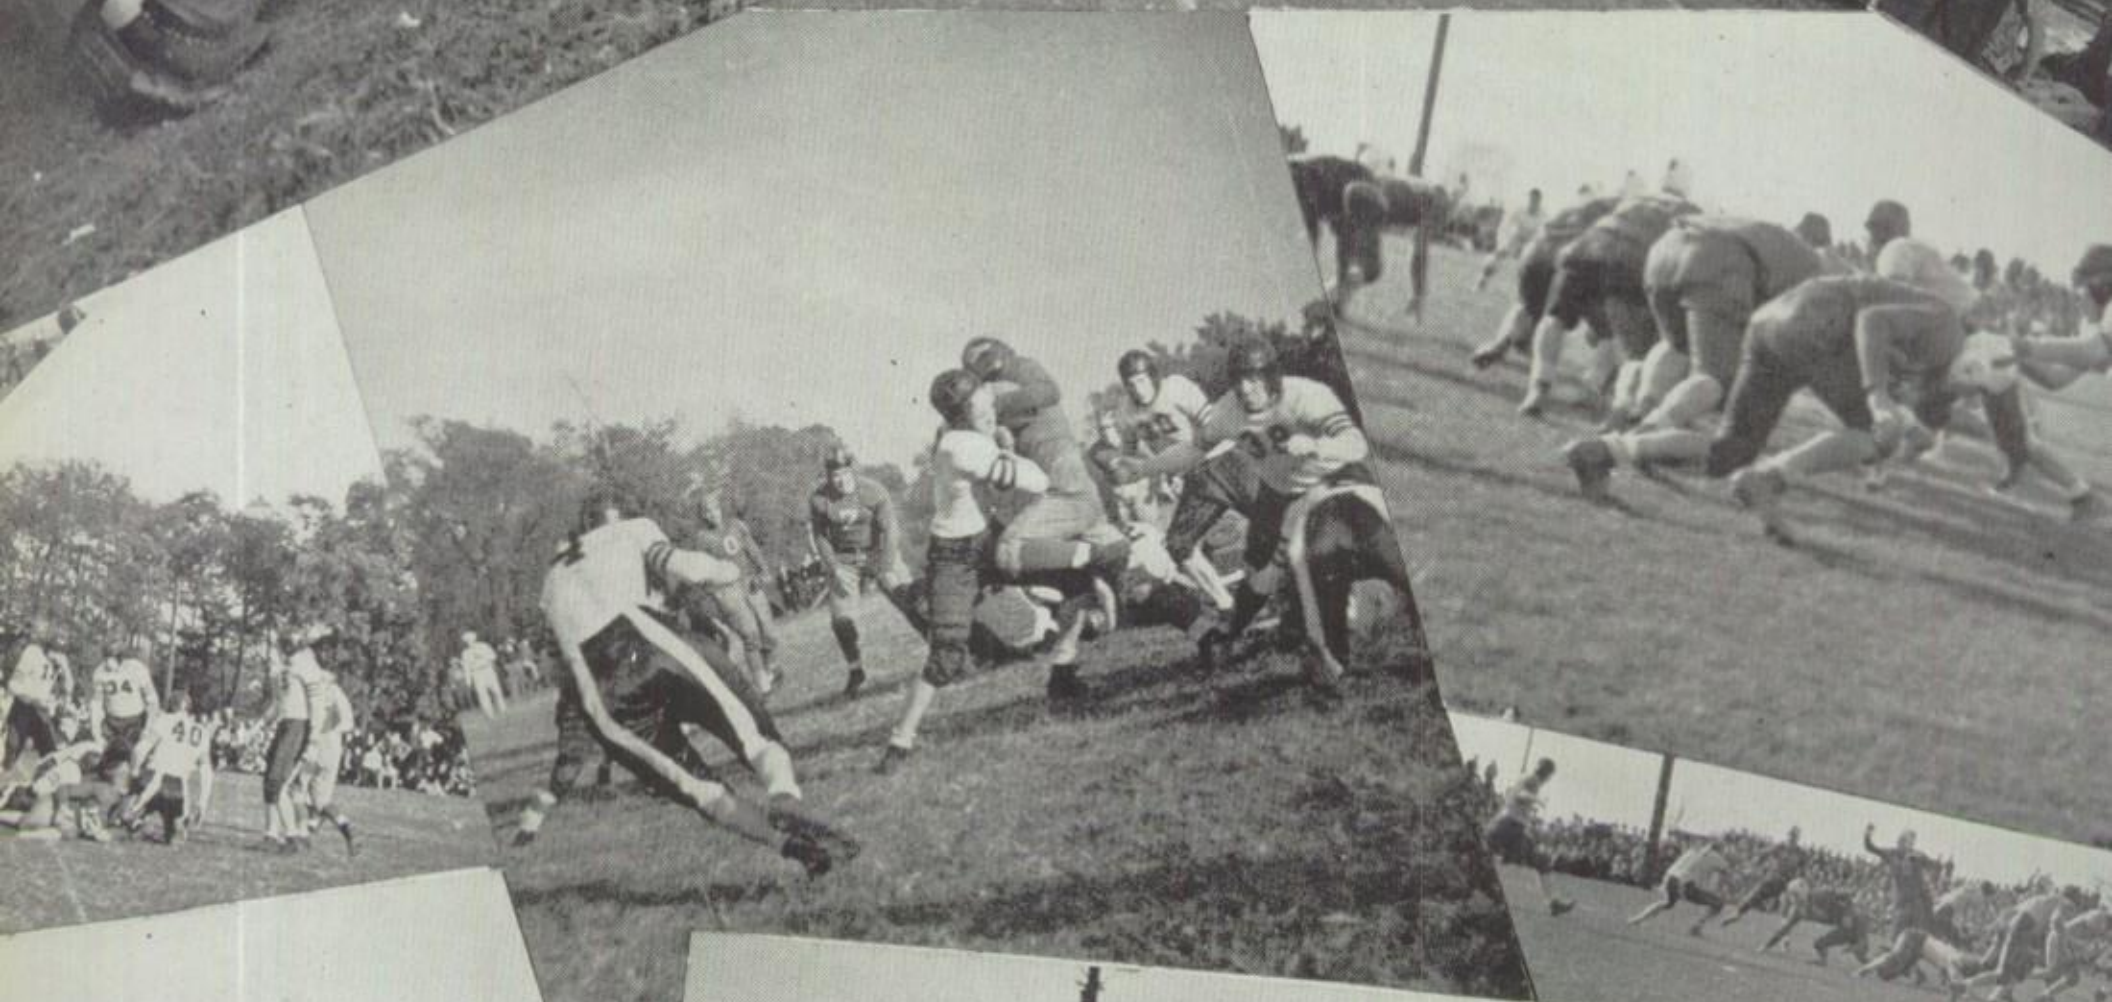

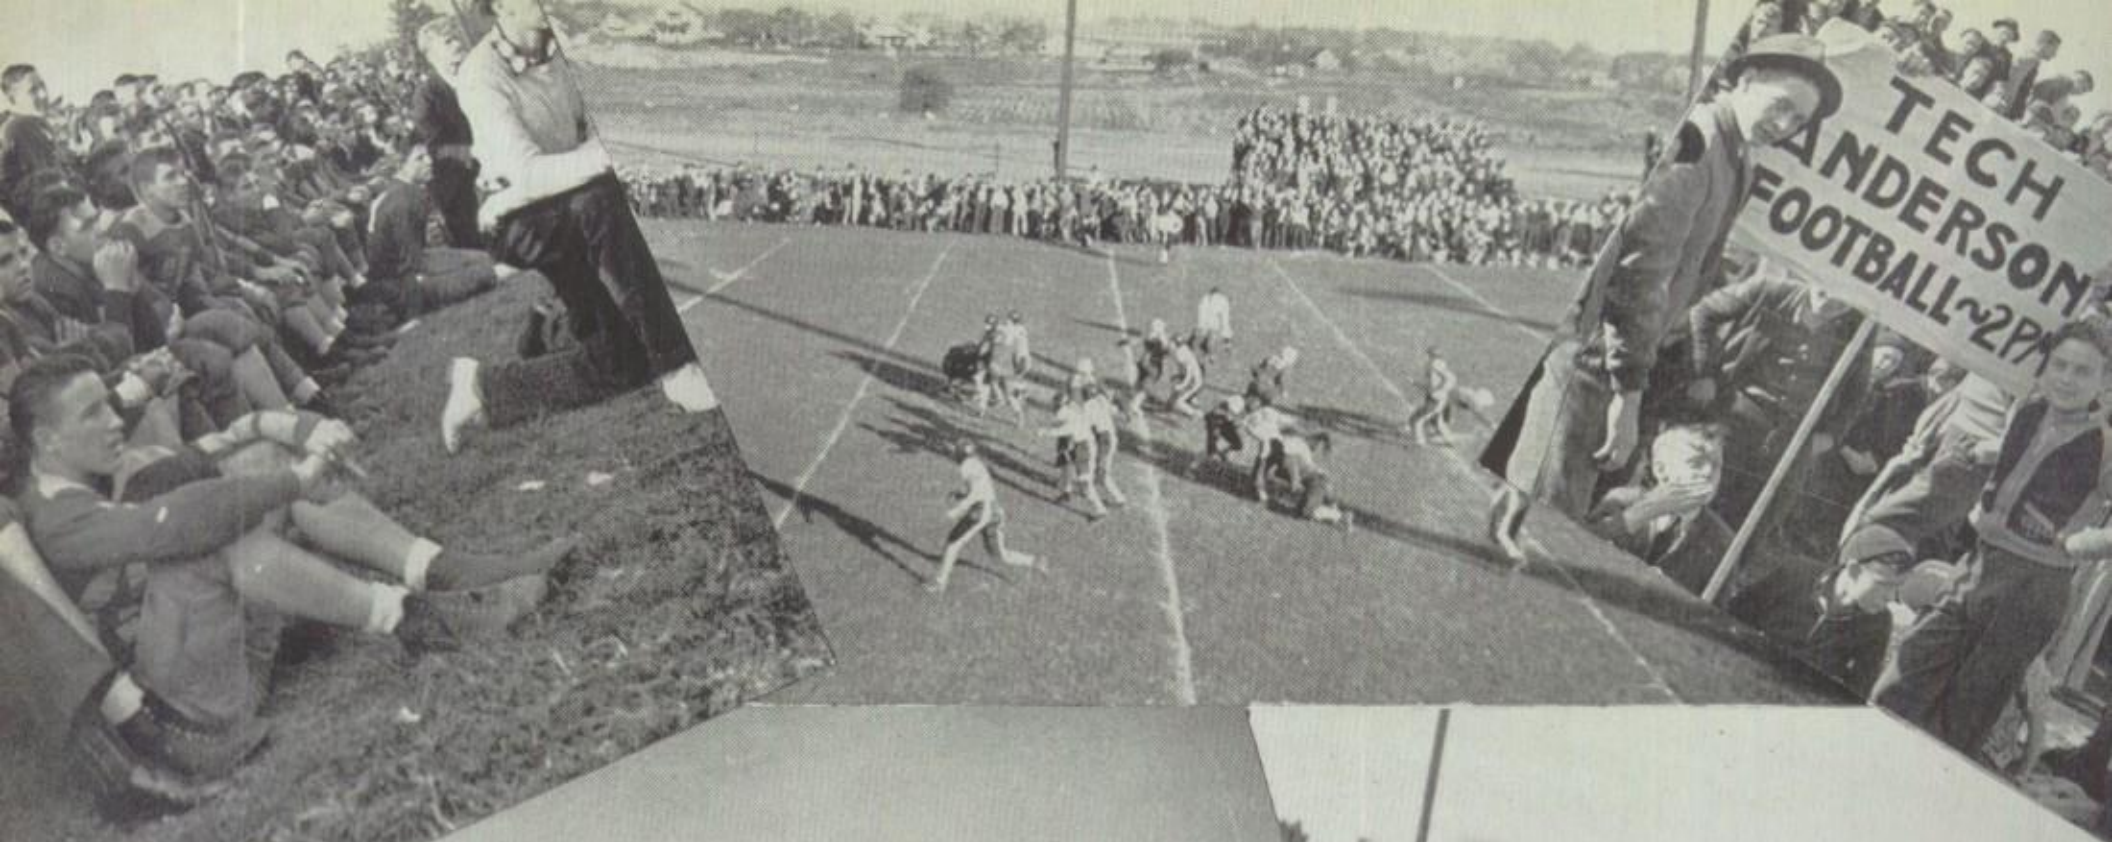

EUGENE YATES—"Jeep" was one of our reliable halibacks. His outstanding runs and fine defensive work earned him the respect of all of us.

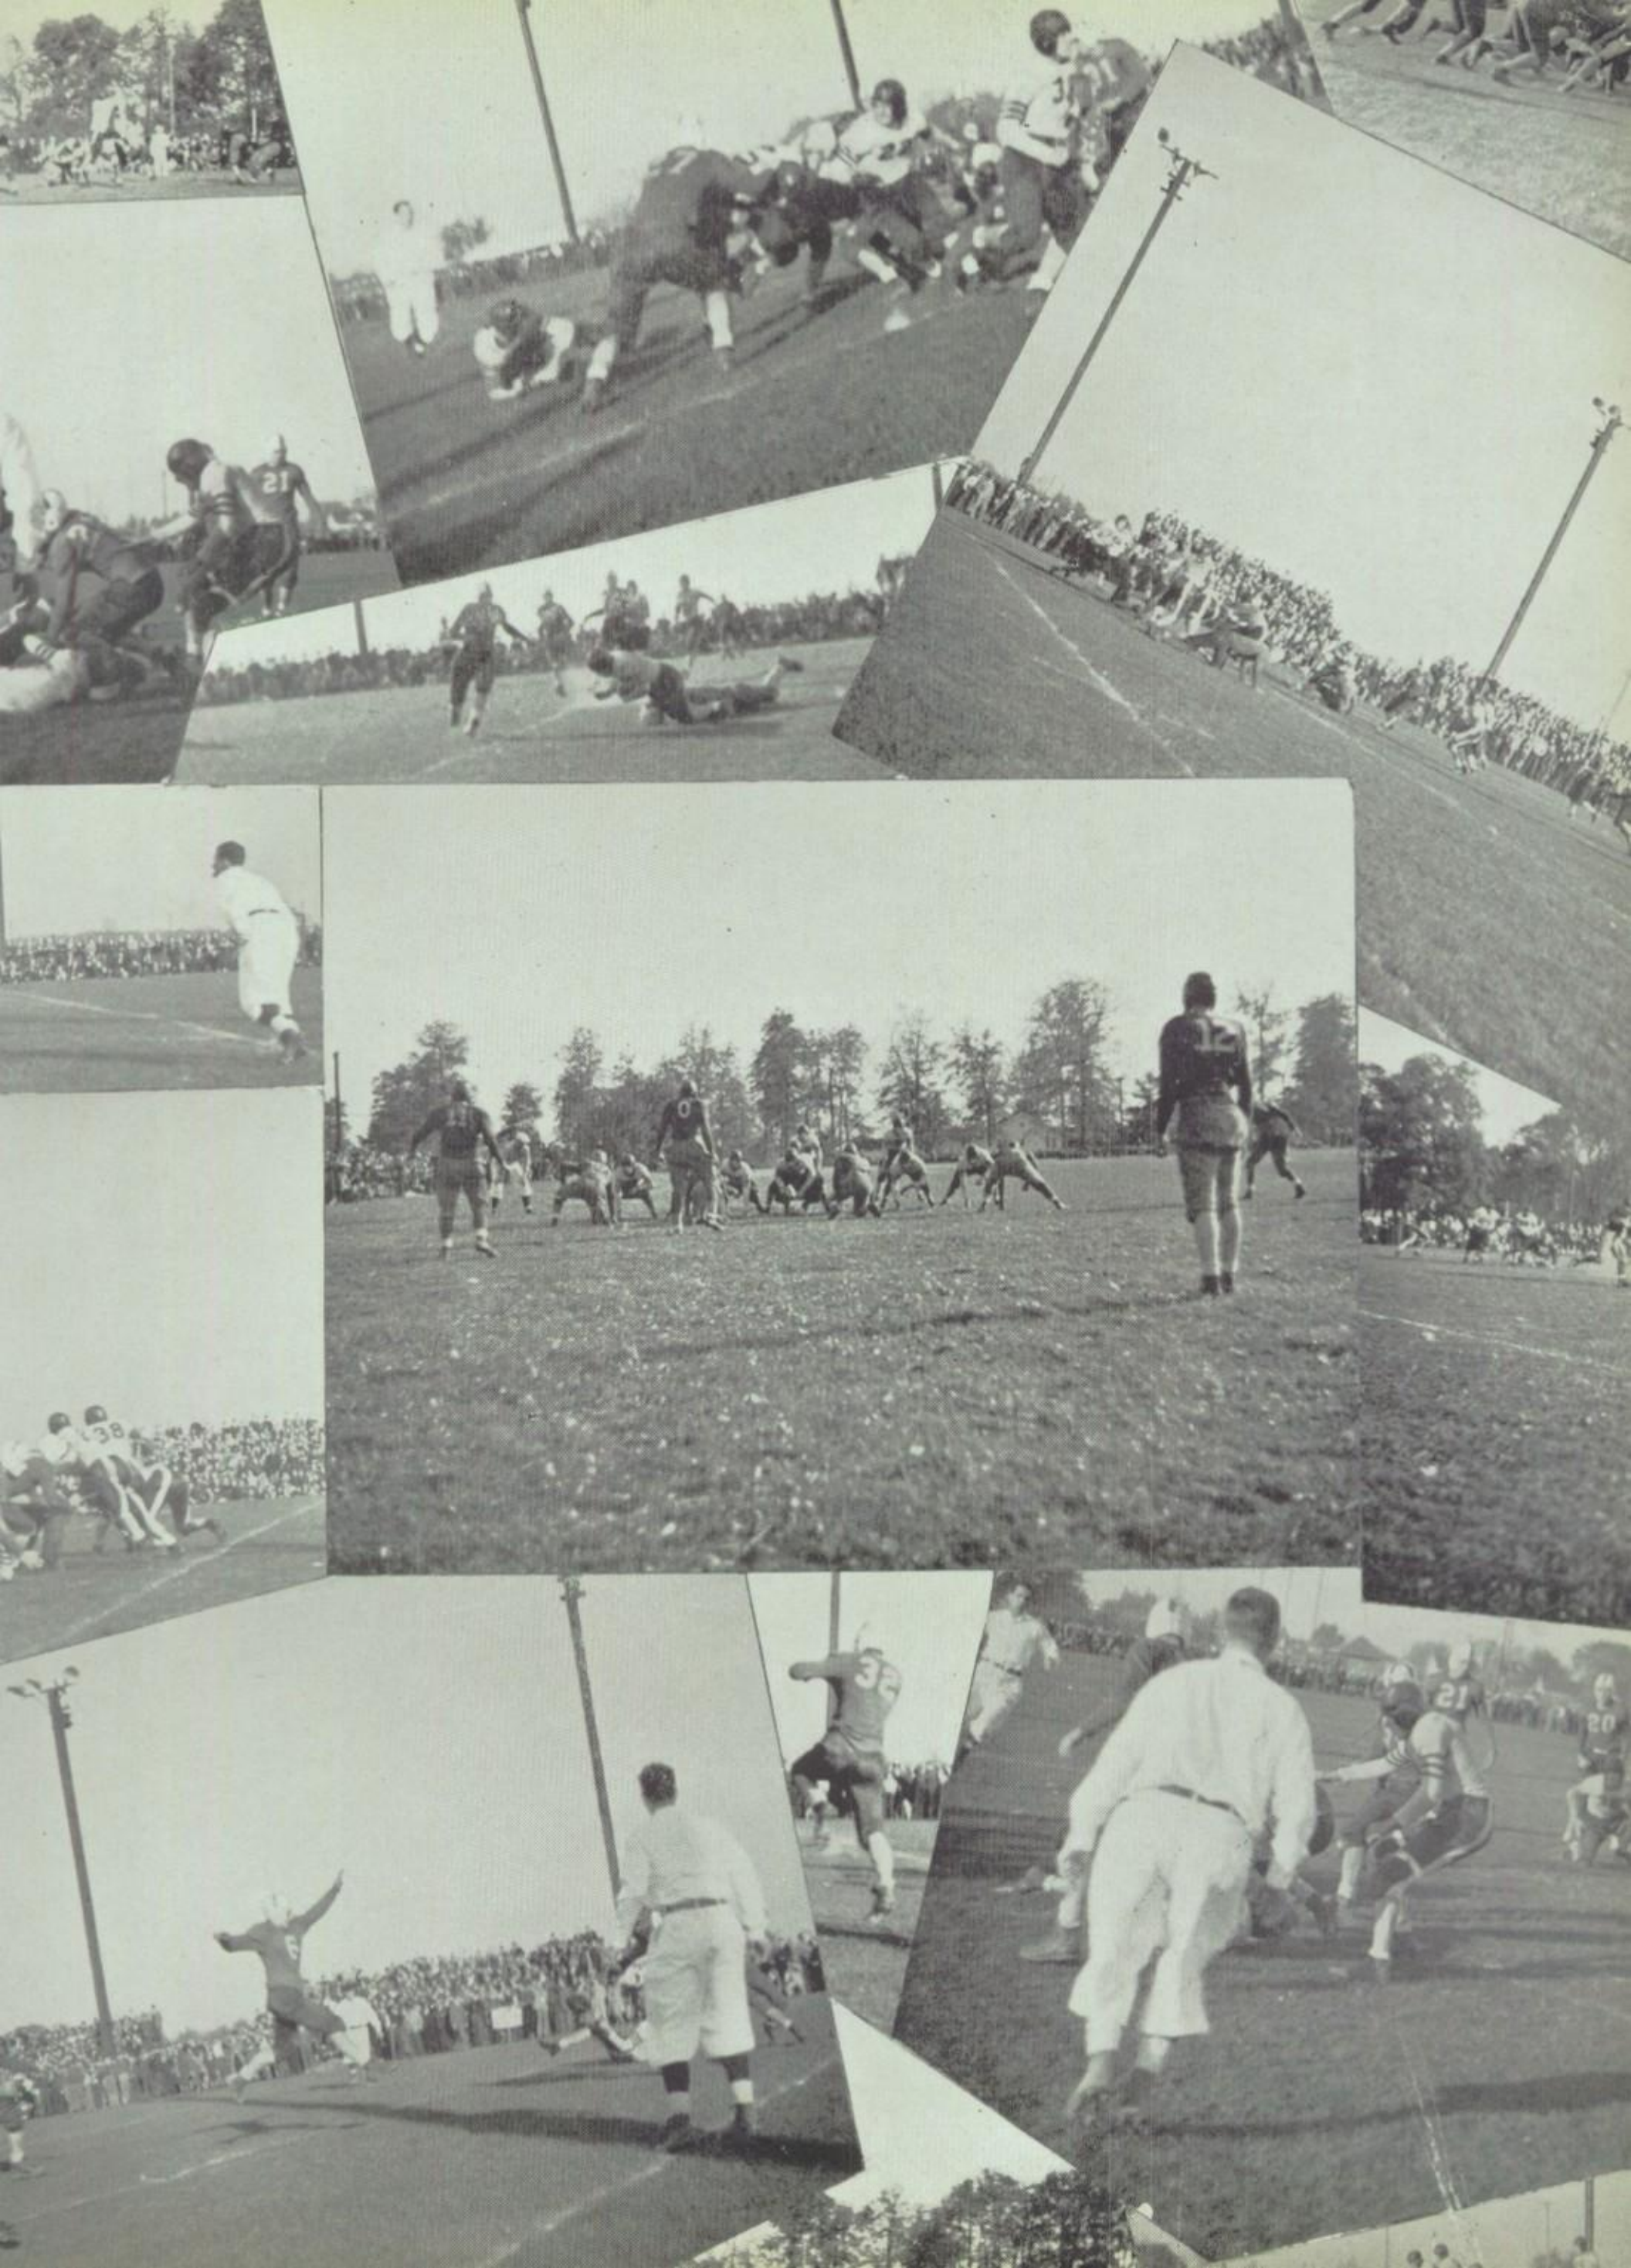

HENRY PATE—"Hank," although not a regular, saw action in several games. He was a triple-threat man and always gave his best.

MARK BENBOW—Mark earned his letter this year at half-back. His drive and speed were outstanding. As he is only a Junior we will see much more of him next year.

DON SHEETS—Don, although one of the heaviest men on the team, surprises everyone with his speed and light-footedness. Don also played his defensive position well.

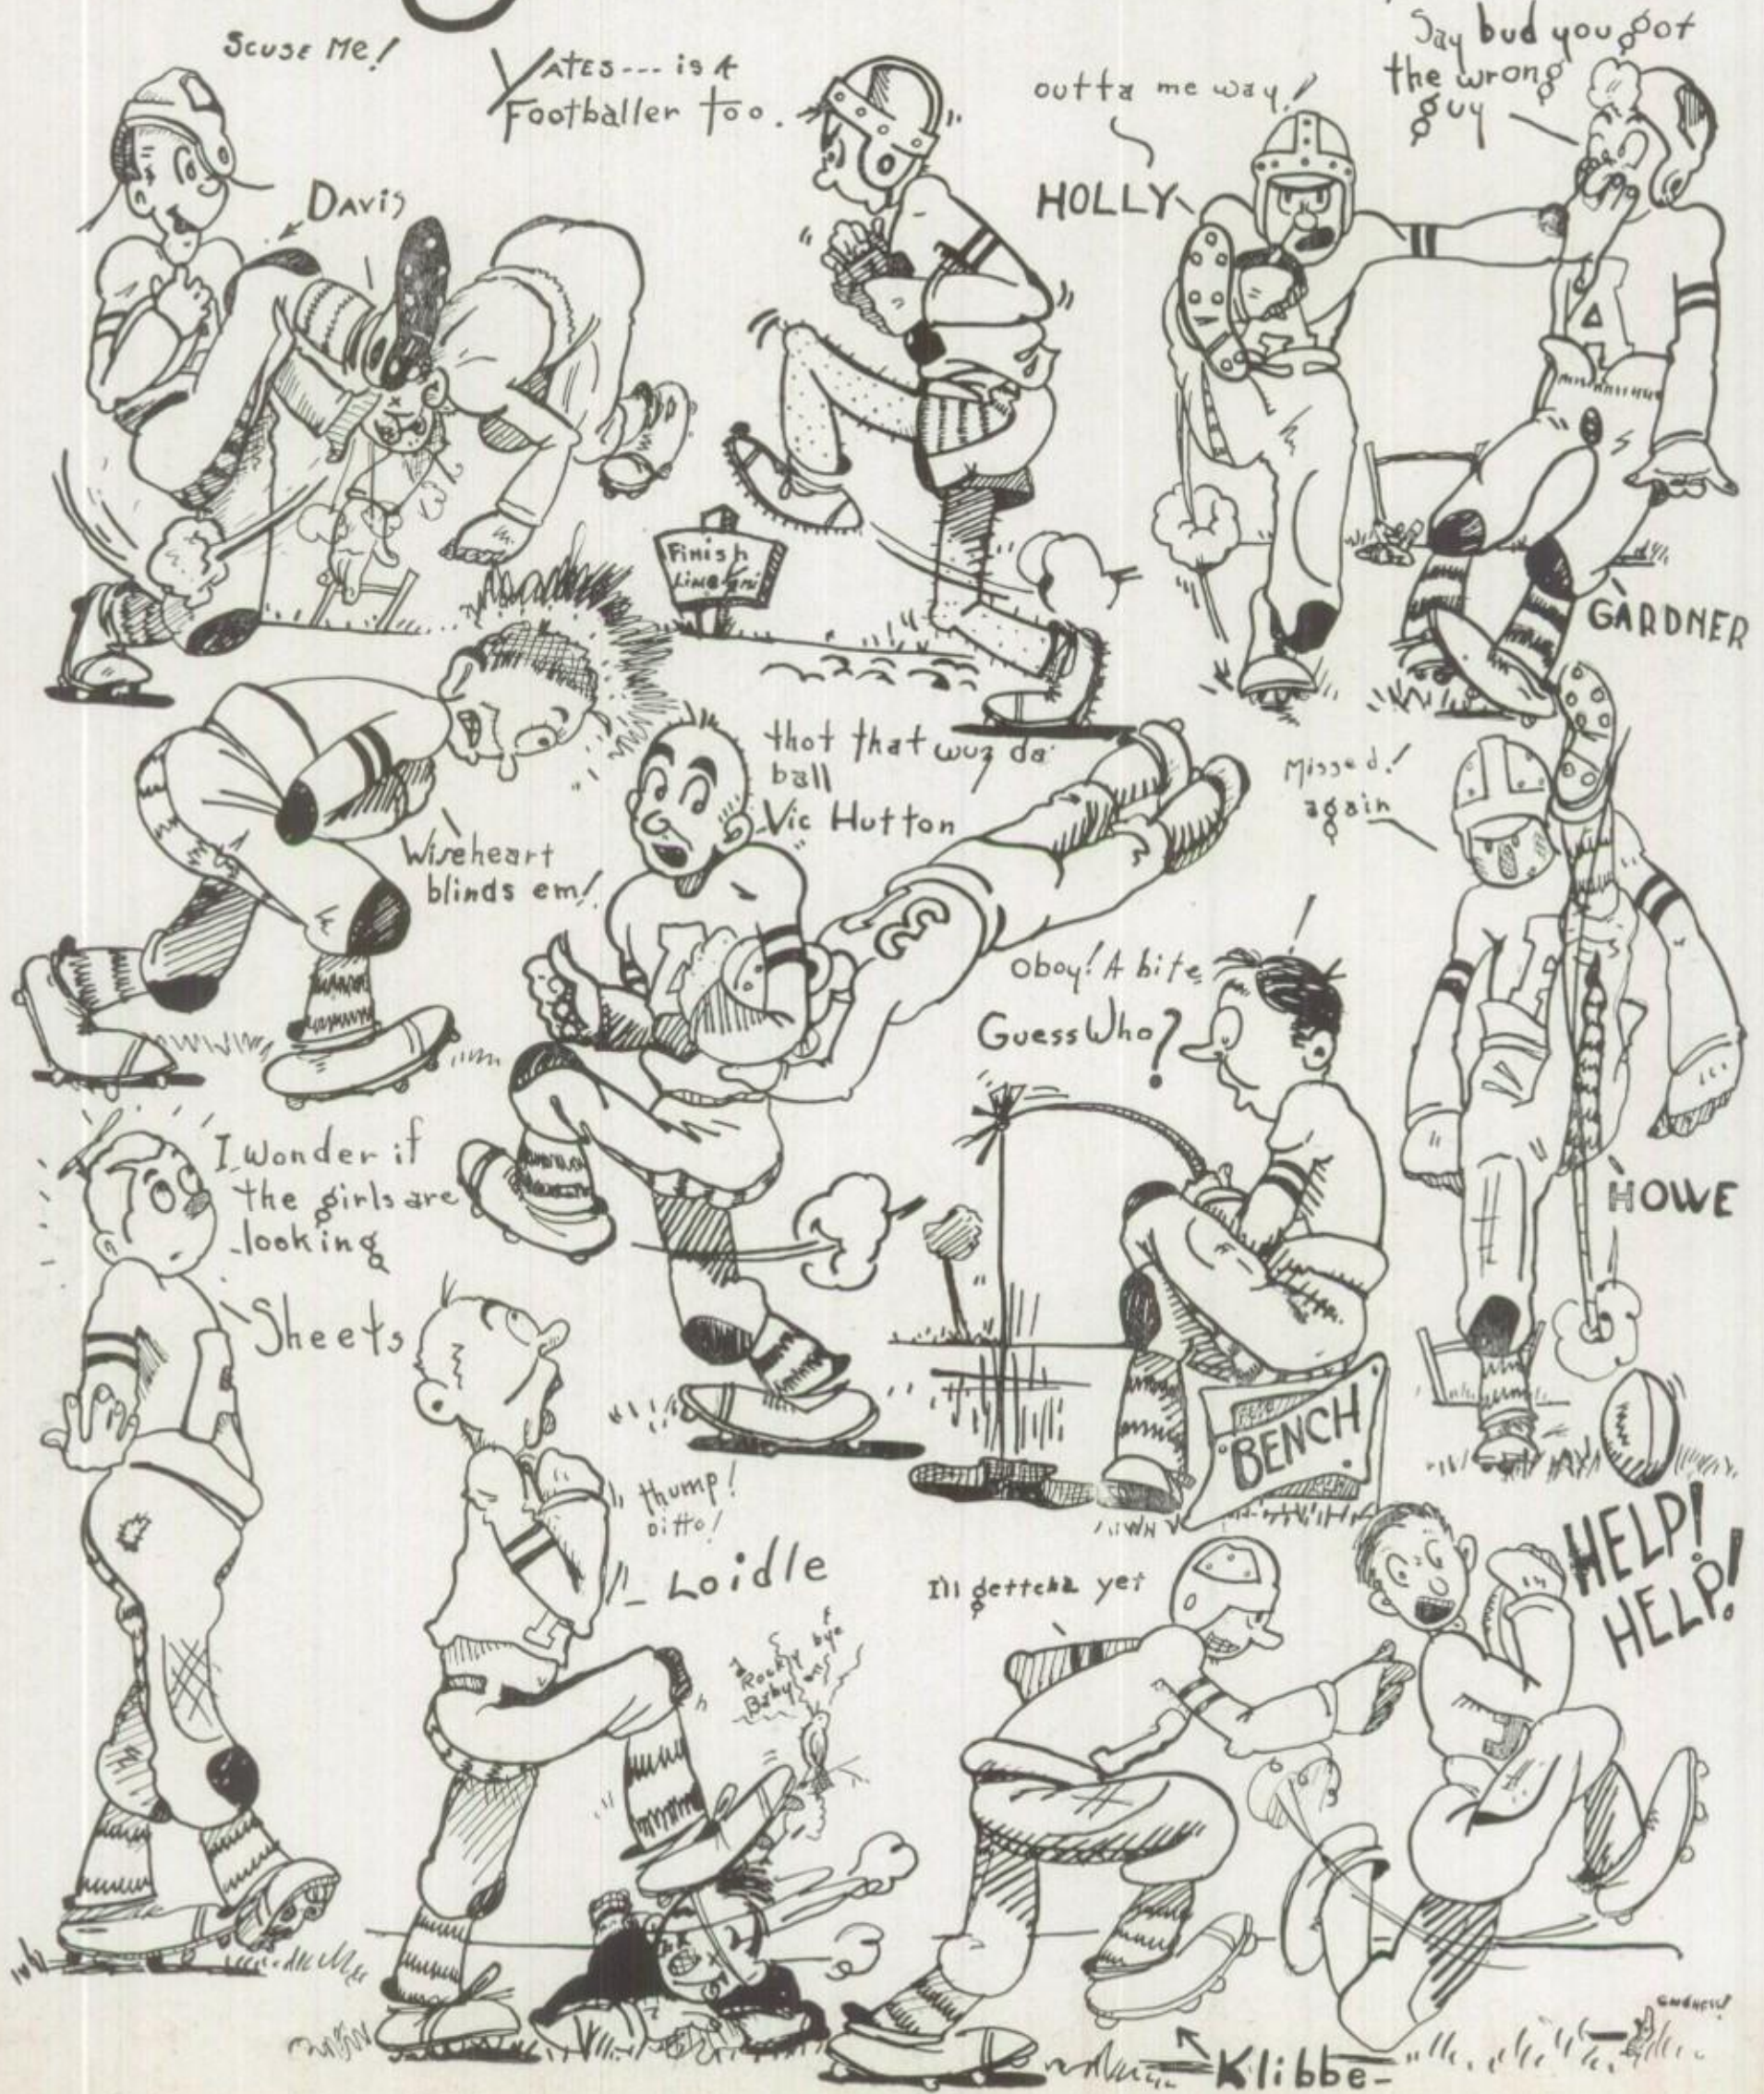

Port Short

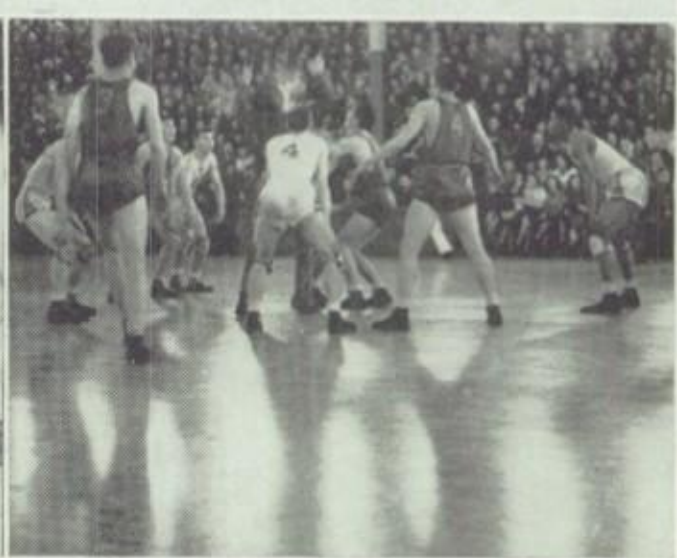

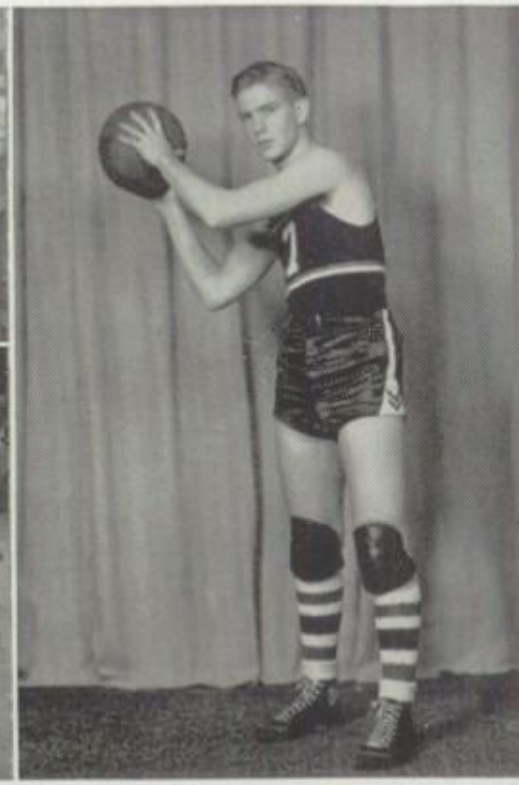

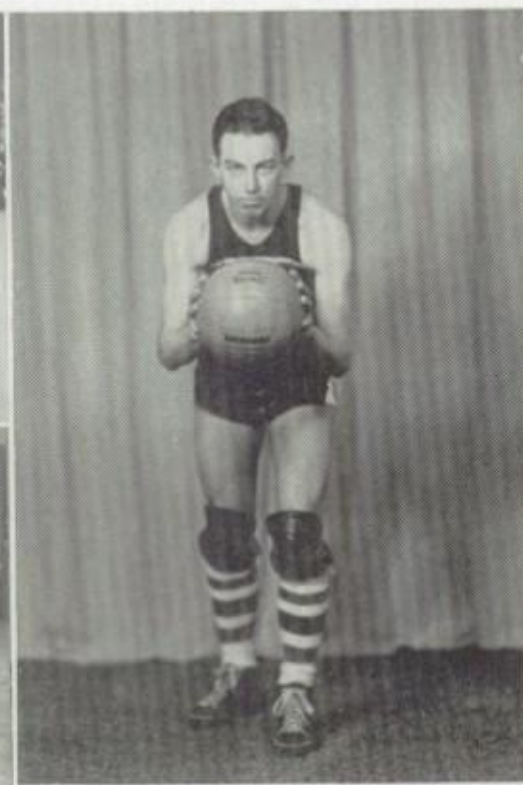

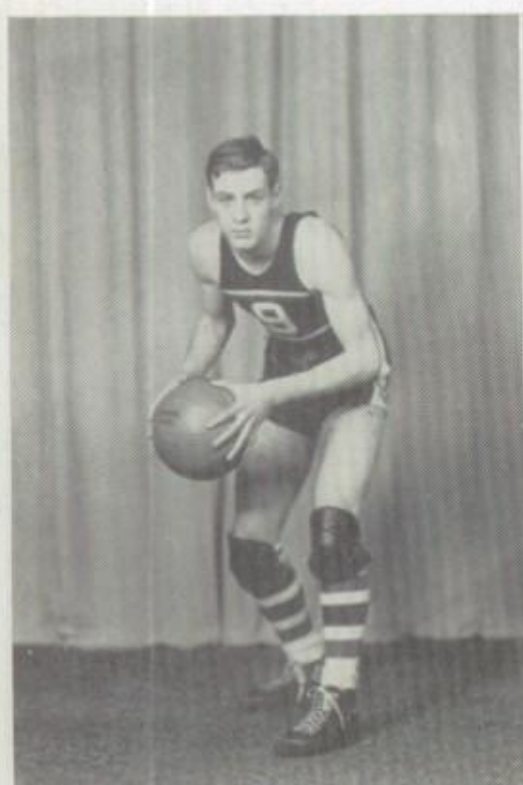

by Simpson

BASKETBALL

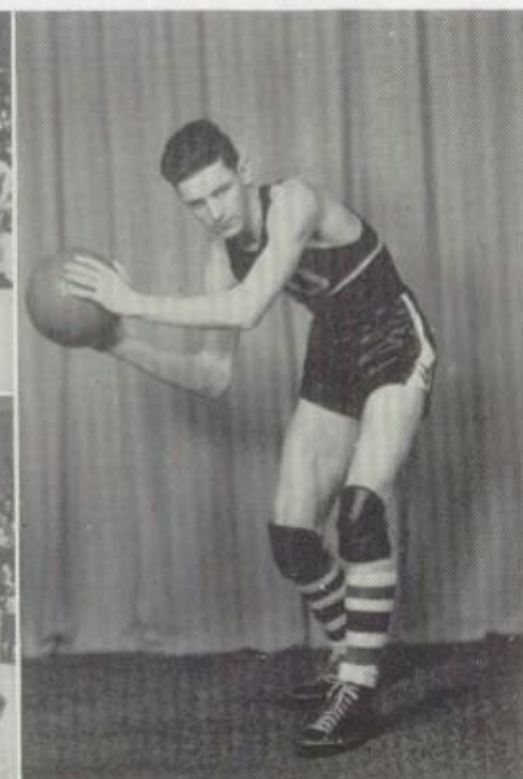

FRANK CALDWELL—Whenever a man was needed to settle the team down or smooth the pass work, Ike was the one called. He was a very brainy player who never went haywire. A very good defensive player and a brilliant passer on offense, he will be a loss to the team next year.

HENRY PATE—Pater was one of the fastest men on the squad. He played the guard position and was always fighting on defense and offense. His long shots from the center often came in handy and he has one more year to drop them in.

WALTER DAVIS—Wally was a member of the State Championship team of "37" and made "all-state." This year he did not get to play the first half of the season. He was a very good defensive man and specialized in making long shots from the side. He has performed in his last game for Anderson High.

JOHN NEVIN—John was a guard that developed fast toward the end of the season. He was noted for his defensive play and ability to hit long shots. He will be available next year as he is only a junior.

ORA DAVIS—Fuzzy was the tallest man on the team, and his great rebound and tip-in work was a great asset. He was a clever pivot man and one of the best defensive players on the ball club. He has one more year to perform.

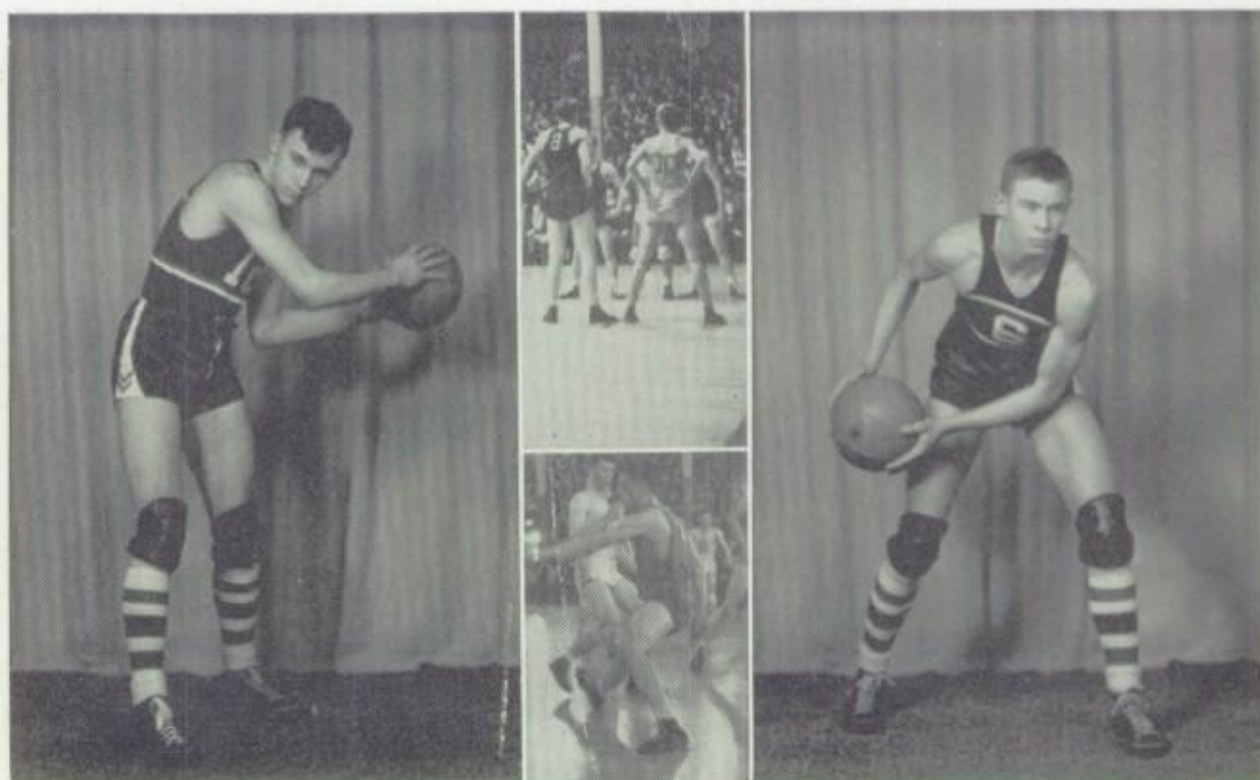

FRANK CLEMONS—Frankie was one of the greatest basketball players to ever perform for Anderson High School. His offensive play was a thing to marvel. He was smooth deceptive, fast, and clever. On defense he was always fighting and never gave up. He has played his last year and this all-state player will be missed greatly.

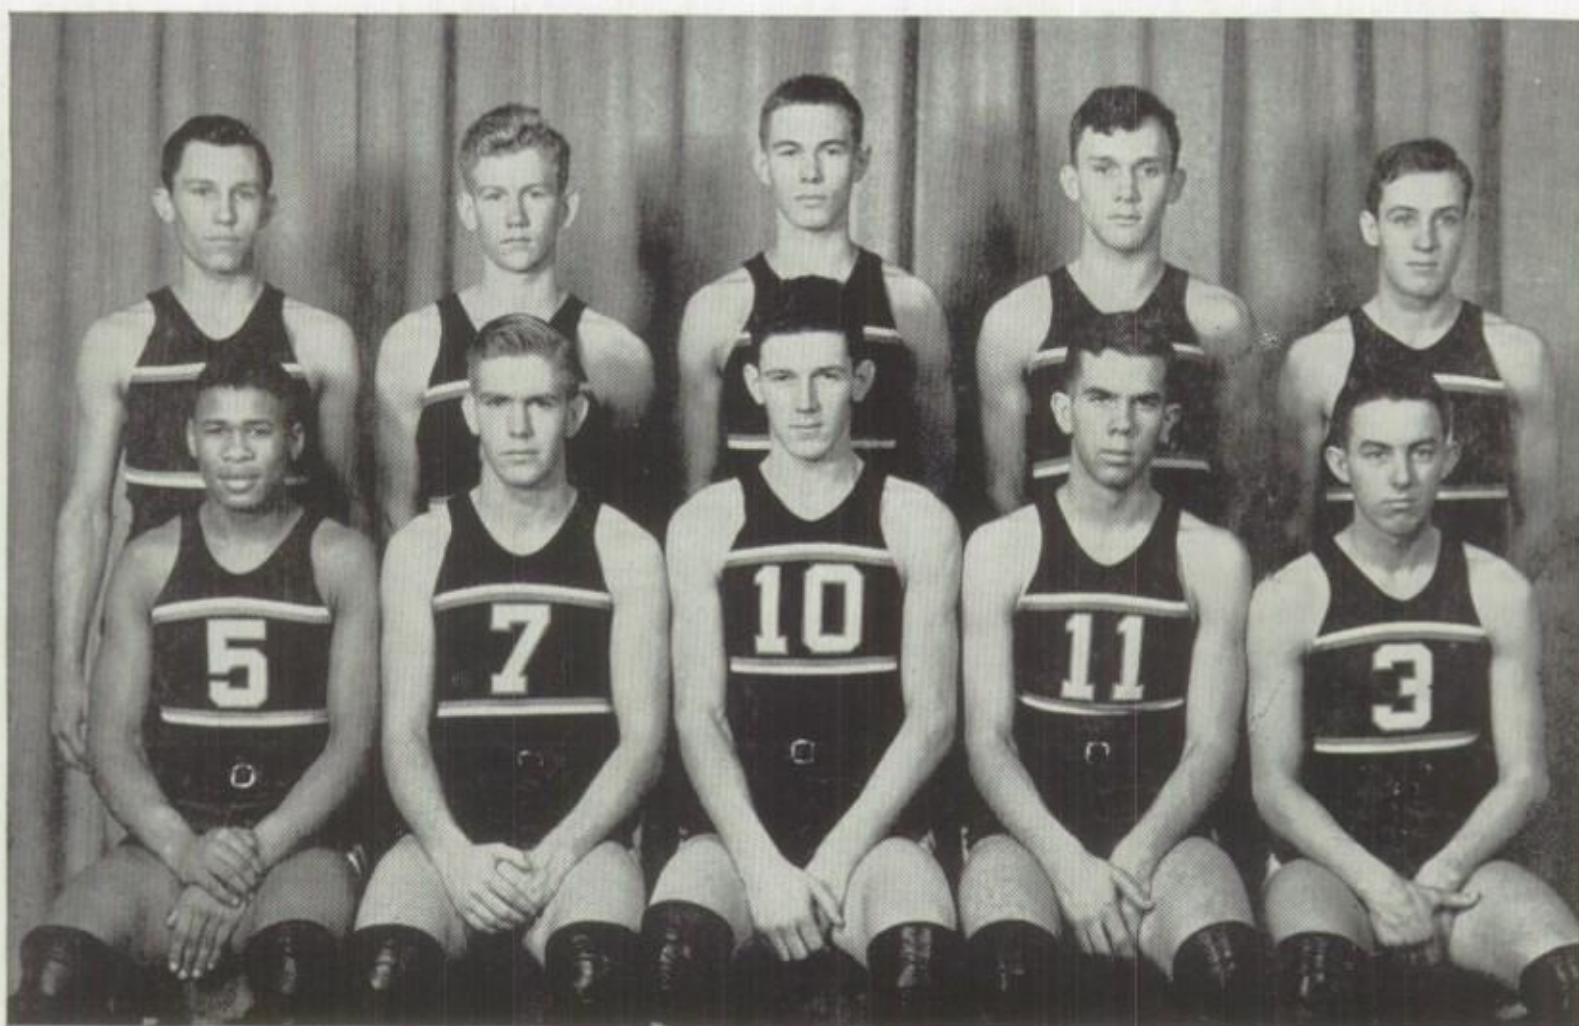

FRANK KLEE—Frank is a junior who made the team his first year out. He played an outstanding game at guard and always seemed to be in there on the rebounds. He should be very useful next year.

JACK GARDNER—Although he never made the starting five, Jack was a very dependable man to put in to get the team fighting. After four years of trying, he made the first ten; and was valuable to the team because of his spirit.

EUGENE YATES—Jeep was only a sophomore and made the first ten. His specialty was tip-in shots. He should really go places in his remaining two years.

EARL GIBBONS—Gibby was one of the two sophomores to make the team. His left hand and long shots should be very valuable his two remaining years.

Basketball

This year, as usual, basketball again reigned as "King of Sports" in Indiana. Because of the weakened condition of many of last year's leaders, caused by graduation, there were no outstanding teams at the first of this year's season. As the season developed, some outstanding teams were acclaimed. A few of these were Muncie, Kokomo, Frankfort, and Huntingsburg.

Although Anderson did not rate very high during the season, the Indians were counted on to "scale the heights" as tournament time rolled around. The reason for this opinion is not hard to find. Ever since Coach Chadd has coached here, Anderson has been known as a tournament team because of his ability to bring them to their peak just before the "big pay-off."

During the season, Anderson lost to such notables as Muncie, Technical of Indianapolis, Frankfort, and Marion. They also won from some of the teams in return games and made a fine showing. It probably was because of their unsteady playing that they were not given a high rating by some of the experts.

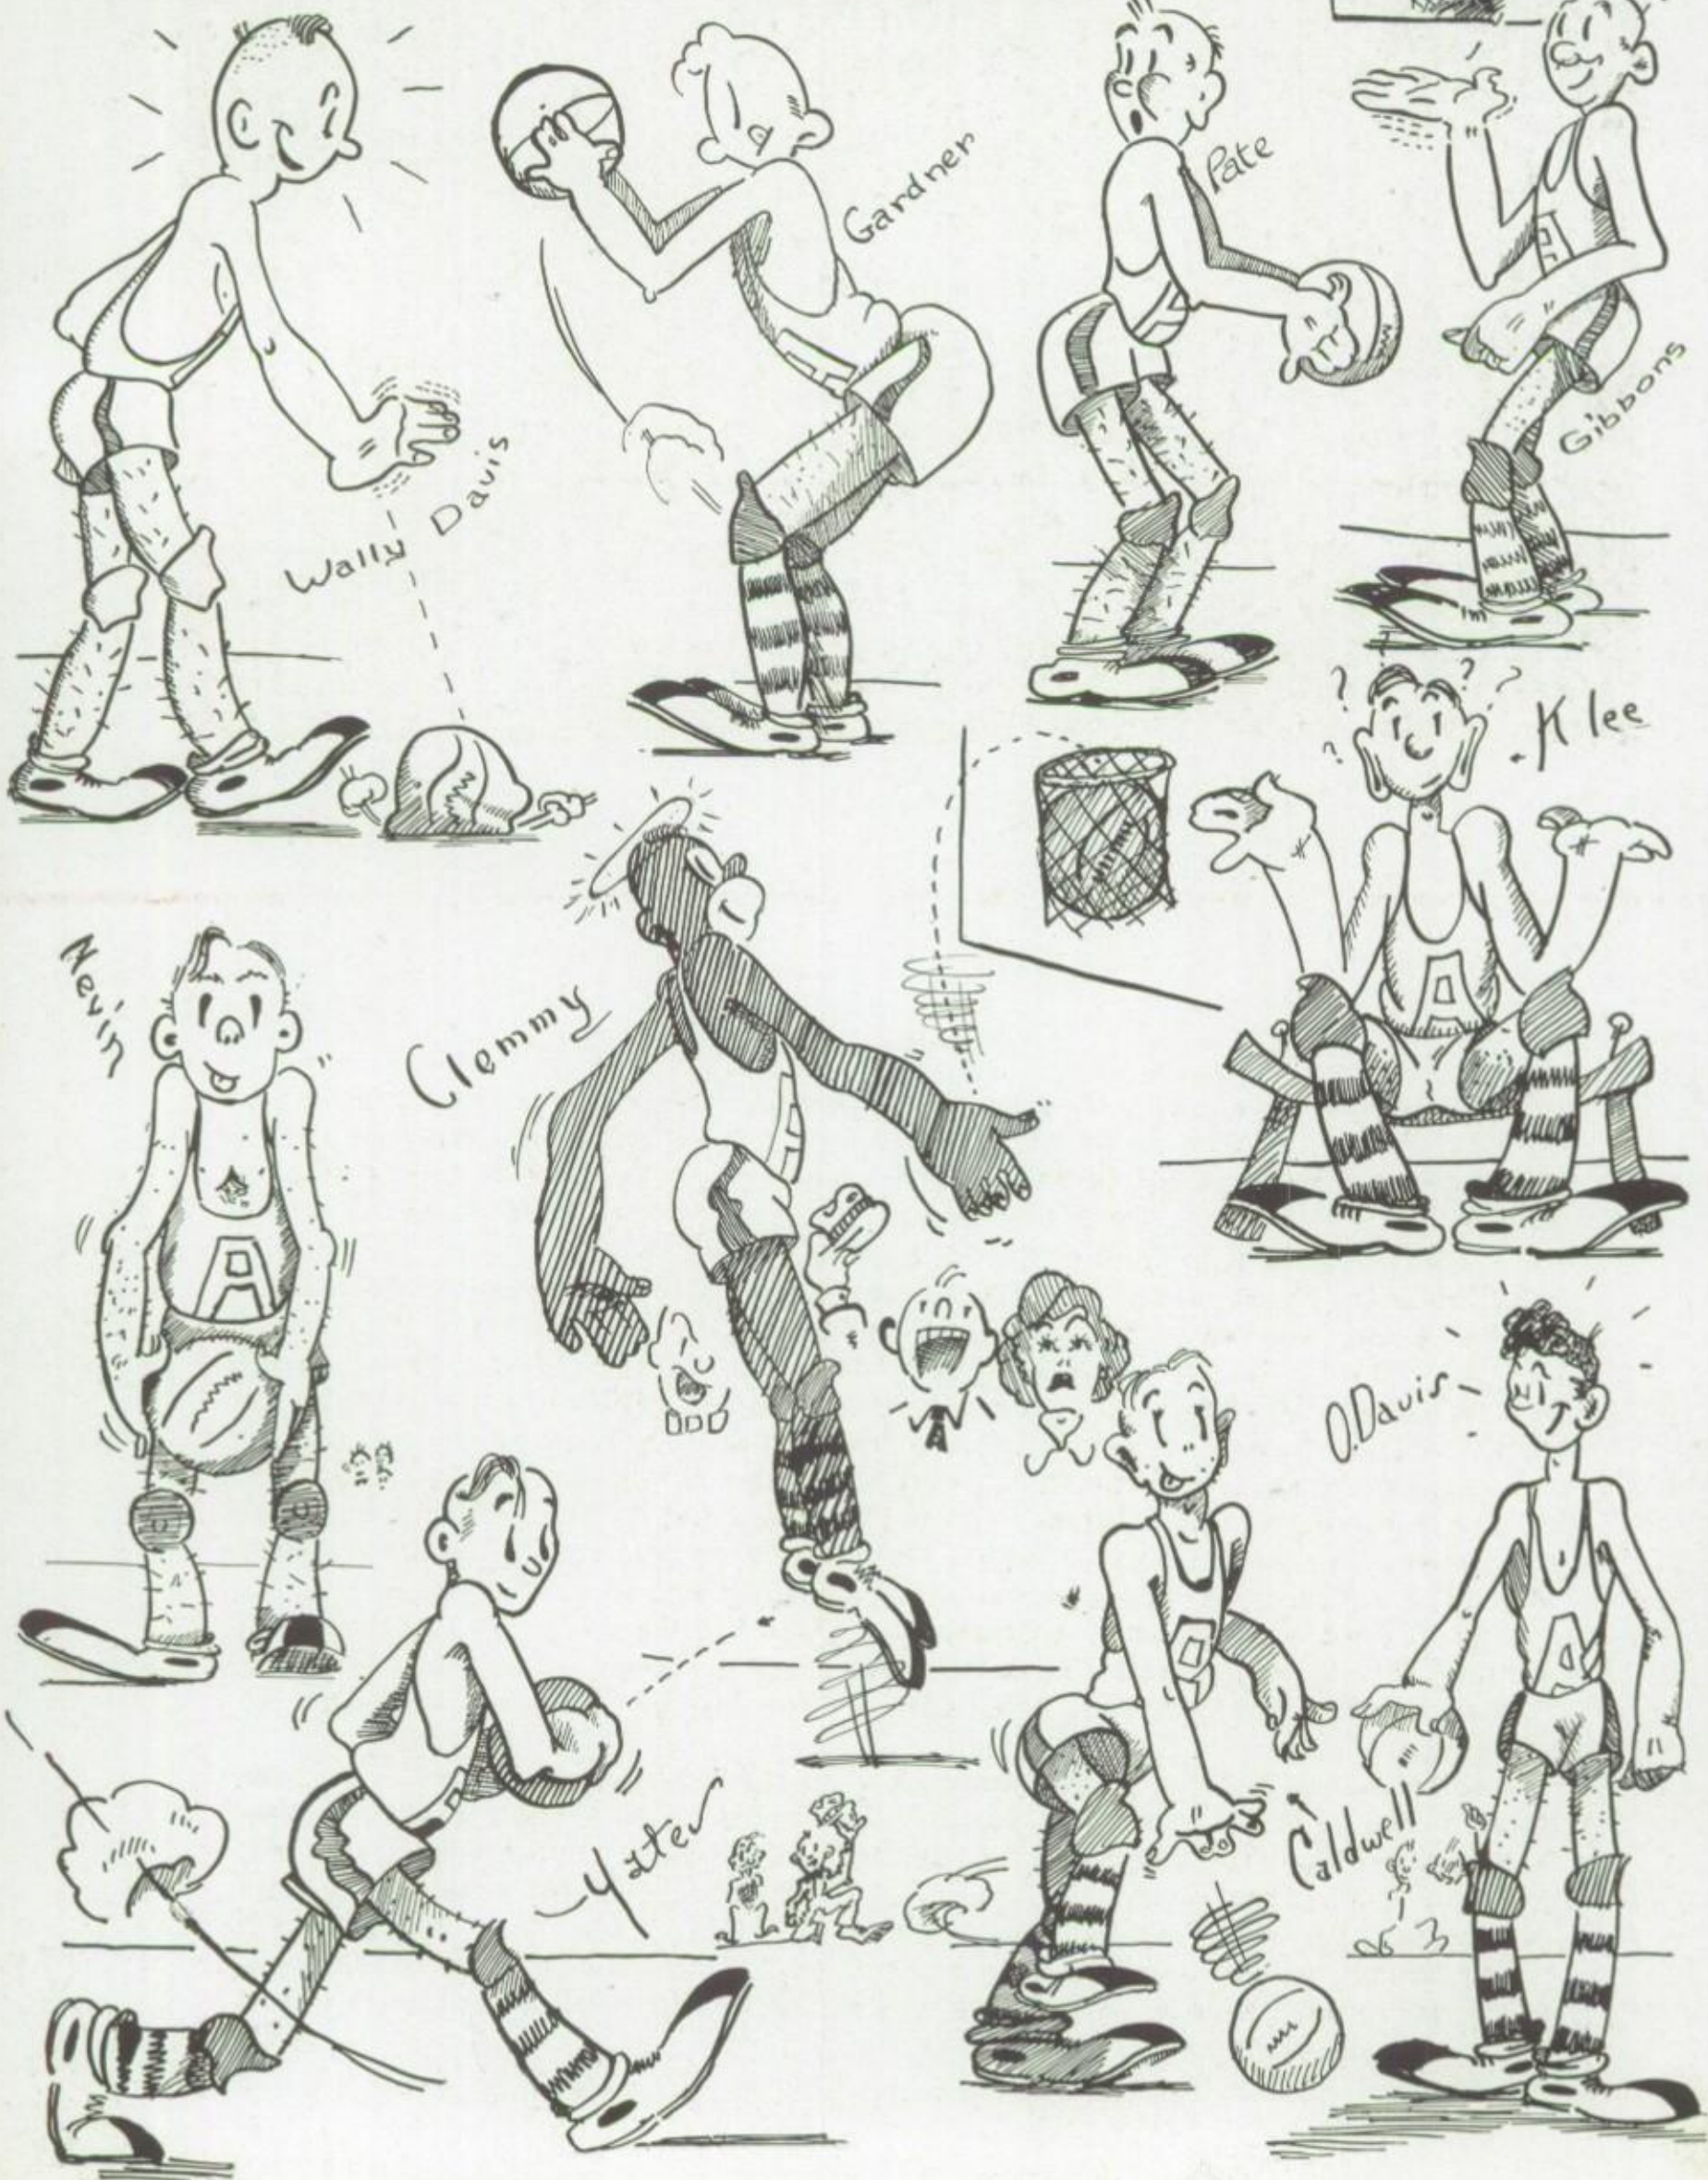

True to predictions, Anderson bolstered up just before the Sectional and hit a winning streak which carried them through to the Semi-Finals. It was here that they went down fighting and lost to Columbus by the narrow margin of two points.

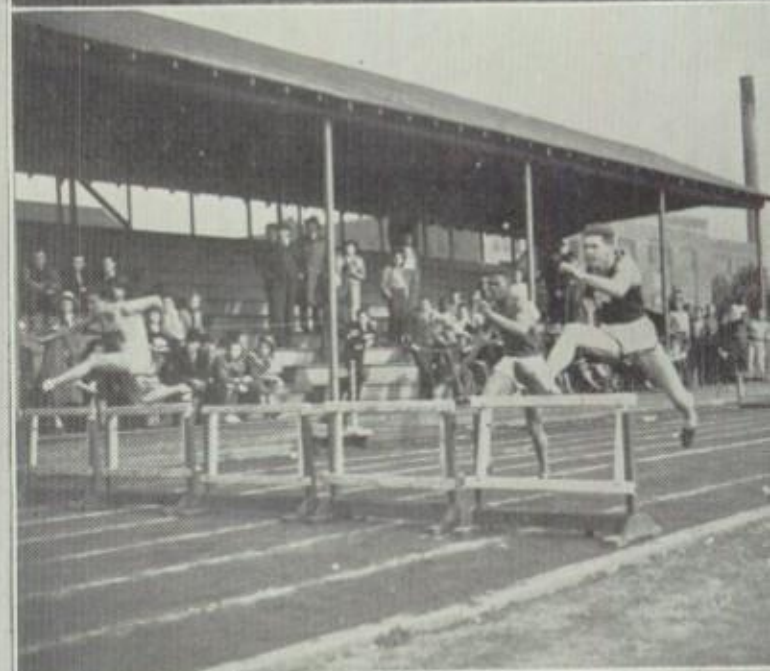

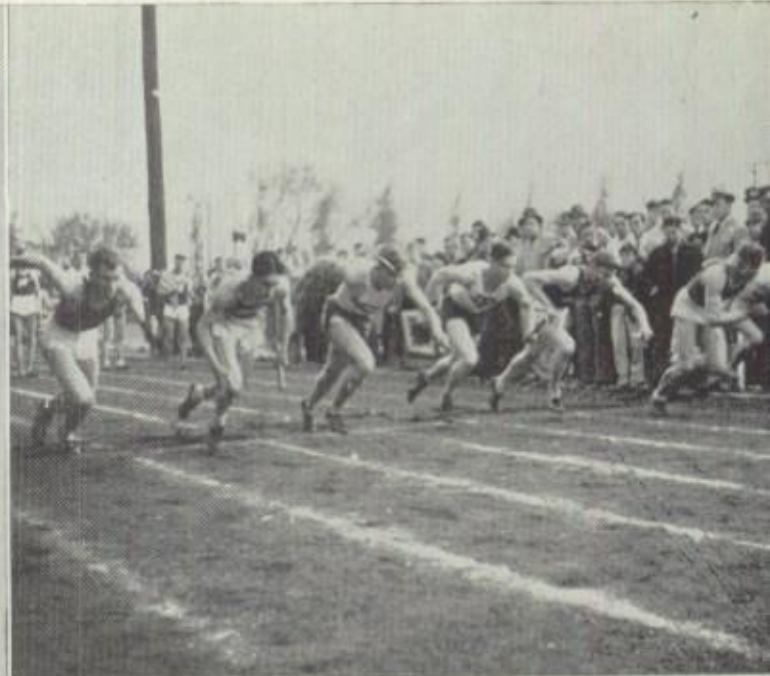

Graduation will claim four outstanding basketball players from our ranks. These boys are Frank Clemons, Frank Caldwell, Wally Davis, and Jack Gardner. To them we say, "We will miss you greatly but we sincerely hope that you will go as far in the "Big Game" as you have in athletics here. We'll be on the sidelines pulling for you all the way."

Although it will be hard to fill the position left vacant by these Seniors, we feel that we will have another outstanding team on the floor next year.

TRACK

Track

After a slow and late start, the Anderson High School track team gradually improved and at the end qualified the greatest number of boys for the state meet and ranked the highest of any Anderson team before it.

The track team was entered in four dual meets, three of which were with North Central Conference teams, the Big Ten meet, two relays, and the Sectional and State meets. The dual meets were with Marion, which Anderson won 77 to 49, defeating Marion for the first time in years; Muncie, which was won by Muncie 66 1-2 to 50 1-2; Warren Central, won by Anderson 68 1-2 to 48 1-2; and Richmond, won by Anderson by a large score. At the Big Ten meet the Indians finished fourth. The relays were at Muncie and Kokomo where the medley and middle distance teams made great showings by winning.

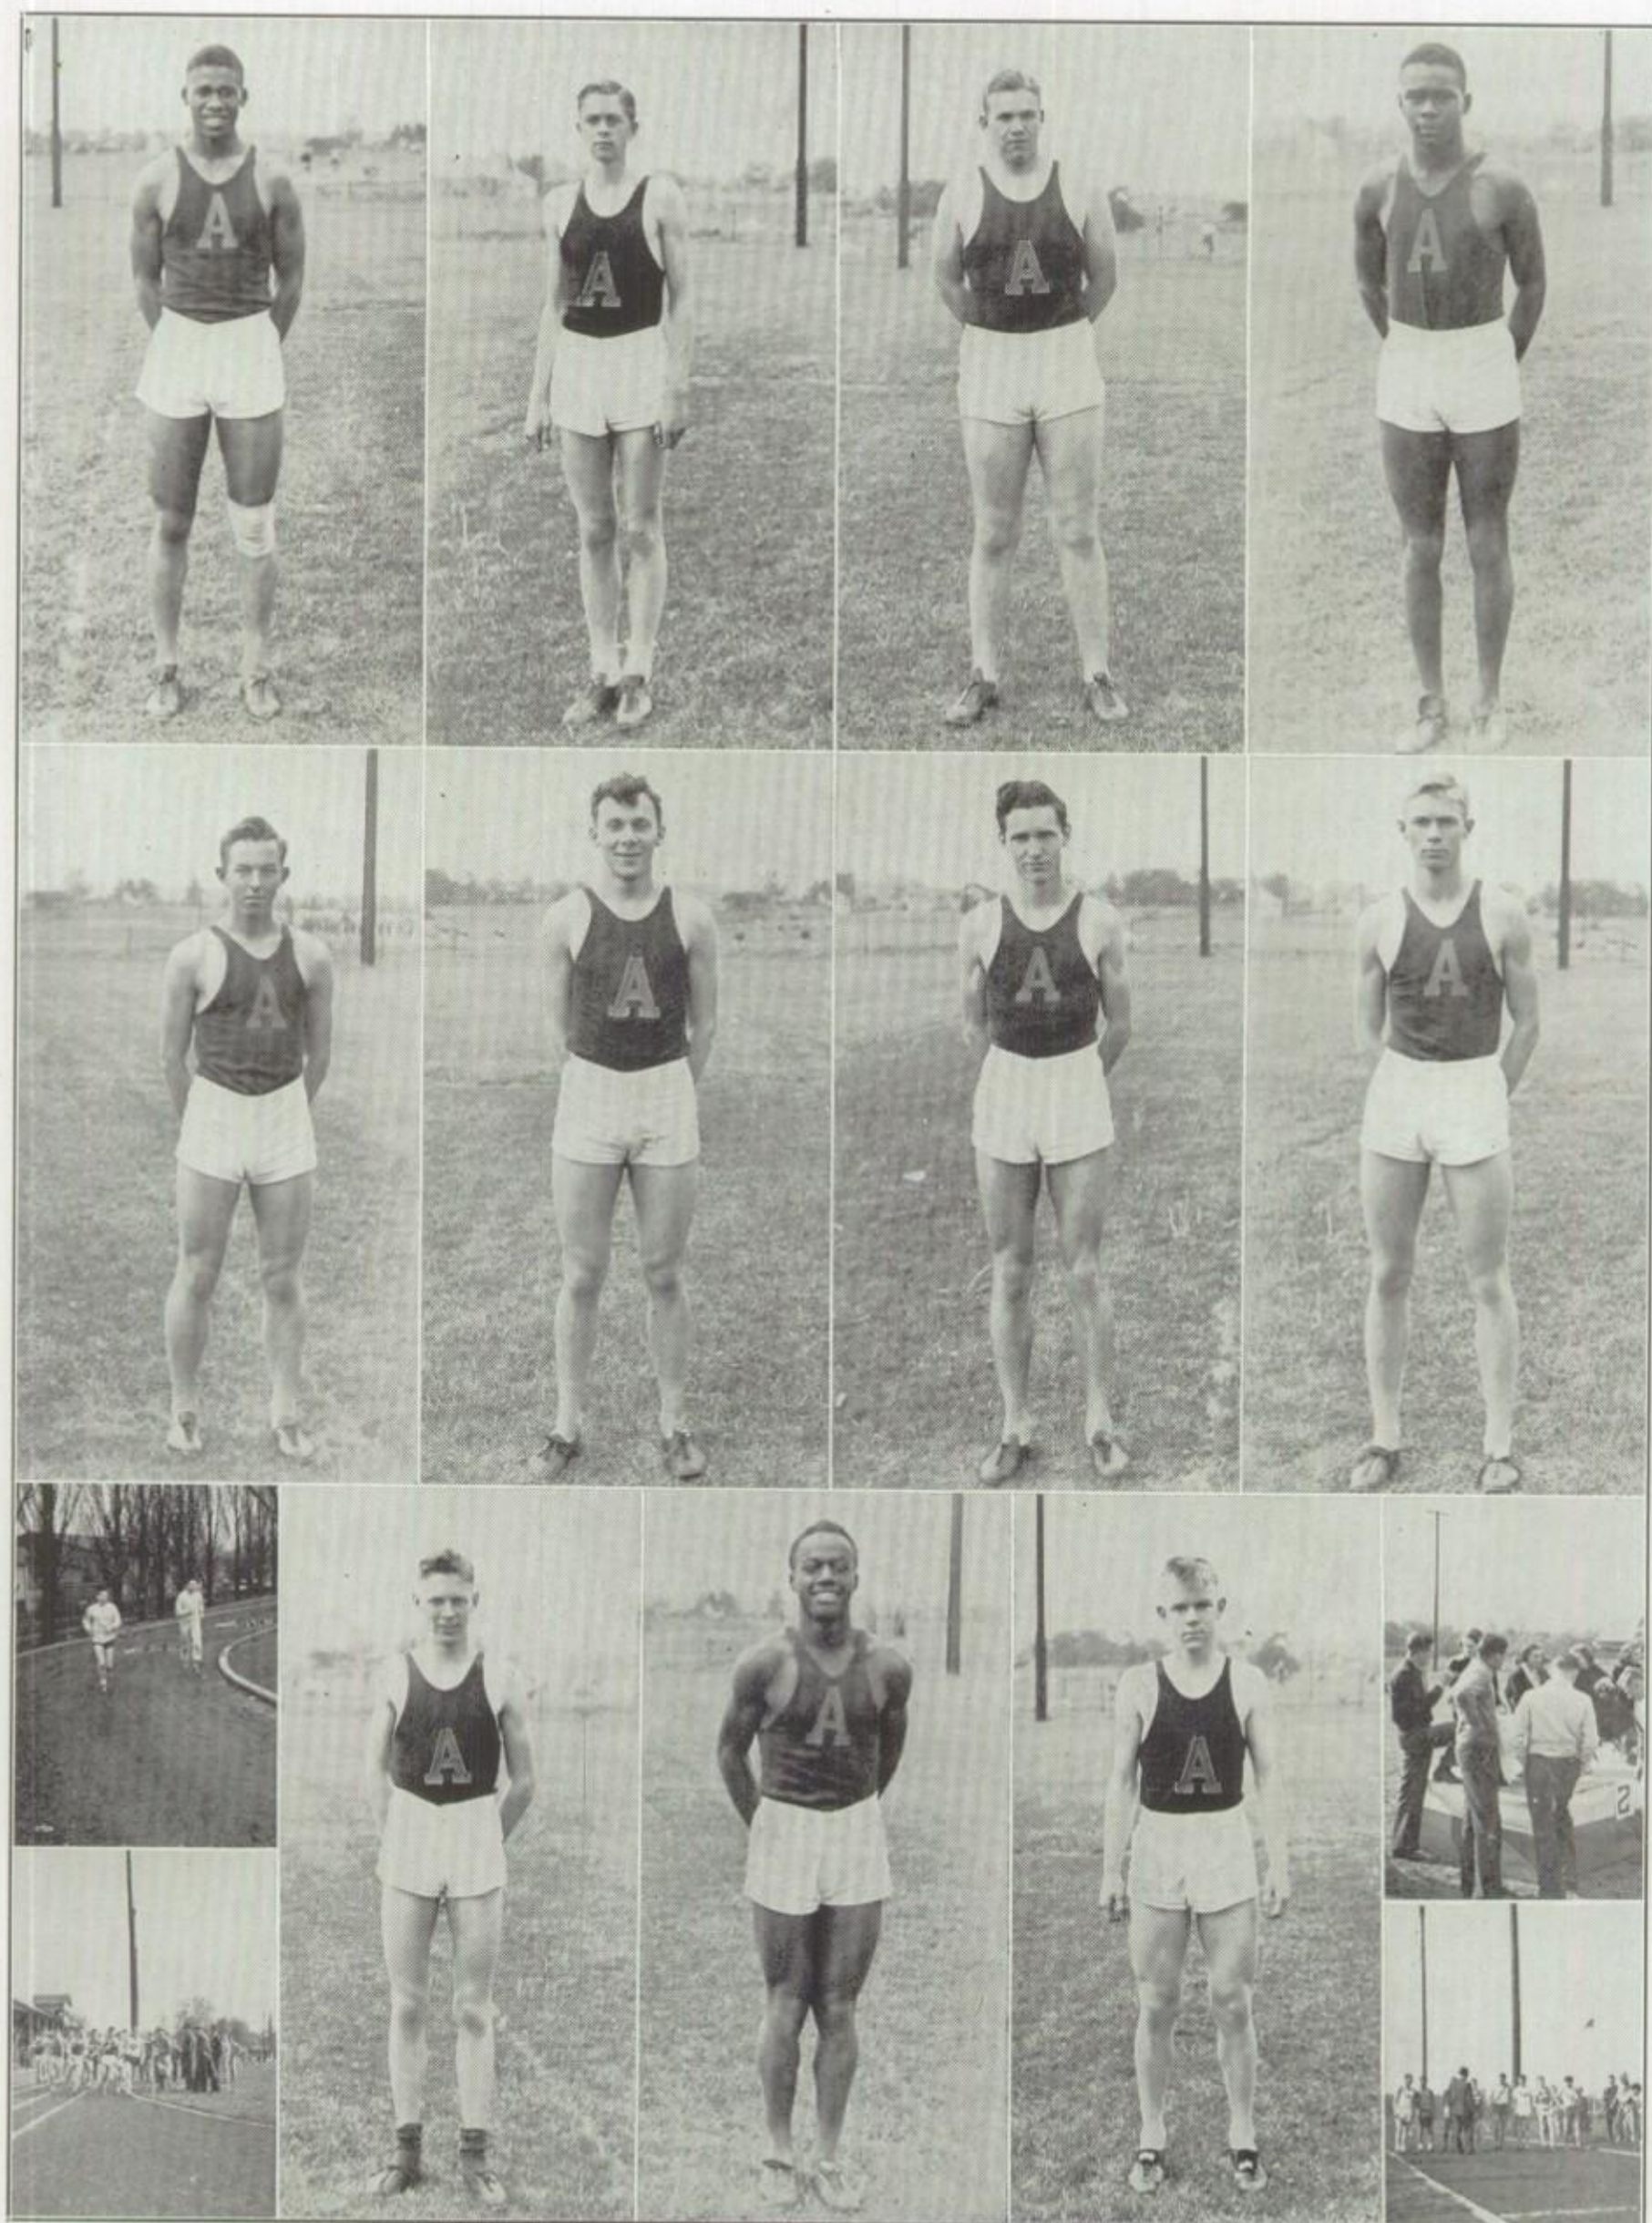

In the Sectional the team made a wonderful showing by pushing Kokomo, the defending state champions, to the utmost before they could gain a 54 to 51 victory. Out of this Anderson qualified ten boys for the state meet.

At the state the Anderson boys really turned on and finished sixth out of a field of ninety-six schools. Two of the boys, Yates (in the half-mile for the second time), and Mitchell in the mile, won first places.

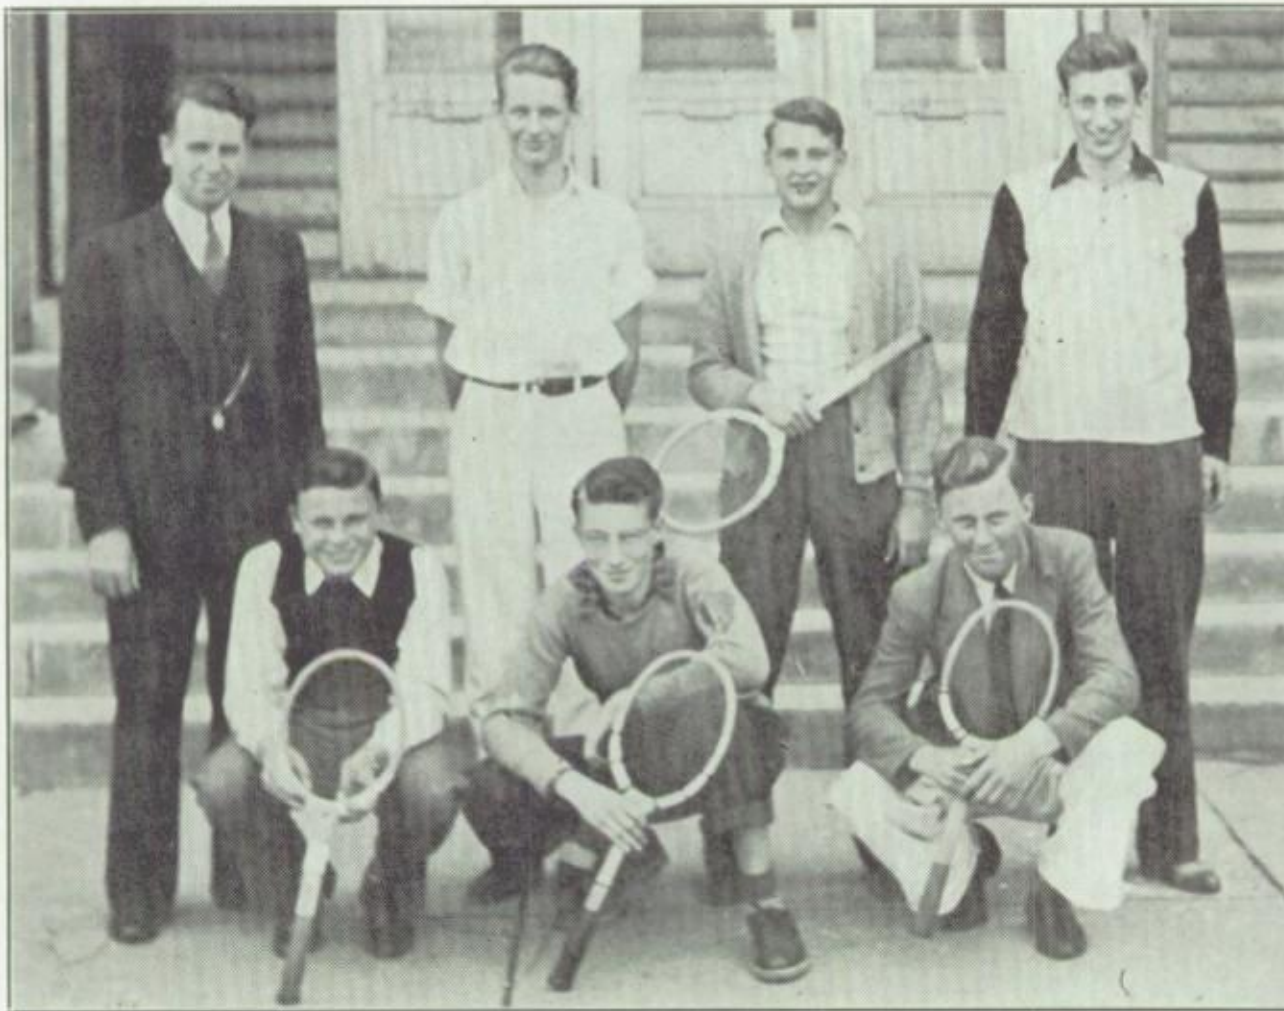

A large share of the credit for the great showing of the team goes to its coach, Mr. Bonge, who really worked hard to put the track team out in front, and credit should also be given the team captain, Frankie Clemons.

Track

First Row—Frankie Clemons, Gene Morgan, Dick McClintock, Melvin Boyd.
 Second Row—Henry Pate, Eugene Yates, Earl Mitchell, Earl Gibbons.
 Third Row—Everett Orebaugh, Arthur Richardson, Carl Hovermale

Tennis

Kneeling, left to right—Ray Morris; Ben Howe; Bob Dunham.

Standing, left to right—Mr. Arthur Shirey, Coach; Frank Herron; Bob Trent; Dick Howe.

Proposed Tennis Schedule

Elwood, Muncie, Tech, Connersville, Shortridge, Muncie and the Invitational Tournament.

Because of bad weather, the tennis team found it difficult to play the matches scheduled. The only match played at the time of publication was one with Elwood, which Anderson won 4 to 3.

Francis Ratchford, number one man and one co-captain, was not present at the time the picture was taken. He made the best showing, winning the singles title in the Muncie tourney where twelve teams were entered and teaming with Dick Howe, the other co-captain, to win the doubles assignment during the regular season. His showing at Muncie stamped him as one of the outstanding players in the state.

Dick Howe, better known as "Dixie" and number two man, established a commendable record. He teamed with Ratchford in doubles play during the season, and together they were undefeated in matches played. In the tourney he teamed with Bob Dunham and went to the semi-finals before being eliminated.

Morris, Herron, B. Howe, and Trent were the remaining members in the order of their ranking number. All of these boys are under-classmen to be watched on our future tennis teams.

While many courses in the high school curriculum bear a more or less indirect relationship to the large field of possible life occupations, no more direct vocational application for high school work can be found than the study of typing, bookkeeping, shorthand and allied subjects. Those engaged in business work of all kinds—the bookkeeper, the stenographer and even the business executive—find their high school training in commercial work most valuable.
